Hi Craig, sorry I was at an election training yesterday when I missed you. Just so I understand this correctly, we purchase something that falls under the requirements for the grant and then we submit to you guys to have us reimbursed with the \$1,481.00? Is that correct?

Good morning, Kallee. I stopped by the municipal building today to check in on you guys, but unfortunately I missed you. Just a reminder that you still have \$1481 in safety grant funds available through June 30th, and then the new grant period will begin on July 1st.

I've also attached our services guide, which details all of the complimentary resources we make available to you. Please take a look when you can and let me know if you have questions.

Have a great day!
