-To honor our veterans and the men and women “who gave all,” Brian Head Town Hall will have a pin board in the lobby where locals may drop off photos of their loved ones and the branch they served in. You may include additional information about them. These photos will be displayed in the Town Hall lobby the entire month of May.

Local News-

-Rocky Mountain Power will be starting a project this May through July to replace the power lines in the Canyon. They will be using helicopters to assist with removing the old poles. Expect delays on Hwy 143.

-The 5-Mile Picnic area had a grand opening May 1st. This picnic area (located off the road to Yankee Meadows) was originally built by the Civilian Conservation Corps in the 1930's and wiped out with a flood in 2017. After years of work, it has been restored for all to enjoy.
