

Public Notification – Addendum #2
City of Butler Municipal Utilities
Preliminary Engineering Report (PER) to obtain assistance from
The Drinking Water State Revolving Fund (DWSRF) Loan Program

Notice is hereby given that Addendum #2 to the Preliminary Engineering Report for the N Broadway St Water Improvements has been submitted to the State Revolving Fund (SRF) loan program on July 1, 2024. The addendum included the concrete repair and epoxy lining of two (2) existing water meter vaults. The original SRF loan amount will not be increased with the addition of the proposed addendum #2 work and will be financed through the existing DWSRF funded project loan. These proposed improvements were completed in May 2024. Any questions or comments should be directed to Jessie Lestinsky, Wessler Engineering, 6606 Constitution Drive Fort Wayne, Indiana 46804; Telephone (260) 422-8279; Email JessieL@wesslerengineering.com
