

Public Notification – Addendum #2
City of Butler, Indiana
Preliminary Engineering Report (PER) to obtain assistance from
Drinking Water State Revolving Fund (DWSRF) Loan Program

Notice is hereby given that Addendum #2 to the Preliminary Engineering Report for the North Broadway Sanitary Sewer and Water Main Replacement Project for the City of Butler, Indiana has been submitted to the State Revolving Fund (SRF) loan program on June 10, 2024. The addendum includes the purchase of a Ditch Witch Vac-trailer for the purpose of lead service line investigations

The proposed addendum #2 work will be financed through the existing DW 23 16 17 01 funded project loan. The Vac-trailer was purchased in March 2024. Any questions or comments should be directed to Jessie Lestinsky, Wessler Engineering, 6606 Constitution Drive Fort Wayne, Indiana 46804; Telephone (260) 422-8279; Email JessieL@wesslerengineering.com
