7. Discuss and provide recommendation to the Town Board for changes to the Fee schedules and permits.
8. Discuss and provide possible recommendation to the Town Board to revise its Zoning Ordinance for parcels zoned A-2 (General Farming District). The proposed zoning change centers around setbacks as they relate to principal and accessory structures to more closely mirror Winnebago County's setbacks. Instead of a blanket setback for all A-2 parcels no matter how they are used, the proposed change would now include differences between Residential vs. Farm vs. Non-Residential/Non-Farm properties relating to accessory structures on those parcels.
