Police Department

Police Chief Matt Traster presented quotes for pole mounted speed indicator signs. He had requested quotes from two different vendors, but only one was responsive. There was discussion. Two signs will cost \$6,664, which can be paid for from the Flock Camera line because Flock did not charge the City for this year's service. Mr. Smith made a motion to approve the purchase, with an additional \$500 available if needed. Mr. Haywood seconded the motion. The motion passed with all in favor.

Fire Department

Fire Chief Ron Mausteller presented quote to purchase fire hose replacements at a cost of \$7400.50. A lot of hose needs to be replaced because of age. The NFPA has updated their rules and hose that is older than 25 years old can no longer be used. Mr. Haywood made a motion to approve the purchase and Mr. Smith seconded the motion. The motion passed with all in favor.

Chief Mausteller next presented an estimate from Electric Connection to add a new circuit at the fire station so that the Cascade system can be relocated to the south end of the building. Mr. Haywood made a motion to approve the estimate and Mr. Smith seconded the motion. The motion passed with all in favor.
