4. Discussion and possible action on business complaint. Chief Schneider informed the committee that he has received numerous complaints that the residence residing at 218 Pine Lane are operating a motorcycle repair business. Residence was issued a cease and desist letter in the past from the Village. Neighbor continuously is filing complaints for noise and motorcycle engine revving. Committee reviewed ordinance and inquired on having the resident attend a future meeting to discuss further. Chief contacted resident who came to Village Hall to meet during the current meeting. Resident stated that he does buy old or broken motorcycles. He takes them apart to sell the parts; the bikes are totaled with no titles. He has no inventory on hand to repair motorcycles like a repair shop. He stores his parts in a storage shed located outside of the Village. He has insulated his garage to reduce noise when he is working on his motorcycle. Suggestion was made to try to muffle the exhaust through a muffler when working on the motorcycle to reduce noise further. Resident stated he would look into that and comply.
5. Discussion and possible action on additional Ordinance updates – no additional ordinances to be discussed at this time.
6. ADJOURNMENT – next committee meeting – TBD. Motion to adjourn made by Schuettpelz and second by Nieling. All ayes. Motion carried. Meeting adjourned at 2:30 PM.
