Mayor Pro Tem Dove states that she is pleased to see that it was approved for there to be two Chesnee officers doing school traffic at Chesnee High School along with a Chesnee officer directing traffic at Chesnee Elementary School as well. This ensures that our officers are in our town and are no longer required to commute to Boiling Springs for school traffic.

City Administrator Delisa Coggins informs council that three bids were obtained in regard to pressure washing the sidewalks through the city. Out of the three bids Philco's was the most cost effective, and he graciously offered to pressure wash CADA Park as well.

Councilwoman Skipper mentions seasonal décor and while pleased with our progress she would like to see more of it.
