Parks & Recreation Report

For Committee as a Whole Meeting

1/18/2023

I. **Lunda Community Park**

- A. An RFP was sent out on November 27 to solicit a design/engineering firm to work with us on designing the ADA restroom addition on the Lunda Park Playground Shelter. Proposals were due December 20. No firms submitted a proposal. Staff will reach out to SEH to discuss a relationship.
- B. The damaged restroom doors at the Lunda playground building were replaced in mid December by Gaier Construction.

II. **Hoffman Aquatic Park**

- A. The contracts with Neuman Pools to fix the leak and gutter systems was signed and sent on Jan. 8. Neuman will begin work as soon as weather permits.
- B. Minor repairs to the mechanical room have been completed by park staff which include remounting stairs to the main pump pit, security latches installed on the exterior doors, and some lighting updated to more cost effective LEDs.
- C. Gas main to the Aquatic facility has been identified as a safety concern because of the routing through the chemical storage area which is causing corrosion. Piping for the gas main should be relocated as per WE Energies Staff will investigate the most financially responsible solution.

III. **Milt Lunda Memorial Arena**

- A. The MLMA, Youth Hockey and Figure Skating decided to purchase a new Zamboni. Youth Hockey will be ordering the machine and put 25k down. The machine will cost \$125k. The Zamboni has a lead time of 450 days. It will be ready to use in fall of 2025.
- B. There are several lights out on the sign on the front of the building. Park staff will be replacing those lights very soon.
- C. It is very likely the indoor ice season will go through late April this year. In seasons past ice was taken out in late March. The extra time will allow for needed ice time for area hockey players and figure skaters.

IV. **Fair Park**

- A. Chad and Dain completed a fee survey of similar venues across the state. Dain will present this at the February Fair Park meeting. The Fair Park will use that info to help set fees for the 2025 Fair Park season.

V. **Parks and Recreation**

- A. The Tool Cat has received much needed repairs by Komro Sales and Service. During the repair process, additional issues have been identified. A plan for future replacement of the equipment is underway.
- B. Mills Ice rink is in the early stages of layering and hopes to be available for community skating if weather remains favorable for ice retention.
- C. The community survey for the Outdoor Rec Plan was completed and made available to community members. This tool will give us valuable input in completing the plan.
- D. Carpenter Tree Service completed all tree work in late December. Storm damaged trees along the trail and other locations have been removed.
- E. Registration is now open for Jackson Little League. Registration will close on February 29.
- D. Chad has been training in Dain so he is prepared to take on the Interim Park and Recreation Director Role. I am confident Dain will allow for this transition to be extremely smooth. Chads last day is January 19.

VI. **Action**

None

City Administrator – Monthly Report January 2024

- **Year End** – Performing year end tasks and accounting procedures. (2) Preparing for 2023 audit. Auditors will be here January 29-30 for preliminary field work.

The library extends a thank you to all of our donors from 2023. We have been able to provide additional events/programming, and more than 50 additional items throughout the year. Donations have included DVDs, Large Print, Audiobooks, and Children's items. The first donation received in 2023 was "Christmas Stories" by Kevin Moore. The last donation received in 2023 was "A Million little choices" by Tamera Alexander in Large Print. Donations over \$250.00 earn a plate on the donation board in the library. I will be ordering 7 plates for 2023 donation.

Winding Rivers Library System will be transitioning from the Sierra catalog system to Polaris Fall of 2024. Think of Sierra as the flip phone and Polaris as the smartphone. We are excited to begin training for the new system.

The most checked out DVDs for 2023 were "Super Mario Bros", "The Menu", and "80 for Brady".

The most checked out books were "Reminders of Him" by Colleen Hoover, "Verity" by Colleen Hoover, and "That's Not My Cow" by Frank Watt.

DVDs with the highest lifetime total checkouts are "Little Big Man", "Ambush at Dark Canyon", and "The Super Mario Bros".

Books with the highest total checkout are "Killoe" by Louis L'Amour, "Kilrone" by Louis L'Amour, and "Barbie and the 12 Dancing Princesses" by Barbie Publisher.

Hotspots continue to be continuously checked out. I hope to purchase another this year.

Personnel:

- We have received one applicant for the 2-10 position and have not had any applicants for the paramedic position.
- We are in the process of bringing on four new fire personnel. One has some fire experience, and three are new to the fire service.

Other Business:

- **Apparatus and Equipment-**
 - R2- is experiencing some issues with the DEF system. We are working to troubleshoot the problem.
 - We will be traveling to Appleton for the final inspection of the new engine on January 11th. We expect to bring the truck home sometime the following week.

Fire Chief's Statement: We finished the year with the same total runs as 2022, 2,521. To cover this call volume with our staff is something to be very proud of. To put it into perspective, Altoona FD (Population 8,292) maintains a staffing level similar to Black River Falls and responds to around 1,000 calls annually. Rhinelander Fire Department (Population 8,291) staffs 20 full-time firefighters and responds to around 2,200 calls annually. Our Department provides fire protection for around 12,000 residents over 300 square miles and EMS Services for nearly 20,000 residents over 1,000 square miles. We look forward to 2024 where we continue to work through the challenges and provide the best service to our residents.

STREET SUPERINTENDENTS REPORT TO THE COMMITTEE OF THE WHOLE

January 17th 2024

Prepared by

Darryl Nelson

Sanitary and Storm Sewer Mapping:

Adam and Ryan are in the process of mapping all of the storm and sanitary sewers in the city. Sewers will be mapped for location, direction and size. Storm sewers will be mapped during the winter months with the sanitary sewers being mapped during annual sewer washing in the spring and fall. After the mapping is complete SEH will follow up with a complete set of prints.

Limb Cutting:

Tree limbs are being cut above city road ways and city sidewalks. Any tree limb projecting into the city street or way will be trimmed to 14' above the city street and 8' above any city sidewalk owners of such trees can keep limbs trimmed themselves or the city will perform the trimming.

Shop Painting and Office Remodel:

With the lack of snow this winter it's given some extra time to catch up on some much needed shop maintenance. The interior of the shop hasn't been painted in 17 years and the Street Superintendent office hasn't had been updated in over 25 years. Both have receive fresh paint and the office will receive new flooring as well.

Grader Update:

Falls manufacturing will complete installation on the snow wing for the city's new 2024 John Deere motor Grader by January 12, 2024. The grader will then be shipped to Chippewa Falls where McCoy John Deere will perform their pre-delivery inspection. This inspection should take no more than 3 days. The delivery date to Black River Falls is scheduled for January 22, 2024.

FFA:

Once again the FFA has picked up Christmas trees in the city as part of a community help project.

Compact Track Loader Bid:

The City of Black River Falls had been seeking bids for a new tracked skid steer with attachments. The attachments will consist of a jack hammer, which will be used for breaking concrete, and a rotary brush hog for mowing areas in town where our mowing tractor struggles. The tracked skid steer will be used primarily for street work during the removal of the sub grade and work on or around the riverside of the dike where sand often collects after high water events.

Bids were due on January 10, 2024 at 10:00 am at which time they were opened and publicly and read aloud.

ACTION

Compact Track Loader Recommendations:

The City disqualified the Miller Bradford bid because the bucket was too narrow, plus there were no specs on the attachments.

The City disqualified the Komro bid, Hammer was half the size the spec said it to be.

The bid from Fabick Cat was \$6,000 higher than any other bid, this machine is very impressive with the adjustability of the controls, visibility and reduced cab noise.

The bid St. Joseph will be my recommendation to purchase. Bobcat makes a very nice machine with controls that are very smooth. The skid steer attachments are very capable of doing everything we need them to do, with the hammer being the exact hammer the County used when they did work for us.
