RE: Construction Information Meeting
Project 6934-06-73, CTH U, Village of Biron - Biron Drive South to Huffman Road

You are invited to attend a construction information meeting for the CTH U reconstruction project. Construction operations will begin near the intersection of CTH U and South Biron Drive and progress eastward towards Huffman Road. Construction operations are expected to begin mid-June and continue until mid-November. The project will consist of three segments to help maintain access to local residents and businesses. Expect road closures along CTH U between the following streets for each segment:

- Segment 1: South Biron Drive to Badger Street
- Segment 2: East of Badger Street/CTH U intersection to Fox Street
- Segment 3: Short Street to Huffman Road

The construction information meeting will be an open-house format. No formal presentation will be made. At this open house, attendees will be able to view project maps and proposed schedules, speak with the project management team, and provide input and ask specific questions about construction operations, such as schedule, traffic impacts, and access. Detail for the open house meeting is below:

- Date: Monday, June 1, 2026
- Time: 6:00 PM – 7:30 PM (attend any time)
- Location: Village of Biron meeting hall, at 451 Kahoun Road, Biron WI

You are encouraged to attend this meeting at your convenience during the scheduled hours. If you are unable to attend, you may contact the project management team directly.
