Crab Apple Road 2024-4

66.1003 Resolution to Discontinue a Public Way

The Town Board of the Town of Breed, Oconto County, Wisconsin by this resolution, adopted by the majority of the Town Board by a verbal vote with a quorum present and voting and proper notice been given, resolves and declares the following.

Consideration being given, and acceptance of the property owners Oconto County and the YMCA of Green Bay in writing, and a review by the Town of Breed Planning Commission to the town board.

The public way described below is an easement granted for highway purposes by Oconto County in 1978 to the Town of Breed. The northern most portion of the public way borders the property of the YMCA of Green Bay. The public way described below is vacated and discontinued under s.66.1003 Wis. Stats. It is in the best interest of the Town of Breed to transfer this easement back to Oconto County and private property of the YMCA of Green Bay. This discontinuation means there will be no public road for future development. The public way to be discontinued is described below.

A 4-rod easement for highway purposes across the following described county owned lands all in township 30 North Range 17 East.
More particularly described through the SE1/4 of NW1/4 in section 4. Known as CRAB APPLE Road.

The discontinuation of the above-described public way does not result in a landlocked property and no owner of property abutting the discontinued public way will be damaged by the discontinuance. Upon discontinuing Crab Apple Road as a public way, the land where Crab Apple Road is located, including the right of way, shall be annexed to the property to which it originally belonged pursuant to section 66.1005(1) Wis. Stats.
