Members of the City Council:

Subject: Mill Fire Storm Drainage Infrastructure Replacement Project

The bid opening for the subject project was held on June 25, 2026. PACE Engineering, Inc. (PACE) has reviewed the bids received, and enclosed is the Bid Summary.

Mt. Shasta Paving, Inc. dba Buzy Bee Paving Company submitted the apparent low bid of \$1,045,897. PACE identified bid-document and responsiveness issues, including omitted or incomplete required bid documents and a separate proposal adding terms, conditions, disclaimers, and limitations. In accordance with City Attorney guidance, the City has provided Buzy Bee Paving Company written notice of the finding of non-responsiveness. PACE recommends that the City reject Buzy Bee's bid as nonresponsive.

The next lowest bidder is Tullis, Inc., with a total bid amount of \$1,113,269. PACE has examined Tullis, Inc.'s bid proposal and finds it complete and acceptable. Subject to City Council rejection of Buzy Bee's bid, PACE recommends that the City award the Contract to Tullis, Inc. in the amount of \$1,113,269.

Once PACE is notified that the Contract has been awarded, a Notice of Award will be sent to Tullis, Inc. together with the Agreement and Bond forms. Instructions will be included for the Contractor to sign and complete the necessary documents and return them to PACE for review. PACE will then forward them to the City of Weed for signature, which will constitute execution of the Contract.

Sincerely,

A handwritten signature in black ink that reads "Curtis Paget". The signature is written in a cursive, flowing style.
