

**RESOLUTION AUTHORIZING THE TOWN OF BRULE TO PROCEED WITH
A STATE INFRASTRUCTURE BANK (SIB) APPLICATION**

Town of Brule, Douglas County

Resolution No. 2026-2

WHEREAS, WisDOT is undertaking State Project No. 8150-00-72 to replace the existing 78-inch culvert at Sandy Run Creek with a single-span bridge (Structure B-16-0157) carrying STH 27 over the creek.; and

WHEREAS, The proposed construction conflict with the existing sanitary sewer owned and operated by Brule Sanitary District # 1; and

WHEREAS, The Town of Brule, in partnership with the Brule Sanitary District #1 has been required to relocate the 8" PVC gravity sewer that runs parallel to the shoulder of STH 27 and crosses Sandy Run Creek; and

WHEREAS, The Wisconsin SIB program is a revolving loan program providing capital for transportation projects from loan repayments and interest earned from funds remaining in the bank to be used in conjunction with economic development programs to facilitate the timing of projects; and

WHEREAS, Funding from SIB has provided critical capital for improvements required for economic development along state and county highways; and

NOW, THEREFORE, BE IT RESOLVED that the Brule Town Board Hereby authorizes the Town Chairman to proceed with the SIB application for funds at 0% interest for the first ten years and 2.634% for the second ten years. The loan amount will be up to \$400,000 to be paid back in 20 years with no penalty for early loan payoff. The purpose of the loan is to complete the improvements on STH 27 Sandy Run Creek and to reroute the sewer collection system to eliminate the conflict with the road improvements.

Adopted this 16th day of July, 2026.

Signature of Town Chairman:

Attested by Town Clerk*:

* The town clerk must post or publish a Class 1 notice of this resolution within 30 days after its adoption. See Wis. Stat. § 60.80(1)(a).
