- **Household Hazardous Waste Collection in Kingston, June 28**

UCRRA is now accepting appointments for our next Household Hazardous Waste (HHW) Collection Event on Sunday, June 28 in Kingston. Residents can register using UCRRA's new Eventbrite ticketing system, making it easy to reserve an appointment and receive automated reminders. Sign up and event details can be found on the UCRRA website, ucrra.org under the "Events" tab or on the flyer attached to the agenda for this meeting on the TOG website.
Also, UCRRA is celebrating its 40th Anniversary with a youth sticker design contest. This is a fun, meaningful way for youngsters to engage in waste sustainability efforts. We would love to see participation of young artists from Gardiner.
