CITY OF MINERAL POINT NOTICE OF QUORUM

Public Information Meeting: **Community Historic Survey Update**

Mineral Point City Hall – Community Room
Wednesday, March 18, 7:00 p.m.
Community Room, Mineral Point City Hall, 137 High Street

This open meeting will be hosted by the City's Historic Preservation Committee. Rowan Davidson, Historic Preservation Consultant with Legacy Architecture, will present an overview of the history of historic preservation in Mineral Point and explain what an intensive historic survey is, why it is important, and how it will be conducted. The meeting will also include discussion of research methods, opportunities to share local historical knowledge, and time for questions and community input.

Jason Tish, Certified Local Government Coordinator and Preservation Education Coordinator with the State Historic Preservation Office, will also be in attendance.

Community participation is encouraged. If you have questions, please contact Matthew Payne, Chair of the Historic Preservation Committee.

A quorum of the City Council, Plan Commission, Park Board, Historic Preservation Commission, Zoning Board of Appeals, Board of Review, Library Board, Tourism Commission, ETZ Plan Commission, ETZ Board of Appeals, Fire Department Committee and/or CDBG Committee may be present at the above-listed event. No official discussion or action by the City Council, Plan Commission, Park Board, Historic Preservation Commission, Zoning Board of Appeals, Board of Review, Library Board, Tourism Commission, ETZ Plan Commission, ETZ Board of Appeals, High Street Steering Committee, Fire Department Committee and/or CDBG Committee will be taken at this event.
