CITY OF MINERAL POINT BICENTENNIAL COMMITTEE MEETING
Tuesday, December 16, 2025 – 6:00 PM
Chamber Office

Agenda:

1. Call to Order, Roll Call (Mike Christensen, Lauren Powers, Cory Bennett; additional attendees: Frank Beaman, Shan Thomas, Christina Kubasta, Dick Poad, Joel Gosse)
2. Approve Minutes from Nov 17 meeting – Cory moved, Dick seconded, motion passed unanimously.
3. Status of website, calendar:
 - a. Cory will have it published before our January meeting pending a draft for copy. She says the website cannot have two calendars, Chamber and Bicentennial will share the current Chamber calendar. Bicentennial events will be denoted with a different color, font, or icon.
4. Anthology update:
 - a. Frank says there are about fifty finished anthology pieces, plus many pieces from Ron Dunbar's collection. Shan offered additional stories and interviews through the archives. The anthology is currently anywhere from 160 to 200 pages on a larger format. Full steam ahead, Frank!
5. Logo/Coin Design:
 - a. Cory shared designs from intern student. These are final, though we do not need to accept them, it's just what the intern provided as part of her design class.
 - b. Christina has had discussions with Mr. Hadfield from the high school, and his art students will be working on designs throughout the spring semester.
6. City Decorations
 - a. Dick shared concepts for flag/banner mounts for light poles. The poles would need a flag bracket, and Dick will find that out. The banners are \$70 for double-sided. Dick would like to see every other pole be a banner and a flag. He has talked with Alliant to put up the banners, which they will do if they can do it the same time they take the high school senior banners down at the end of May. Banners would have the logo and family names and the year the family came to Mineral Point. Mike will check with city if this is ok with them prior to making additional plans. Banner sales would go through Chamber website.
 - b. Buntings would also be a great addition to downtown for the year. These would be affixed to building facades around town, especially on High St and Commerce St. Businesses would purchase through Chamber just like they currently do with garland sales at Christmas time.
7. Business Sponsorship/Grants
 - a. Several funding ideas were discussed; Lauren and Cory will pursue leads.
8. 2027 Calendar of Events
 - a. We reviewed tentative schedule of "focus" weekends in 2027. This will be the main focus of our January meeting with club/organization representatives.
9. Set next meeting time & adjourn
 - a. January 20 at 6:00 at City Hall
 - b. Meeting adjourned at 7:40
