- Street, Sewer & Water
 1. David Morales – Storm Drain replacement: David contacted the Village Office to state that the issue has been taken care of and did not need to attend the meeting.
 2. Bike Trail Gates – Willman Industries: John Stanczyk of Willman Industries contacted the Village office after seeing the stop gates installed at the bike trail on Highway 32. John asked if the same type of gates could be installed by the bike trail on the south side by East Cedar Ave. He reported there is a lot more traffic with the Main Street construction and he has noticed some of the bikes have not stopped. Julie will contact Aaron Brault, Planning and Conservation Manager at the Sheboygan County office to inquire about another set of gates.
 3. Review & Approval – Certificate of Payment #1 – South Main Street Utility Reconstruction: Certificate of Payment #1 was received from PTS Contractors and forwarded by Nick VanDeHey to the Village. USDA will need to review before payment is made. No questions or concerns.

Ken Hoopman made a motion to approve Certificate of Payment #1, seconded by Peggy Houghlum. Roll call vote YES 6 NO 0

4. Review & Approval – Requests for Proposal (RFP) for Garbage & Recycling Services: RFPs were received from GFL, Harter’s Disposal and Waste Management for garbage and recycling pickup services as the current contract will expire in January of 2027. The Board members will review the RFPs further. This item will be included on October’s Village Board meeting agenda.
 5. Sidewalk Repair Proposal – Library: Quote for \$34,280.00 was received from Dlapa Construction for all sidewalks from Memorial Park west to the Library lot line. This quote will be discussed during 2027 budget meetings.
 6. Main Street Road Project 2027 – Update: Julie provided an update from the USDA that the Village could use remaining USDA funds for the 2027 Main Street Road project (asphalt). The job would need to be placed for bid instead of contracting with the County.

 1. Review Disc Golf Course: Advice received from the Village Attorney regarding the disc golf course included the Village putting an additional use on the South 2nd Street property (59112556451) as long as that use does not affect the storm water detention purpose. Mike explained the Village will apply for a Conditional Use Permit (CUP) for the disc golf course. Jamie and Abbie Meinen requested the Village Attorney’s written opinion be sent to them that would include the State law. They asked if the Village had a right to do this in the first place and were concerned about the process/procedure that was followed.
