Dedication

Lynne Barnikow

The Town of Jefferson gratefully recognizes Lynne Barnikow upon her retirement after 32 years of dedicated public service.

Lynne began her career with the Town as Town Clerk, and through her commitment, professionalism, and extensive knowledge of municipal operations, advanced to serve as Town Administrator and Treasurer. Over more than three decades, she provided steady leadership, sound fiscal guidance, and exceptional administrative support to the Select Board, Town staff, and residents.

Lynne's deep institutional knowledge, attention to detail, and unwavering dedication have contributed significantly to the effective and responsible operation of Town government. Her work has left a lasting impact on the Town of Jefferson and reflects the highest standard of public service.

On behalf of the residents, elected officials, and employees of the Town of Jefferson, we extend our sincere appreciation to Lynne Barnikow for her 32 years of exemplary service and wishing her much happiness and fulfillment in her well earned retirement.

U.S. Senator's Report

Washington, DC

Dear Friends,

With each year we have a new opportunity to recognize our shared achievements and offer up our time and energy to support one another when challenges arise. I am grateful to the towns across Maine for their dedication to their communities, their residents, and our state. Working together has always been our strength, and the past year proved that once again we are stronger when we work together.

However, it is difficult to recall a year more challenging than the one we just experienced – a year that required a steady focus on our founding principles and shared values. For these reasons, I spent hours on the Senate Floor reminding my colleagues – and many of you back home – about the vision our founders demonstrated when they laid the blueprint for the American experiment. A cornerstone in their understanding was a duty to civic engagement and community. I often refer to Maine as a big town with long roads, and in my travels throughout our state, I am reassured by the grassroots participation in our civic process and the neighborly feel that makes Maine unique.

My legislative priorities remain largely the same: supporting Maine veterans, small businesses, and our heritage industries like agriculture, forest products and the marine economy. Additionally, I am grateful to have an exceptional team across Maine ready to assist you with issues involving the federal government. Whether you are facing challenges related to veterans' services, Social Security, the IRS, passports or other matters, I encourage you to reach out to our offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford. We are here to help and welcome the opportunity to work on your behalf.

Together, I am confident we can continue building a stronger and more prosperous future for our state and nation. Thank you for being one of the many reasons Maine is such a special place. It is truly an honor to serve you and to know you. Mary and I wish you a happy, healthy, and safe 2026.

Best Regards,
ANGUS S. KING, JR.,
United States Senate

U.S. Senator's Report

Washington, DC

Dear Friends:

It is an honor to serve the people of Maine, and I welcome this opportunity to update you on the work that has taken place in the Senate over the past year. My staff and I have addressed numerous issues affecting our state, and I would like to share some of the progress that we have made.

Since my *Social Security Fairness Act* was signed into law in January 2025, the law has been fully implemented and restored earned retirement benefits to 2.8 million Americans. More than 25,000 Mainers have seen their monthly benefits increase and have been issued more than $184.5 million in retroactive payments. I am proud that this legislation has improved the lives of many retired firefighters, teachers, police officers, and other public employees and their spouses.

I was honored to become the first Maine Senator in nearly a century to lead the Appropriations Committee. Since I took this role last January, Congress enacted full-year appropriations bills before December for the first time since 2018. These bipartisan bills included full-year funding for Military Construction and the Department of Veterans Affairs, the US Department of Agriculture, and the Food and Drug Administration. At my request, these bills included nearly $35 million in Congressionally Directed Spending (CDS) for local projects across Maine that will improve fire stations and emergency services, update municipal buildings, and support upgraded facilities at the Maine National Guard and Portsmouth Naval Shipyard (PNSY) in Kittery. This funding builds on the nearly $1.1 billion in CDS I have secured since 2021 for worthy projects that benefit local communities and nonprofits across 16 counties. As Chair, I remain committed to working to better ensure that federal spending and investments produce real results for the people of Maine.

I have also led other important legislative efforts this year that address problems many Mainers face. This includes bills that expand federal efforts to combat Lyme disease and other tick-borne illnesses and improve access to early testing for Alzheimer's disease. Provisions I authored to strengthen prevention, treatment, and recovery services for those struggling with substance use disorders and mental illness were included in the *SUPPORT*

for Patients and Communities Reauthorization Act that was recently signed into law. An amendment I authored in this year's *National Defense Authorization Act* will increase apprenticeship opportunities at public shipyards like PNSY. That bill also includes more than $400 million to support critical infrastructure improvements at PNSY and a well-deserved 3.8 percent pay raise for all our nation's service members.

In addition to advancing legislation, I worked to ensure that federal commitments to Maine were maintained and, when necessary, restored. I secured a seasonal employee exemption for Acadia National Park from the Administration's federal hiring freeze and from closure during the recent government shutdown. I protected local programs like Maine Sea Grant and global initiatives like the President's Emergency Plan for AIDS Relief (PEPFAR) from harmful funding cuts. I led the effort to resume enrollment at Maine Job Corps centers and fought for full funding for Maine's public schools this school year. I preserved funding for the University of Maine System and secured the restoration of funding to the Passamaquoddy Tribe at Pleasant Point and the Penobscot Nation. I protected low-income Mainers' access to key programs like LIHEAP and SNAP. Although I voted against the *One Big Beautiful Bill Act* due to my opposition to Medicaid cuts, I helped secure $50 billion to support rural health providers through the legislation's Rural Health Transformation Program. Maine has been awarded $190 million in the first year of this five-year grant program.

Throughout my Senate service, I have never missed a roll-call vote and have cast more than 9,850 consecutive votes—reflecting the Maine work ethic I bring to Washington. My continued ranking as most bipartisan Senator from the Lugar Center and Georgetown University is a testament to Maine's tradition of working with cooperation and respect.

My highest priority as a Senator is to ensure that the State of Maine's needs are met. If ever I can be of assistance to you, please contact one of my state offices or visit my website at *collins.senate.gov*.

Sincerely,
SUSAN M. COLLINS,
United States Senator

U.S. Congress

Dear Friends,

As we turn the page to 2026, I want to extend my sincerest well wishes to your entire community—and to share an update on some of my recent work in Washington. My team and I remain wholeheartedly committed to serving the people of Maine's First District with integrity, responsiveness, compassion, and an unwavering belief in the potential of our great state.

Over the past year, I have proudly sponsored and cosponsored several bills focused on improving the lives and livelihoods of my constituents. I worked to strengthen Maine's fishing and coastal communities through legislation that supports sustainable harvests, helps fishing families adapt to changing ocean conditions, and provides credit access to small businesses tied to the industry. I am leading efforts to protect our communities from PFAS contamination through proposals that fund testing, compensate affected farmers, and support remediation research. I continue to support lowering prescription-drug costs for seniors and protecting access to health care for Maine families—including by defending programs that provide coverage and financial relief.

This year has not been without its challenges. From fighting to protect food assistance to pushing back on the Administration's efforts to roll back climate action, my Democratic colleagues and I have been going to bat for our constituents every day.

As ever, my team and I are ready to assist however we can—whether you have questions about Social Security or Medicare, need help with another federal issue, or just want to share your thoughts and perspectives. Please don't hesitate to reach out to my Portland office at (207) 774-5019, or by visiting *pingree.house.gov/contact*. We're also happy to provide information related to Congress's annual Community Project Funding process, which allows nonprofits and local governments to apply for federal funding for specific projects. For more info, go to *pingree.house.gov/communityprojectfunding*.

It is my honor to represent you in the U.S. Congress—and to fight for the people and communities that make Maine such a special place to live.

Sincerely,
CHELLIE PINGREE,
Member of Congress

State Senator's Report

Dear Friends and Residents of Jefferson,

Thank you all for giving me the opportunity to serve you in Augusta. This district means a lot to me. This is where I grew up and where I have chosen to raise my own family. I have spent my career as an educator and community advocate – working at local, school, district, and statewide levels to build strong communities and a good, sustainable future for our children and grandchildren. I look forward to continuing to put these skills to work for you.

In 2025, my colleagues and I in the Legislature increased our investments in roads, bridges, broadband, housing, and working waterfronts. Recognizing the frequency and severity of extreme weather, we focused on storm preparedness. We invested $39 million to strengthen community readiness and resilience, including helping homeowners pay for weatherizing their properties.

As a Legislature, we recognize the stress of rising property taxes across the state and that is why we created the Real Estate Property Tax Relief Task Force. The Task Force is committed to figuring out ways to lower property taxes in Maine. Please make sure that you are receiving the Homestead Exemption and also check your eligibility for the Property Tax Fairness Credit when you file your income taxes. The credit helps Mainers of any age afford to stay in their homes, whether they own or rent. To learn more about Maine's Property Tax Relief Programs visit *www.maine.gov/revenue/taxes/tax-relief-credits-programs/property-tax-relief-programs*.

Additionally, we kept our commitment to our schools and municipalities by continuing to fund 55% of public K-12 education. The state is continuing to provide local, healthy school meals for all students at no additional cost.

We are currently in the second session of the 132nd Maine Legislature. I am still serving on the Appropriations and Financial Affairs Committee. It is a role I take seriously, and I will continue to work hard to ensure that state resources are used responsibly. I am also still serving on the Joint Standing Committee on Marine Resources.

As always, I am here as a resource for each and every one of you. If there is anything that you may need from me, please contact me at *cameron.reny@legislature.maine.gov* or my legislative office at (207) 287-1515. Everyone needs help sometimes, so please don't be afraid to ask. Thank you again for the privilege of serving you in the State House.

Warmly,
CAMERON RENY, Senator
Senate District 13

State Representative's Report

Dear Jefferson Neighbors:

It continues to be an honor to serve you in the Maine House of Representatives. I am proud to be your advocate in Augusta.

Since taking office, one of the biggest issues I've heard loud and clear from constituents is that the rising cost of living is making it harder for working families to make ends meet. Household budgets just aren't going as far as they used to, and it's making it difficult for everyday Mainers to afford to build their lives here.

In 2025, the Legislature put working families first by passing measures to protect critical investments in health care, food security, education, child care and housing. But we still have a lot more work to do. This year, I will continue fighting for real solutions to help address the problems facing families here in our district and across the state, including tackling the rising costs of housing, health care, child care and energy.

As of this writing, we have just begun the second year of the two-year term. Over the next few months, we will consider hundreds of bills before we adjourn, which will likely be in mid-April. Once again, I am proud to serve on the Marine Resources Committee, where we will continue to work on legislation to strengthen our fishing industries, promote marine conservation and protect and invest in our coastal economy. I will also continue to serve on the State and Local Government Committee, where we will work on legislation relating to municipal, county and regional government systems, state agencies, memorials and more.

If there is anything I can do to be of assistance to you or your family, please feel welcome to reach out. I always enjoy connecting with constituents – whether you have concerns about local matters, questions about state programs or would like to discuss your thoughts on legislation. I can be reached at *Wayne.Farrin@legislature.maine.gov* and (207) 287-1430.

Sincerely,
WAYNE FARRIN,
State Representative

Planning Board

The all-volunteer Planning Board focuses on reviewing building and tree cutting permits within the shoreland zone and maintaining town ordinances on behalf of the Select Board.

2025 accomplishments:

- Approved 21 shoreland zone building permits,
- Denied 2 shoreland zone building permits,
- Approved 1 minor 3-lot subdivision, Jones Estates, on South Clary Road,
- Assisted the Code Enforcement Officer with issuing 2 Notices of Violation for Shoreland Zoning Ordinance infractions,
- Supported the Select Board's decision to increase fees for after-the-fact building and tree cutting permits in the shoreland zone from 2 times to 5 times the normal fee.
- Reviewed and debated 30+ land use topics.

There were no changes to existing ordinances in 2025. Adoption of the new Food Sovereignty Ordinance was initiated by citizen action.

In the next year, the Board anticipates 1) continual review of shoreland zone building permits, 2) continual review of subdivision applications, 3) reviewing tree cutting permits in the shoreland zone, 4) amending the Building Ordinance to adopt safety requirements for residential and commercial solar energy systems, 5) amending the Medical Cannabis Ordinance to address changes in the Maine medical cannabis law and to clarify differences between a new application and a renewal application and 6) amending the Shoreland Zoning Ordinance for clarification or as guided by the Maine Department of Environmental Protection.

Property owners in the shoreland zone (i.e., land that is up to 250 feet from the shoreline) should be aware of the special considerations that need to be taken for projects especially within 100' of the shoreline. The Planning Board requests that before submitting an application for a shoreland zone building permit, applicants or their designated representative carefully review the Shoreland Zoning Ordinance and do the necessary research in order to avoid delays in the approval process. The Shoreland Zoning Ordinance is readily available on the Town Ordinances page of the town's website: *jeffersonmaine.org/town-ordinances/*

The Planning Board meets the first Tuesday of the month at 6:00 PM in the Town Hall meeting room. Members include Dana Clark, Bill Farren, Joan Jackson, Tom Kirvan and Gary Olsen.

Respectfully submitted,
BILL FARREN, Chair

Jefferson Public Library

In our 41st year of operation we served 490 patrons and had a circulation of 806 books. Sadly, this is down from last year by 168 people and 334 books. We added 10 new patrons, 3 less than last year. We would love input from the town as to how we may better serve your needs and make it better for you to use your library.

Using the McNaughton Book Rental Service we brought in 78 new books, hot off the press. I use the New York Times bestseller list to choose new books, as well as author requests from our patrons. If your favorite author has a new book out, I will try to get it for our shelves! We have quite a few nonfiction choices.

The summer reading program, which starts as school ends, had 8 children participating and they read 64 books. Each week a name is drawn and that reader receives a $5.00 gift certificate to the Jefferson Scoop! At the end of the summer a name is drawn and that reader receives a $25.00 gift certificate to Sherman's Maine Coast Book Shop.

This year our long-time library Board Member Catherine Moore stepped down after 13 years of service to us and we welcomed Leah Nook-Frost as our newest board member. Ann Liburt and Phillipa Beal are our two other board members.

There is no cost to become a patron of the Jefferson Public Library! Our hours are Tuesday and Thursday from 4pm to 7pm. In the summer we are open the same hours Tuesday, Wednesday and Thursday. During the school year we close during school vacations.

I would like to thank the Library Board of Trustees, Ann Liburt, Phillipa Beal, and Leah Nook-Frost for their years of service to the library.

Our monthly board meetings are held on the second Tuesday of the month, at 5pm. The public is welcome to attend any of those meetings.

Respectfully submitted,
SALLY J. OLIVER,
Public Librarian

Jefferson Fire & Rescue

"Professionally Served by Volunteers since 1941"

Your friends and neighbors who are the volunteer firefighters and EMTs of Jefferson Fire and Rescue responded to 320 incidents in 2025. There were 4 structure fires, 32 motor vehicle accidents, 5 woods fires, 1 vehicle fire and 187 medical calls. We also responded to provide mutual aid to neighboring communities 33 times.

Call Summary by Town

Jefferson

187 emergency medical calls
25 trees/wires down or on fire
18 motor vehicle accidents with property damage
14 motor vehicle accidents with personal injury
17 fire alarm activations
5 woods fires
4 structure fires
4 carbon monoxide incidents
2 hazardous materials incidents
2 water rescues
2 chimney fires
2 rubbish fires
2 flooding conditions
2 good intent calls
1 vehicle fire

Windsor

4 structure fires
3 chimney fires
2 woods fires
1 vehicle fire

Waldoboro

5 structure fires
2 woods fires

Washington

2 structure fires

Nobleboro

1 grass fire

Alna

1 structure fire

Whitefield

3 structure fires
1 truck & brush fire
1 auto accident
1 woods fire

Somerville

3 vehicle fires
1 chimney fire

Newcastle

1 structure fire

Union

1 structure fire

Training and Membership

Firefighter training drills continue to be held on the first and fourth Thursday of each month. Jefferson volunteer firefighters dedicated more than 2,000 hours of their time attending numerous training classes and drills throughout 2025. The Emergency Medical Technicians continue to attend training sessions on the second Thursday of each month and attend various classes (totaling more than 250 hours) to acquire the CEH (continuing education hour) credits required to maintain their certifications. Our business meetings are held on the third Thursday of each month. Jefferson Fire & Rescue currently has 25 members consisting of 23 firefighters and 2 EMTs. During 2025 we had 1 firefighter complete their Basic Fire School training which allows them to wear self-container breathing apparatus and serve as Interior Firefighters. We remain the only truly volunteer fire department in Lincoln County. Our firefighters and EMTs do not receive any salary, stipend or other remuneration for responding to alarms. Many other departments pay their members on an hourly basis or provide an annual stipend significantly increasing their annual budget. We welcome anyone interested in volunteering as a firefighter, emergency medical technician, or both to please contact one of the Officers for information and application or leave a message at 549-5394.

Fire Apparatus & Equipment

We continue to operate two pumper trucks, one tanker truck, and one forestry truck. Due to increased maintenance costs and the inability to obtain replacement parts, we retired our 2001 first responder EMS vehicle which we purchased approximately 12 years ago. Like you, we face the challenge of maintaining a high level of service while minimizing our expenses and the tax burden on the community. We continue to work hard to find alternative funding methods. In 2025, our members successfully applied for and were awarded three grants:

• Maine State Emergency Medical Service Grant of $50,000.00 to purchase a new first responder EMS vehicle. This new vehicle not only carries the equipment and supplies needed for our Emergency Medical Technicians but also serves double duty allowing us to safely transport traffic control equipment and other items needed at other emergency scenes.

• Maine Municipal Association Safety Grant of $3,000.00 to purchase new Traffic Control Equipment (reflective vests, illuminated STOP/SLOW paddles, road cones) used when operating at motor vehicle accidents, tree/wires down, and other roadway incidents

• Maine Forest Service Grant of $4,000.00 to purchase wildland firefighting equipment.

Emergency Medical Service

Jefferson Fire & Rescue continues to provide First Responder service for medical emergencies in our community. Our Emergency Medical Technicians are skilled professionals who respond to victims of illness or injury. Jefferson Fire & Rescue is not a licensed transporting service and therefore a transporting ambulance is dispatched at the same time the call is received. Waldoboro EMS continues to provide transport ambulance service to the northern half of Jefferson. Central Lincoln County Ambulance will continue to serve the southern sections of Jefferson.

Fire Safety in Your Home

Please remember to check the batteries in your smoke detectors and carbon monoxide (CO) alarms on a regular basis. The early warning provided by smoke and CO detectors can mean the difference between life and death. Proper maintenance of your heating equipment, especially regular cleaning of chimneys to remove creosote build-up is also important. In the event of a fire, remember that every second counts, so you and your family must always be prepared. Prepare and practice your fire escape plan twice a year.

If you have any questions regarding any fire safety concerns, please call us at 549-5394.

Help Us Help You!

Many of you live in homes that are located on private roads or long driveways. The use of large reflective address signs can help us quickly locate your home. Jefferson Fire & Rescue can provide these signs for you at a nominal fee. Additional information on these signs and order forms are available at the Town Office. If your home or camp is located on a private road or a long driveway please remember that ambulances and fire trucks are larger than cars. It is important to properly maintain your driveway or private road. Keep them clear of overgrown bushes, low hanging tree branches, snow, ice and other obstacles that may delay our response to your emergency.

Thank You

In closing, I would like to take this opportunity to thank the residents of Jefferson for another year of continued generous support. Your donations and attendance at our annual Chicken Barbeque, Harvest Supper, and other fundraising activities are greatly appreciated. It is a privilege to serve as Fire Chief. The members of Jefferson Fire and Rescue are extremely dedicated, hardworking men and women who take time from their personal and professional lives to voluntarily prepare for and respond to your emergency needs. We work hard to maintain our fire equipment and stations to ensure we are ready to help you. Please do not hesitate to call 9-1-1 if you have an emergency.

DARIN WALKER, Chief

Lincoln County Sheriff's Office

I am happy to report that as 2025 ended we were able to fill our last vacancy. It has been over six years since we have been fully staffed. Although slow, this process of hiring qualified men and women to serve as public safety providers within Lincoln County improves our ability to provide the level of trust and transparency you deserve while assuring those representing the Lincoln County Sheriff's Office do so with your best interest in mind.

These staff improvements have allowed a more proactive campaign focusing our agencies' attention on our elderly and youth populations. It is these two vulnerable populations that I have found are most victimized within our County.

Because of concerns centered around fraud impacting the elderly and illegal drugs disrupting the development of our youth, I have been able to assign staff and seek out community partnerships to help disrupt those bad actors trying to take advantage of these populations. It is these proactive steps I hope will have an influence and improve the community we all call home.

The Sheriff's Office has been able to balance our approach to these and other crimes by supporting those who are seeking help while advocating that victims are not forgotten in the process. The continued work we do with those seeking recovery and the new ability to provide a locally based behavioral health liaison are proving to be successful. These functions are important to us, but so are the victims that we work with daily. Victims must be heard, and their importance cannot be lost. The Sheriff's Office will continue to advocate for all victims within the criminal justice system.

Lastly, I want to stress again how important trust and transparency are for our success. Transparency builds trust. Given the political climate in our nation, trust in law enforcement is more important than ever. I am committed to putting public safety first regardless of partisan or non-partisan political pressures. It has been and will remain my priority to be transparent in what, why, and how we provide services as your trust is key to our success. I welcome your input as we improve the trust the Sheriff's Office has with the communities we serve. Please feel free to contact me

if you have any questions or concerns. I welcome the challenges of today and see them as opportunities to prove my commitment to providing the highest level of service possible.

I look forward to serving you again in 2026 and want to thank you for the opportunity to serve as your Sheriff.

Respectfully submitted,
TODD B. BRACKETT,
Sheriff

Jefferson Scholarship Committee

Jefferson Scholarship Endowment Fund

The Jefferson Scholarship Endowment Fund was established June 1981 at a special town meeting through the efforts of the first committee, Calvin Clark, Melvin Geisler and Andrew Williamson.

At the same time, the Jefferson Woman's Club declared this to be their current Community Improvement Project and the fund began to grow thanks to contributions from local organizations and individuals. As a result, in 1987 the first two awards of $100 each were presented to deserving high school graduates from the Town of Jefferson.

At the March 1989 Town Meeting, the voters approved the expenditure of $1,000 every year to the Jefferson Scholarship Endowment Fund.

Ada Packard and Joan Levesque Merit Achievement Awards

The Jefferson Woman's Club was very active in the community for 50 years. Every year the Club awarded two $100 Merit Achievement awards to graduating seniors from Jefferson. Two Jefferson residents and members of the Woman's Club were honored by naming the awards after them.

When the Woman's Club disbanded, they presented the town with their existing funds to be used for these awards.

Ada Packard was a teacher in the Jefferson Village school and in retirement, volunteered in the classroom several days a week for many years.

Joan Levesque was an active community leader, and served on the School Board and many other committees of the Town.

For both these ladies, education was the key to success and they worked hard and long to provide the best education possible for Jefferson residents.

At present, the interest on the principal is low, so the amount available to award from both these funds doesn't go very far. However, in 2020 the town approved the expenditure of $3,000 annually for scholarships, to be awarded in its entirety, not just from the interest earned, so the committee was able to give more money to students.

In 2025, the recipients were Elias Bassett, LilliAnn Brooks and Carter Rau. The Committee wishes them and all graduating seniors success in their endeavors.

AOS 93: The Central Lincoln County School System

The Central Lincoln County School System (CLCSS), operating as an Alternative Organizational Structure (AOS 93) serves the towns of Bristol, Jefferson, Newcastle, and South Bristol. AOS 93 brings together four elementary schools: Bristol Consolidated, Jefferson Village, Nobleboro Central, and South Bristol. At the start of the 2026-2027 school year AOS 93 will consist of the towns of Jefferson and Nobleboro.

AOS 93 shares a common purpose of providing high quality learning for all CLCSS students. AOS 93 elementary schools work diligently to provide an innovative learning environment that prepares all of our students for challenges beyond grade eight. AOS 93 does not operate a high school, each AOS 93 town pays the approved state tuition rate to a local public or private high school. The majority of our students attend school locally and a small percentage attend schools with boarding options.

Jefferson Village School

Jefferson Village School enrollment is down slightly from the past few years. We currently have approximately 190 students attending our K-8 school. JVS has hired several new staff members to fill positions to accommodate the needs of our students in grades K-8. The following teachers have been added to the JVS staff to fill our open positions: Acacia Dehlinger, kindergarten, Kevin Babcock, special education teacher in grades 6-8, Valerie Flannery, special education teacher, Christine St. Clair, Title I Reading and Math teacher, and Andrew Bartlett moved from the middle school to teaching physical education and serves as our MTSS math intervention teacher. Nadean Burr serves as our new kitchen manager. We feel fortunate to have filled most of our special education ed tech positions and are fully staffed in special education.

With the staff changes, it is important to work collaboratively on our curriculum, instruction, and assessment practices. Jefferson Village School places a strong emphasis on core subjects such as mathematics and language arts, while also offering special programs to cater to students' individual needs and talents. The curriculum is regularly reviewed and updated to ensure that it aligns with state standards and best practices in education.

JVS students continue to take advantage of a variety of enrichment and co-curricular activities in conjunction with their academic instruction and learning. Julie Madden led our 7th and 8th-grade students as they participated in a service project for Veterans' Day that included raking leaves and rolling flags at the Maine Veterans Cemetery in Augusta. With the support of art teacher Rachael Richmond and other teachers and staff, JVS hosted a Veterans Appreciation Assembly on November 5th. The assembly was a wonderful opportunity to thank our veterans for their service. Service members were recognized with cards, songs from our chorus led by music teacher, Mary Alice McCann, and student speeches. Other school enrichment events include our third graders having the opportunity to take tennis lessons this fall and ice skating this winter. Our fourth graders visit the Hidden Valley Nature Center throughout the school year to participate in a variety of outdoor learning activities, and our middle-level students have worked with Coastal River Conservation Trust for educational programs. Many of our middle-level students participate

in co-curricular activities such as our co-ed soccer team, co-ed basketball, softball, baseball, and track. Our kindergarten students sang Christmas carols to residents of The Lincoln Home, and JVS students collected and donated non-perishable items to the Jefferson Food Pantry to help our families in need. The JVS Library also held its annual Holiday Fundraiser. Thank you to all the teachers and staff at JVS for continuing with these important enrichment activities for our students.

Lincoln Academy

To the Residents of Jefferson,

Thank you for your continuing support of Lincoln Academy, an independent school serving students from midcoast towns. In our 225th year, the school is thriving thanks to our supportive community, vibrant and diverse student body, and hardworking faculty and staff.

Lincoln Academy "By the numbers"

- Total 2025-26 enrollment: 600 students
- 18% of juniors and seniors attend vocational programming at BRCTC
- 20% of students take at least one AP exam
- 25% of students are low socioeconomic status (SES)
- 46% of students play at least one sport
- 20% participate in band, choir, and/or theater programs
- 5% of students are in alternative education programs

Of the 133 graduates in the class of 2025:

- 112 enrolled in 2 or 4-yr colleges
- 2 entered the military
- 19 entered the workforce

20 members of the class of 2025 were AP Scholars, 8 were AP Scholars w/ Honors, and 14 were AP Scholars w/Distinction. Graduates were awarded over $250,000 in scholarships through school endowments and local support. An additional $500,000 was awarded from statewide and national foundations.

Enrollment: 600 students from 23 towns and 20 countries are currently enrolled at LA. Our dorm currently hosts 44 international students and 3 domestic students from Maine and Texas in our boarding program, contributing income to the overall school budget.

Academics: Lincoln Academy offers 121 academic classes, including 42 STEM classes, 35 Performing and Visual Arts classes, 32 Advanced Placement (AP) and honors classes, and 11 vocational certificate programs through the Bath Regional Career and Technical Center (BRCTC).

Athletics: In 2025, LA sports teams won conference championships in boys and girls tennis, boys cross country, and girls lacrosse. The boys tennis team were Southern Maine Finals runners up, and the girls tennis team won the Southern Maine Finals and the Maine State Championship,

with coach Melissa Burroughs named Girls Tennis Coach of the Year by the PPH. The LA track team won the MPA Class B Boys and Girls Good Sportsmanship Award, and LA Softball won the Class B South Good Sportsmanship Award. LA track athletes set school records at the State Track meet, with the boys track team finishing second overall – their best finish since 1965. Todd Brackett was named KVAC Class B South Golf Coach of the Year; Garrett Martin and Monique Boutin were named KVAC Class B Cross-Country Coaches of the Year; and Lindsey Herring was named KVAC Class B Field Hockey Coach of the Year.

2025-26 Facilities Upgrades: In 2025, LA grounds and maintenance staff enhanced and connected all external doors across campus to allow for increased efficient security response. Staff also converted the lighting in the ceramics studio to LED, repainted the gymnasium floor, updated fitness center equipment, improved the electrical panel, and updated the windows and replaced the flooring in the English wing.

Performing Arts: The theater program staged a production of *Into the Woods* in the fall of 2025. 14 musicians (including band, choir, jazz, and orchestra) participated in the All-State music festival, while 29 qualified for the District III Honors music festival.

Faculty Credentials: 60% of Lincoln Academy faculty have a Master's degree or other advanced degree. In 2025, LA English teacher Bridget Wright was a finalist for Maine Teacher of the Year.

Career Preparation

- The 4th Annual Peter J. Benner Job Fair was held in April 2025 and included 35 local businesses with immediate openings for employment. We also invited 8th graders from AOS 93 schools as well as seniors from Wiscasset High School to join us for the job fair. The 5th Annual Fair is planned for March 26, 2026.
- Through the Community-Based Learning Experience (CBLE) program, students have the opportunity to learn about a profession and gain valuable work experience, academic credit, and sometimes hours towards a professional certification. The number of students in the program has increased this year from 17 to 25, and the number of participating business partners has grown from 13 to 23.
- Lincoln's online Jobs Board connected dozens of students and recent graduates with summer and year-round jobs at local businesses and organizations.

- This will be our 3rd summer offering Launch, a free week-long orientation for 9th graders. Students spend the week connecting with classmates and exploring a different community organization each day. Past visits have been to boatyards, oyster farms, and the Darling Marine Center.

2025-26 Per-pupil tuition (set by the state, paid by towns)

Tuition Rate	$15,055.22
Insured Value (added to tuition for facilities upkeep)	+ $1,505.52
Total *(Maximum allowable tuition/MAT)*	**$16,560.74**

Accreditation: In 2024, Lincoln Academy completed its re-accreditation process with the Maine Department of Education and the New England Association of Schools and Colleges (NEASC).

Please join us on the historic Lincoln Academy campus this year for an athletic event, concert, theater performance, or Commencement on June 5, 2026. You can find more information and a calendar of events at *lincolnacademy.org*.

Erskine Academy

Dear Residents of Jefferson,

Erskine Academy is grateful for the continued trust and partnership of the Town of Jefferson. As we progress through our 142nd year of service, we remain committed to providing Jefferson students with a rigorous, supportive, and future-focused high school experience grounded in strong community values and meaningful educational opportunity. This report is intended to share how Erskine Academy is serving Jefferson students and honoring public investment in their education.

Erskine Academy currently enrolls **528 students in grades nine through twelve**, including **25 students from Jefferson**, consistent with recent years. Our role as an independent town academy of choice remains central to our mission, and we take seriously our responsibility to serve students, families, and sending towns with care, transparency, and accountability.

Academic Program and Student Outcomes

Erskine Academy delivers strong academic outcomes across a wide range of postsecondary pathways. The school maintains a **99% graduation rate**, well above the state average, and all graduates leave with a viable postsecondary plan including four- and two-year colleges, technical and trade programs, apprenticeships, military service, and workforce entry.

A hallmark of the Erskine experience is access to **college-level coursework while still in high school**. In 2024–2025, students engaged in **455 opportunities to earn college credit** through Advanced Placement (AP) courses and dual enrollment partnerships. Of those opportunities, **407 (90%)** were successfully completed, resulting in college credit issued to students. Based on current University of Maine tuition rates, these credits represent an estimated **$517,704 in avoided tuition costs** for Erskine families—an important economic benefit for sending towns and taxpayers.

Specifically, **49 students completed 78 AP examinations**, with **92% earning qualifying scores**. Additionally, **377 students participated in dual enrollment courses** with institutions including Kennebec Valley Community College, Thomas College, and UMaine Farmington, with **91% earning college credit**. Many graduates who pursue higher education do so having already completed at least one semester of college coursework.

Experiential Learning

Erskine Academy continues to expand career-connected learning opportunities aligned with current workforce needs. In 2024–2025, **56 students** attended the **Capital Area Technical Center (CATC)**, earning industry-recognized certifications, and **16 students** completed **Extended Learning Opportunities (ELOs)**, engaging in internships and applied learning experiences that build professional skills and community connections.

These career-connected experiences ensure that Erskine Academy graduates are prepared not only for college, but for immediate entry into Maine's workforce with practical skills, certifications, and professional experience aligned with regional employment needs.

Faculty, Climate, and Accreditation

Erskine Academy benefits from a stable and experienced faculty, with low turnover contributing to strong relationships and a positive school climate. The school has been recognized as one of the **Best Places to Work in Maine** for two consecutive years.

Through the **New England Association of Schools and Colleges (NEASC)** accreditation process, Erskine Academy is affirmed as a school with a strong foundation of educational excellence and a consistently safe, welcoming, and well-ordered learning environment. The recent self-study and external independent review of the school demonstrated clear alignment among the school's mission, instructional practices, and student outcomes. NEASC commended Erskine's rigorous academic program, effective governance, and dedicated faculty, and highlighted a culture of mutual respect and meaningful student engagement. Recent educational enhancements include the **Innovation Center**, expanded shop technology offerings, and continued implementation of the **Portrait of a Graduate**, emphasizing problem-solving, integrity, civility, collaboration, and academic mastery.

Facilities and Stewardship

Through careful planning and responsible use of the insured value factor, Erskine Academy continues to preserve and modernize its historic campus. Ongoing investments in safety, security, and infrastructure ensure that facilities remain safe, functional, and welcoming.

Partnership with the Town of Jefferson

Erskine Academy values its longstanding partnership with the Town of Jefferson and AOS 93. We recognize that high school choice—available to only a few Maine communities—is a right historically supported and endorsed by townspeople. The ability to choose the high school program best suited to a child's needs provides Jefferson students a tremendous opportunity for future success and is among the reasons families seek to move to the community. We remain committed to honoring that trust through strong outcomes, fiscal responsibility, and open communication. We are grateful for Jefferson's continued support and look forward to working together in service of your students, keeping them safe, cared for, and prepared.

With appreciation,
JAMIE SOULE,
Head of School, Erskine Academy

Central Lincoln County (AOS 93) Adult & Community Education

Central Lincoln County Adult & Community Education is thankful for the support shown by its communities over the past four decades. We are a top performing AE program in the state of Maine. High school completion (HiSET) continues to be a main focus of our work. However local demand has created the need to provide additional focus on college and career advising, post-secondary certifications, business classes, and recently a significant increase in demand for multilingual learner English language classes. We assist students beyond their high school graduation and adults continue to return to us as their lives and goals change. In addition, we create opportunities for community members to engage in the school community through life-enriching activities. We hope you will continue to support and join us on our journey.

Tax impact of Jefferson local contribution 2025

Town	2020	2021	2022	2023	2024	2025
Jefferson	$9,136	$9,136	$9,136	$9,136	$14,434	$30,591
Cost per $100K				$1.49	$2.35	$4.98
Taxes based on average home value				$3.32	$5.24	$11.11

**notes to above:*

- Jefferson's local contribution to adult education was $30,591 for the 2024 - 2025 school year.
- Cost per $100K is based on the total assessed value reported on *maine.gov* for 2023.
- Taxes are based on the average owner-occupied home value of $222,900 from federal census information. The total taxes for the average owner-occupied home in 2025 was $11.11 per household.

By the Numbers

Central Lincoln County Adult & Community Education (CLCAE) is part of the Maine Department of Education's MidCoast Hub 7 collaborative that includes 9 programs spread across the 4 MidCoast counties from Sagadahoc north through Waldo. Each of the nine programs relies on a combination of money from the state (State Subsidy), local taxes (the Local Contribution), and our primary grants AEFLA (the Adult Education

and Family Literacy Act federal grant) and MCCA (the Maine College and Career Access state grant).

FY25 students served:	**Number**
High School Equivalency	40
MCCA	43
Workforce prep	58
NRS (federal reporting) eligible	64
Enrichment	645

In terms of students served, CLCAE has a wonderful reputation throughout the Midcoast for helping students succeed where they have yet to be successful in their local high school due to a variety of reasons.

For FY25, there were 40 student enrollments in academic programs from Bristol (District). This represents 12.50 % of the enrollments. There were an additional 112 enrollments in enrichment classes, representing 17.36 %. Bristol's share of the local contribution to adult education in 2025 was 22.16%.

For FY 25, we experienced program-wide growth of 64% in enrollment over the previous year and we expect that to continue. We are a small program, from a staffing perspective, but we run one of the most robust academic programs in the Hub. We have already experienced a 500% growth in multilingual learners (MLL) and are finally able to offer support to them versus referring them to other programs. We have one instructor who was part-time and is now full-time due to demand and community needs. From a cost perspective, rent, printing, and utilities are increasing at a rate that outpaces inflation significantly. We see student enrollments increasing across all areas, with many requesting help to determine the best career pathways based on their values and interests. The demand for CNA classes has consistently grown over the last few years. We continue to run CNA classes four times a year in collaboration with Maine Health. Meetings with career navigators happen both virtually and onsite at our office. We partner with Workforce Solutions to help provide funding for tuition in workforce training. Nearly all students spend a portion of their classes accessing materials through online learning management systems. Technology use has increased significantly, and all of the adults in our communities have FREE access to learning about Microsoft products, computer basics, and online security. If we can acquire more space per our proposal and continue to build our programs and adapt as needed to enable the adults in our communities to succeed and improve opportunities for their families, we are poised to continue to meet or beat expectations.

Please remember that like your support for early childhood education, adult education makes for a healthy and economically productive tax base. Additionally, the ROI for an average adult learner is higher than that of K-12 students due to a much lower cost per student. We appreciate your consideration of our budget proposal.

CASSIE ROBICHAUX, Director

Midcoast Conservancy

Dear Jefferson community members and friends:

Midcoast Conservancy is pleased to submit this report to the Town of Jefferson, a vital partner in our work. The mission of Midcoast Conservancy is to protect and restore vital lands and waters on a scale that matters, and for the benefit of those in the communities we serve throughout the midcoast region with our focus on conservation, restoration, education, and through providing meaningful connections to nature. Our service area comprises 24 towns in three watersheds, including 16,000 acres of conserved land, 55 preserves, and nearly 100 miles of trails. As home to many of our protected acres, as well as much of the Damariscotta Lake watershed, Jefferson holds a critical role in satisfying our land protection and conservation goals.

As Midcoast Conservancy looks to the future, we are committed to understanding challenges, including those faced by the communities we serve, and pursuing new opportunities. This year we completed a Strategic Plan that guides our efforts in five key areas:

- Land Conservation: Preserving vital natural spaces for all.
- Land Stewardship: Actively caring for and maintaining conserved lands.
- Water Quality Protection and Ecosystem Health: Monitoring and safeguarding our waterways and supporting healthy ecosystems.
- Connecting People to Nature: Creating opportunities for everyone in the community to experience and appreciate the outdoors.
- Organizational Excellence and Sustainability: Ensuring Midcoast Conservancy is a strong and effective agent for environmental preservation and stewardship.

By focusing on these priorities, we aim to make meaningful and lasting impacts for each community and for the environment we all share.

Over the last year, some of the tangible products of this strategy in Jefferson included:

- conducting 5 nature-based shoreline protection site visits and providing designs to landowners with recommendations for climate resilience;
- our annual public health monitoring at 3 sites on Damariscotta Lake (in Jefferson) and monitoring for cyanobacteria, invasive aquatic plants, and environmental conditions;

- providing 1,136 courtesy boat inspections at the Bunker Hill Boat Launch;
- hosting 4th annual State of the Lake event at Wavus Camp, with 150 attendees;
- maintaining 20 miles of public hiking trails at our Hidden Valley and Stetser Preserve;
- educating two classes of 4th graders from Jefferson Elementary School on monthly field trips to our Hidden Valley;
- offering multiple Naturalist Workshops to the public at our Hidden Valley and Stetser Preserve;
- holding youth mountain bike programs and full moon hikes and paddles throughout the year at our Hidden Valley;
- partnering with RSU12 to host a grant-funded Climate Change Watershed Conference for Maine Teachers at our Hidden Valley;
- hosting a middle and high school Day of Play at our Hidden Valley, in partnership with Teens to Trails.

Jefferson is a vital partner for the work we do and we are grateful for our growing relationship. Many of our members and volunteers come from Jefferson and all are invited to join us! Learn more at *midcoastconservancy.org*. Feel free to call or email me or staff members at any time.

Respectfully submitted,
STEPHANIE HANNER,
Co-Executive Director

Jefferson SnoPackers

P.O. Box 355, Jefferson, ME 04348
jeffersonsnopackers@gmail.com
www.snopackers.com Facebook: @SnoPackers

The Jefferson SnoPackers Snowmobile Club, through the cooperation of area landowners, constructs and maintains a 45-mile trail system in Jefferson for use by the general public. Landowners graciously support the club's efforts in permitting winter sports of snowmobiling, cross-country skiing, and snowshoeing or hiking, to take place on a groomed trail system. Club volunteers clear and maintain the trail system and groom the trails when snow conditions permit.

While our active club membership is very small (although we did gain a couple new members this year!) We're aware there are still many sleds registered in Jefferson. Please support your favorite winter sports by joining the club and helping with trail work!

We hold monthly in-person potluck meetings at the Jefferson Fire Station at 6 pm on Tuesdays, starting in October and usually going until April (depending on snow.) Everyone is welcome to attend our meetings and ask questions about the trail system. We continue to collaborate with other clubs in the area to ensure the whole trail system is open to ride.

If you're looking to support the club in another way, head to our website *www.snopackers.com* and check out the "SnoPackers Swag" link! You'll be able to choose from a bunch of different T-shirts, hoodies, and accessories. A portion of each purchase will go towards the club's fund. Donations to the club are always welcome as well.

While we did not host our Annual Landowner Dinner this past summer, we showed our appreciation to landowners by sending those who responded to our initial letter a gift card to the Jefferson Market. Next year, we hope to be back hosting the cookout again.

A reminder to landowners: as properties are sold, we ask that sellers who have trails crossing their property encourage new buyers to continue to grant permission for existing trails. The new buyers will then be doing their part to ensure that this time-honored recreation continues to be available to all the citizens of Jefferson. If you are a new landowner and our trails cross your property, please contact us at *jeffersonsnopackers@gmail.com* so that we can update our landowner database.

If you were fortunate enough to ride the trails in Jefferson this year, you may have encountered some trails that were not groomed, overgrown, or blocked by downed trees. Since we only have a handful of active members, maintaining the full 45 miles of trail is virtually impossible. If you find any trails that are not groomed, please reach out to us and let us know! Or better yet, please join the club and lend a helping hand to keep our trails signed, groomed, and open for all to enjoy.

The club is funded through snowmobile registration rebates earmarked by the state for trail maintenance, trail maintenance grants, membership dues, various fundraising efforts, and the generous support of area businesses.

Respectfully submitted,
JENNIFER BRENNAN,
Treasurer, Jefferson SnoPackers

Nobleboro/Jefferson Transfer Facility

The Transfer Station, operated by Nobleboro and Jefferson, and under contract with Bremen, Damariscotta, and Newcastle, provides for the disposal of most types of solid waste generated in the five towns. In 2025 our household waste, construction, demolition, and bulky waste all went to Waste Management in Norridgewock, ME. We use the services of Lincoln County Recycling to recycle cardboard, newspapers, plastic, and many other products. We also recycle our universal hazard waste (televisions, computers, fluorescent light bulbs, mercury switches and rechargeable batteries).

The year 2025 did not see a lot of change in our staffing. John Arsenault is still our manager and doing a great job keeping the station running smoothly. We still have Glen Daiute and Kevin Nunes and we have hired Eli Johnson. They all work hard to make sure your trip to the transfer station is a positive experience.

I would like to thank everyone that takes the time to recycle. This effort really helps us save money in the long run. We do have programs for recycling paint, food waste, metals, electronics, paper, and cardboard. In 2025 we had one hazardous waste day for people to get rid of their hazardous chemical and other hazardous materials. We hope to do the same again in 2026. We will be advertising this so be watching for it.

In 2025 we added an off-road diesel tank and pump, eliminating the need for the staff to transport fuel in five-gallon cans, saving money in mileage reimbursement. We also had to take two containers out of service due to unsafe hauling concerns. Four new containers have been budgeted for 2026.

The Transfer Station is open from 8:00 a.m. to 4:00 p.m., Tuesday through Saturday. The Scales close at 3:30 p.m. The front gate closes at 3:50 p.m. each night to allow time to close out the computer. We are closed Sunday and Monday. This allows our staff to have two days off in a row.

We will continue to review our operations to provide good service and the most efficient Transfer Station possible. We are interested in your comments and recommendations and will attempt to incorporate them whenever possible.

Respectfully submitted,
RICHARD SPEAR,
Transfer Station Agent

Independent Auditors' Report

Royer Advisors & Accountants
will perform the audit for the Town of Jefferson.

Copies will be available at the Town Office.

Article 7: Shall the Town of Jefferson raise and appropriate the sum of $15,396 for unclassified expenses?

Recommended by the Select Board: (3-0-0)
Recommended by the Budget Committee: (8-0-0)

Unclassified	**2025**	**2026**
Unorganized Cemeteries	$1,000	$1,000
Memorial Day	$750	$750
Public Library	$7,773	$7,646
Jefferson Scholarship	$3,000	$6,000
Jefferson Annual Scholarship	$3,000	
TOTALS	**$15,523**	**$15,396**

Article 8: Shall the Town of Jefferson authorize the Select Board to spend an amount not to exceed 5/12 of the budgeted amount in each budget category of the 2026 budget during the period from January 1, 2027, to the 2027 Annual Town Meeting?

Article 9: Shall the Town of Jefferson authorize the Select Board to borrow such sums of money as may be necessary to pay current expenses in anticipation of taxes, such sums not to exceed the current tax commitment? Submitted by the Select Board.

Explanation: This will allow the Select Board to borrow money in anticipation of tax income should the town expenses exceed the balance on hand.

Article 10: Shall the Town of Jefferson vote to authorize the Select Board to appropriate from unreserved surplus, as they deem advisable, to meet unanticipated expenses for emergencies in general assistance, winter road repair and winter maintenance that may occur during the fiscal year 2026? Submitted by the Select Board.
Explanation: This will allow the Select Board to continue road repair and maintenance during the winter, when there has been an extreme number of storms as well as allowing the Select Board to continue issuing general assistance to qualifying residents in the event that there is a spike in applications. In both cases it will avoid the necessity of calling a special town meeting in order to plow the roads or to give assistance to qualifying residents if appropriated funds run out.

Article 11: To see if the Town will require the municipal officers to provide the former owner(s) of tax-acquired property, or if deceased his/her/their heirs, personal representatives or devisees six months to repurchase the property on terms the board deems in the best interest of the Town; If no repurchase occurs, the municipal officers may sell the property through the sales process required by 36 M.R.S §943-C. If the board is unable to list or sell the property as required by § 36 M.R.S §943-C (3), the board may sell the property in any manner it deems in the best interest of the Town. For sales to someone other than the former owner, excess sale proceeds, as defined in 36 M.R.S ss 943-C, shall be returned to the former owner. Submitted by the Select Board.

Article 12: Shall the Town of Jefferson authorize the Select Board to deposit all new funds received from the annual Alewife harvest into the Meserve Mill Dam Fund reserve account for future repairs to the dam? Submitted by the Select Board.

Article 13: Shall the Town of Jefferson vote to authorize the Tax Collector to accept prepayment of taxes not yet committed and to pay an interest rate of 0% (zero) a courtesy to taxpayers who wish to prepay some or all their uncommitted taxes. Submitted by the Select Board.

Article 14: Shall the Town of Jefferson expend from the State Block Grant the Sum of $65,668 for the reconstruction of Town Roads? Submitted by the Select Board.

Article 15: Shall the Town of Jefferson authorize the Select Board to appropriate from unreserved surplus an amount of $25,000 for repairs and modifications to the town office building? Submitted by the Select Board.

Article 16: Shall the Town of Jefferson authorize the Select Board to appropriate from unreserved surplus an amount of $100,000 for repaving and reconstruction of Town roads with any unspent funds to be added to the Road Expense Account? Submitted by the Road Commissioner.

Article 17: Shall the Town of Jefferson appropriate from unreserved surplus the sum of $60,000 to go toward the cost of property revaluation? These funds to be invested by the Town Treasurer until needed, with Select Board approval of the funds use. Submitted by the Select Board.

Article 18: Shall the Town of Jefferson raise and appropriate the sum of $120,000 for the Jefferson Fire and Rescue Fire Truck and Rescue Reserve Fund? These funds to be invested by Town Treasurer until needed, with the Select Board's approval for funds use. Submitted by the Jefferson Fire and Rescue.

Article 19: To see if the Town of Jefferson will vote to contract or sell the right to harvest alewives pursuant to 12 M.R.S. § 6131, and authorize the select board to enter a multi-year contract not to exceed 5-years in duration for the harvest of alewives on such terms as the board deems in the best interests of the Town.

Article 20: Shall the Town of Jefferson raise and appropriate the sum of $3,000 to support Midcoast Conservancy in employing local youth, controlling Hydrilla, and protecting water resources of Damariscotta Lake? Submitted by Midcoast Conservancy.
Explanation: Midcoast Conservancy staff and volunteers monitor water quality and nature-based education.

Article 21: Shall the Town of Jefferson appropriate the amount of Snowmobile registration refund monies received from the state for the benefit of the Jefferson Snowpackers Inc.? Submitted by Jefferson Snowpackers Inc.
Explanation: the monies are used to maintain the trail system for use by the general public.

Article 22: Shall the Town of Jefferson raise and appropriate the sum of $2,945 for the benefit of Spectrum Generations? Submitted by Lindsay MacDonald, Community Engagement Officer.
Explanation: Provides home delivered meals, homemaker services, respite care, information referral, etc.

Article 23: Shall the Town of Jefferson raise and appropriate the sum of $1,300 for the benefit of Healthy Kids? Submitted by Charlene C. Corbett, Executive Director.
Explanation: Home visits providing information on parenting, discipline issues, infant care, etc.

Article 24: Shall the Town of Jefferson raise and appropriate the sum of $930 for the benefit of New Hope for Women? Submitted by Joan R. Lemole, Development Director.
Explanation: Provides a 24- hour hotline for abused/battered women, safe homes, and community education for domestic violence.

Article 25: Shall the Town of Jefferson raise and appropriate the sum of $2,000 to help with the operation of Jefferson Community Food Pantry? Submitted by Candance F Hilton.

Article 26: Shall the Town of Jefferson raise and appropriate the sum of $638 for Life Flight of Maine? Submitted by Lauren Lamberson, Development Associate.

Article 27: Shall the Town of Jefferson elect the Select Board to serve as members of the Fish Committee for jurisdiction of Alewife rights? Submitted by the Select Board.

Article 28: Shall the Town of Jefferson appropriate from unexpended surplus an amount not to exceed available funds for the purpose of reducing the tax rate? Submitted by the Select Board.

Article 29: Shall the Town of Jefferson elect Brenda F. Williams trustee for the Clary Memorial Highway Fund for a three-year term?

Article 30: Shall the Town of Jefferson elect Ann Liburt for Davis Worthy and Deserving Poor and Shepard Charitable Trust for a three-year term?

Select Board,
PAMELA J. GROTTON
CLAUDIA A. ORFF-REED
ROBERT E. CLARK
