Planning Board discussion Continued: The report recommended the approval of a Special Use permit application for a car repair shop at 1770 Milestrip Road. The Town Board members had questions regarding the application which had been reviewed by the Planning Board. Upon asking the Town Attorney a question about the application, he noted this was the first time he heard of the application. Planning Board member Debra Ritz noted that the applicants did not show up for the meeting, and they were left with a lot of questions, such as where the repairs were going to be done, along with where the applicant lived. It was mentioned that they reside at the location (Norco Propane on Milestrip) but an audience member noted the applicants reside closer to the North Collins end of Milestrip. Debra questioned if the repairs would be on their own vehicles, or public vehicles.

Attorney Trask expressed frustration that he no longer gets correspondence from the Planning Board and until he understands the application, he will be unable to advise the Town Board. He asked if the Planning Board did a site review? Were there any special conditions placed on the application. No public hearing can be set for this application until the Town Board understands what the application entails. Councilwoman Ross then read from a letter of recommendation that was with the Planning Board report. Supervisor DeCarlo will reach out to the Ostrowski's. Attorney Trask also noted concern that any Special User permit application must have Part 1 of an EAF filed with the application so that the Planning Board can, initially, determine if anything else would be required under SEQR. Debra Ritz suggested the Town Board be given a list of questions to be answered regarding this application. Councilwoman Giancarlo noted that the Town Attorney should be getting a copy of everything before anyone else since his job is to protect the Town. Councilwoman Marien wants the Code Officer to attend meetings that include Special Use Permit application. Supervisor DeCarlo added that when the Town Board approved the Planning Board report as it was presented at this meeting, their approval in no way means they have approved the application that was mentioned in the report.

MARCH 8TH SPECIAL USE PERMIT PUBLIC HEARING DISCUSSION: Regarding the Special Use Permit application filed by Andrew Lonkey, the Town must allow 30 days from the time the ZR-1 was sent to Erie County Environment and Planning to act on the application during the March 8th public hearing.

ZONING BOARD OF APPEALS REPORT: No meeting was held.

RECREATION DIRECTOR'S REPORT: No report presented.

PARKS COMMISSIONERS' REPORT: No report presented.

CODE ENFORCEMENT OFFICER REPORT: Supervisor DeCarlo noted that the Code Officer was required to attend a Flood Plain meeting tonight. DOG "STRAY HOLD" CHANGED FROM 5 DAY TO 3 DAY: The Town of Brant has been asked by NYS Ag & Markets that if they wish to house dogs for 5 days, the Town would need to change its stray hold to 3 days, which would result in a 5 day time frame. Therefore, the following resolution was presented:

WHEREAS, The Town of Brant currently requires a 5 day stray hold for unredeemed dogs,

WHEREAS, New York State Ag & Markets now defines a 5 days tray hold as follows:

Pick up date is considered day 0,
Day 1 begins the day after pick-up

Day 5 ends at midnight

THEREFORE, this translates to the dog being physically sheltered for a total of 7 days. For example a dog picked up on Sunday is eligible for transfer to rescue or new ownership at 12:01 am on the following Saturday,

THEREFORE, to limit our stray hold time to a total of 5 days wherein the Town must physically shelter a stray dog, the Town of Brant now changes it's stray hold time to three (3) days which will allow a 5 day physical hold time.

Supervisor DeCarlo motioned to approve the resolution as read, seconced by Councilwoman Giancarlo. 5 ayes, 0 nays. MOTION CARRIED.

SEEK BIDS FOR SENIOR BLDG HVAC PROJECT: Supervisor DeCarlo advised that the specs for the HVAC system for the Senior Community Building have been completed by DJ Brown Engineering and the specs include Prevailing wage requirements. He reminded the Board that the earlier bid opening date had to be cancelled because they didn't have all the necessary items. With all items in place, he now wishes to set another bid opening date. Supervisor DeCarlo noted that this grant is contingent on approval from Erie County. Discussion regarding deadline for accepting bid requests began. The Supervisor's Secretary responded that she had all the items completed as far as advertising in the minority paper (The Challenger) and the letters sent to the Minority groups. She added that the County has already approved everything. Supervisor DeCarlo then motioned to set March 29 at 12 noon to open the sealed bids. This date will allow time for Board review of the bids prior to the next Board meeting of April 12. Supervisor DeCarlo motioned to accept March 29 at noon as the Bid Opening date. Councilwoman Marien seconded the motion. 5 ayes, 0 nays. MOTION CARRIED.

The company will perform on-site shredding for an additional \$12.00. Supervisor DeCarlo said he will look into the possibility of them allowing a day for residents to come use the service. The Supervisor gave out copies of the bid to the Board members and stated they can review the quote and vote at the March 8th meeting. No vote was taken.
