Once the Village's costs and expenses have been determined by the Village, the Village shall send an invoice for such costs and expenses to the Landowner. The Landowner must pay the invoice within thirty (30) days after the date of the invoice. Such costs and expenses include, but are not limited to, costs charged the Village by third parties such as contractors as well as the costs for Village personnel that may have performed the work. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

3.10. Indemnification. The Landowner shall indemnify, defend and hold the Village, its board, elected officials, agents, consultants, attorneys, employees and representatives harmless against and in respect of any and all claims, demands, actions, suits, proceedings, losses, costs, expenses, obligations, liabilities, damages, recoveries, and deficiencies including interest, penalties and attorneys' fees, that the Village incurs or suffers, which arise out of, result from or relate to any of the following:

The parties mutually recognize and agree that all terms and conditions of this recordable Agreement shall run with the Encroachment Property and shall be binding upon the heirs, successors, administrators and assigns of the parties. The obligations of the Landowner contained in this Agreement are joint and several.

3.15. Amendment and Waiver. The parties hereto may by mutual written agreement amend this Agreement in any respect. Any party hereto may extend the time for the performance of any of the obligations of another, waive any inaccuracies in representations by another contained in this Agreement or in any document delivered pursuant hereto which inaccuracies would otherwise constitute a breach of this Agreement, waive compliance by another with any of the covenants contained in this Agreement and performance of any obligations by the other or waive the fulfillment of any condition that is precedent to the performance by the party so waiving of any of its obligations under this Agreement. Any agreement on the part of any party for any such amendment, extension or waiver must be in writing. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provisions, whether or not similar, nor shall any waiver constitute a continuing waiver.

3.16. Governing Law. This Agreement shall be governed by and construed in accord with the laws of the State of Wisconsin.

3.17. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

Re: Project ID: I20280 ~ CTH T ~ CTH H – Village of Barneveld (CTH H – USH 151)
Village of Barneveld, Iowa County
Parcel 203

Dear Mr. Weier:

Jewell Associates Engineers, Inc. has been retained by Iowa County to provide utility coordination activities on this project. It is our desire to acquire easement rights from your company. Attached for your review, approval and execution are the following documents:

1. Conveyance of Rights in Lands for lands identified as R/W Parcel No. 203. This must be signed in the presence of a notary public (available at a bank or the courthouse).
2. Temporary Construction Easement.
3. Right of way plat showing the location of your utility facility in relation to the proposed right-of-way for this highway.

It is my understanding that the most up to date construction plans have been sent to you. If not, please contact me and I will have a set sent to you. If you have any engineering questions, please contact: Ellery Scheffer, P.E., Vice President and Senior Project Manager from Jewell Associates Engineers, Inc. directly at 608-459-6027 or by email: Ellery.Schaffer@JewellAssoc.com.

It appears there will be no relocates or reimbursable utility relocation work; therefore, we have not enclosed a contract agreement form. I would appreciate to have the original executed Conveyance of Rights in Lands and Temporary Construction Easement by **February 17, 2023**. Construction is scheduled for 2023 so anything you can do to help expediate this would be greatly appreciated.

If you have any questions, please contact me at 715-828-1248 or via email: laura.humphrey@jewellassoc.com. Thank you.

This Temporary Construction Easement shall terminate upon completion of Construction Project No. I20280 for which this instrument is given.

The Grantor has an easement or prescriptive right and therefore grants this Temporary Construction Easement as a holder of a property interest and not as a property owner.

Re: Project ID: I20280 ~ CTH T ~ CTH H – Village of Barneveld (CTH H – USH 151)
Town of Brigham and Village of Barneveld, Iowa County
Parcel 23

Jewell Associates Engineers, Inc., has been retained by Iowa County to provide real estate acquisition services for the above referenced project. This letter is a written offer to purchase that portion of your property that is needed for the improvement of CTH T ~ CTH H – Village of Barneveld (CTH H – USH 151) in Iowa County. The acquisition involves the following:

- 1.34 acres of new highway easement (HE).
- 0.71 acres of Temporary Limited Easement (TLE). A TLE means that you still own the property, but Iowa County has the right to use the property for construction purposes. No permanent improvements would be placed on the property. The TLE terminates at the time construction of the project is complete.

We have enclosed the following documents:

- The Rights of Landowners Under Wisconsin Eminent Domain Law
- Right of Way Plat
- Names of neighboring landowners affected by the project
- Legal description of the land and/or interest(s) needed for the project
- Waiver of Appraisal Form
- Highway Easement
- Statement to Construction Engineer Form
- Request of Taxpayer Identification Number (W-9 Form) and postage-paid envelope
 - As this acquisition exceeds the \$600.00 limit established by the Federal Government, the Internal Revenue Service requires your social security number or employer identification number. If you are "exempt," furnish a copy of your exempt status.

When Iowa County determines an acquisition to be of a nominal value, we are allowed to acquire the property and/or interests without doing an appraisal if the property owner agrees. We believe your parcel fits this situation, and we wish to extend to you an offer of \$14,650.00 for this parcel.

However, in lieu of an appraisal a market study of recent sales in the area has been made to determine property values comparable to your property. Those values, and associated interests to be acquired, are noted on the enclosed Waiver of Appraisal Form.

If you agree with the enclosed Waiver of Appraisal Form and wish to enter into an agreement with Iowa County, please sign the documents noted below and return them in a timely manner or no later than **February 13, 2023**, in the enclosed postage paid envelope. Upon receipt, I will submit a payment request with the County. Within a couple of weeks, I will get your check and will provide copies of what you signed with your check package. At that time, I submit the conveyance to be recorded at the Iowa County Register of Deeds office. I will also provide a recorded copy of the conveyance to you as well.

1. **Waiver of Appraisal Form:** This form needs to be signed and dated by all owners. This verifies that you have waived the right to an appraisal and agree to accept settlement in the amount stated on the form.
2. **Highway Easement:** Each person whose name is on the Highway Easement must sign, and each signature must be notarized. This means the Highway Easement must be signed in the presence of a notary public (available at a bank or the courthouse). Otherwise, I am a notary public and am happy to arrange a time to meet with you.
3. **Statement to Construction Engineer Form:** If there are items you would like the construction engineer to be made aware of, please note them on the form under "Owner Concerns" and sign and date the form. If you have no concerns, write "None" on the form, and sign and date the form. This form will be reviewed and approved by Iowa County.
4. **Request of Taxpayer Identification Number (W-9 Form):** As this acquisition exceeds the \$600.00 limit established by the Federal Government, the Internal Revenue Service requires your social security number or employer identification number. If you are "exempt," furnish a copy of your exempt status. Iowa County will not process payment until they have a W9 Form signed and completed by you.
5. **Agreement for Private Fence Replacement:** Please review and complete this form so we know what you want to do with your fencing.

Due to the nature of the acquisition, we do not propose to prorate taxes at the time of acquisition. If you find there is a need to prorate taxes when you receive next year's taxes, you may request them to be prorated at that time. It will be necessary for you to furnish copies of tax receipts to us so correct computations can be made.

Your rights as a landowner are fully explained in the enclosed brochure entitled "Rights of Landowners Under Wisconsin Eminent Domain Law." This brochure is intended to guide you during the acquisition process.

On **Tuesday, January 31, 2023 & Thursday, February 2, 2023** from 8 a.m. – 7 p.m. at the Town of Brigham (407 Business ID, Barneveld, WI) Craig Hardy, PE/RLS, Iowa County Highway Commissioner, Ellery Schaffer, PE, Senior Project Manager, Jewell Associates Engineers, Inc. and myself will be available to meet with you in person and help answer any questions you may have. Please call me at 715-900-2600 or my cell phone: 715-828-1248 to schedule an appointment to meet with us. Construction is scheduled this year.

If you have any questions about the project or acquisition process, please contact me at 715-828-1248 or via email at laura.humphrey@jewellassoc.com.

Sincerely,

Project Information

The project begins at the intersection of CTH T/CTH H in the Town of Arena and continues southeast approximately 6.6 miles to the intersection of CTH T/N Grove St in the Village of Barneveld. The project, which was designed by Jewell Associates Engineers, Inc., will consist of reconstructing CTH T. Substandard vertical curves and steep grades will be flattened improving the line of sight along this section of CTH T. Intersection sight distance will be evaluated at the intersections. Culvert pipes/drainage structures will be replaced and drainage/ditching will be improved throughout the project limits.

 - *Driving Lanes: 10'-11'*
 - *Shoulder: 1'-3'*
- *Typical Finished Section*
 - *Driving Lanes: 11'*
 - *Shoulder: 4' of which 1' will be paved and 3' will be gravel*

Construction Scheduled for 2023

This construction project is scheduled to take place in Spring, 2023.

CTH T will be closed to through traffic during highway construction operations. Access to all properties will be maintained throughout the project, however there may be brief times during the construction of the project when you will not have access to your driveway due to specific construction operations such as replacing the driveway culverts, spot concrete curb and gutter placement, etc. The frequency and timing of these access restrictions will be dependent upon the construction operations, but they will be for short time durations and the construction lead will provide advanced notice.

Mailboxes

Mailboxes will be grouped together at a temporary location that the Post office determines and the Contractor will reinstall the mailbox after construction.

WHEREAS, for constructing or maintaining any highway by the County, Wis. Stat. §83.18 grants to the Iowa County Highway Committee or Commissioner all of the powers to acquire and enter lands conferred upon town boards by Wis. Stat. §§ 82.03(2) and (5); and

WHEREAS, included among those powers is the authority for the County to enter any lands near any highway to construct necessary drains or ditches or embankments for the improvement or protection of the highway and to enter any private lands to erect fences on the right-of-way; and

WHEREAS, when the County removes an existing private "legal fence" as defined by Wis. Stat. § 90.02, it is to the benefit of the County and the landowner to agree in advance upon both the manner of replacing such a fence (if replacement is desired by the landowner) and the allocation of costs related thereto;

NOW, THEREFORE, in consideration of the foregoing, the undersigned parties agree and affirm as follows:

1. The undersigned Landowner is the owner of an existing private "legal fence" as defined by Wis. Stat. § 90.02 that is to be removed by the County, which fence is described as follows [insert legal description of property location and existing fence description]:

Stat. § 90.02, including but not limited to: fencing materials, post materials, distance between posts, and other materials or specifications required for installing the replacement fence, as follows:

3. Based on the replacement fence specifications identified by Landowner according to ¶ 2 above, installation of the replacement fence and payment, as required, for necessary labor and materials shall be completed as marked below:

**INTERGOVERNMENTAL AGREEMENT BETWEEN
THE BARNEVELD SCHOOL DISTRICT, THE TOWN OF BRIGHAM, AND THE
VILLAGE OF BARNEVELD**

**REGARDING PURCHASE OF THE SERVICES OF A DIRECTOR OF COMMUNITY
EDUCATION AND RECREATION**

This Intergovernmental Agreement (hereinafter "Agreement") is made pursuant to Wis. Stat. § 66.0301, and entered into by and between the Barneveld School District (hereinafter "District"), the Town of Brigham (hereinafter "Town"), and the Village of Barneveld (hereinafter "Village") (collectively hereinafter "Parties").

Whereas, the Parties want to develop and administer programs that are social, recreational, educational, and cultural in nature for youth;

Whereas, the Parties find that providing such programs would improve the health and wellness of its students and the greater District community;

Whereas, the Parties would be able to better provide such programs for its students and the greater District community if it collaborated with the Town and Village to obtain the services of a Director of Community Education and Recreation (hereinafter "Director");

Whereas, pursuant to Wis. Stat. § 120.13 the District has the power to "do all things reasonable to promote the cause of education, including establishing, providing and improving school district programs, functions and activities for the benefit of pupils;"

Whereas, the Parties find that providing a Director would promote the cause of education and provide activities for the benefit of pupils;

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, the Parties do hereby agree to the following:

1. The Town and Village shall purchase Director services from the District. This Agreement is for the purchases of services only and is not a contract of employment between any of the Parties and the Director. It is the Parties' intent that the Village, the Town, and the District not be joint employers or co-employers of the Director. The District shall be the Director's sole employer. Nothing in this Agreement shall alter the Director's at-will employment status. This Director will be a part-time employee of the District, with fluctuating hours depending on the time of the year, but that will average approximately 20 hours of work per week. The Director will not work more than 40 hours in any week without the explicit permission of the District.

2. The Director will perform administrative, supervisory, and professional work in the planning, development, and operation of a comprehensive public recreation program for the Parties' communities. The specific job duties for the Director will be established by the District with input from the Village and the Town.

3. The Director's services will be approximately evenly split between the District, the Town, and the Village. The scheduling of individual workdays will be agreed to by the Parties in consultation with the Director, subject to the final approval of the District. The Director's work schedule will be subject to all days of leave provided by the District's employee handbook and the law, as applicable. The Director will have access to the District's facilities as approved by the District. The Director will have access to office and meeting space provided by the Village and Town, as approved by the Village and Town.

4. The Parties will meet as necessary, but at a minimum of quarterly each year, to review the performance of the Director's duties under this Agreement. The District will ultimately be responsible for the performance of the Director and for providing any formal performance evaluation documents to the Director. The Parties agree to share employment-related information regarding the Director to effectuate this Agreement.

5. The Village and the Town will each pay the District an amount equal to 33.33 percent (33.33%) of all the District's expenses incurred by the Director's employment (hereinafter "Expenses"). The District's Expenses shall be determined by the District and will include the Director's compensation, payroll taxes, fringe benefits, workers compensation insurance, unemployment benefits, liability insurance, retirement contributions, and other expenses related to the Director's employment. The amount of the contributions from each the Village and Town are estimated to be approximately \$10,000 each year.

6. The District will serve as the fiscal agent for this Agreement. The District shall be responsible for the administration of all fiscal matters regarding this Agreement in accordance with the District's normal operating systems and procedures.

The District will provide the Village and Town each with an invoice of Expenses no less frequently than once per year. The Village and Town shall each provide payment to the District by July 15 of each calendar year.

In the event that the District incurs Expenses after January 31, 2026 for providing Director services during the term of this Agreement, such as providing the Director with unemployment benefits, the District will send additional invoices to each the Village and Town at reasonable time intervals.

7. The sharing of the Director's services under this Agreement shall be for the time period covered by February 1, 2023, through January 31, 2026. A year under this Agreement shall mean February 1 through January 31. This Agreement may be terminated or modified at any time with the written consent of the Parties. The Parties can extend this Agreement by modifying the Agreement or by entering into a new agreement. If any Party wishes to discontinue this agreement, the Party must notify other Parties, in writing, prior to October 1 of 2025.

8. If any provision of this Agreement, or addendum thereto, is held to be invalid by operation of law, by any tribunal of competent jurisdiction, or by an administrative ruling, or if compliance with or enforcement of any sections, or addendum thereto, should be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby.
