Respectfully submitted,

Bobbi Hertzberg
Treasurer, City of Nekoosa

Personnel Committee

To the Honorable Mayor and members of the Nekoosa Common Council:

A Personnel Committee meeting was held on July 7, 2026 at 6:00 p.m. in the Nekoosa Council Chambers. Members present were: Larry Krubsack - *Chairman*, Anthony Carlson - *Secretary*, Mike kumm and Garrett Kuhn.

Also in attendance were Mayor Dan Carlson, City Clerk Kallee Ferk, librarian Darla Alan, Rick Schmidt with the DPW, Fire Chief Mike Hartje, and Alan Marcoux. In the audience were Kevin Sorenson of the WPPA, Jeff McDonalds, Eric Shymanski, and Tim Resheske.

Meeting Minutes:

1. recommend switching to Teamsters Union / Teamcare health insurance plan
2. Discussion on posting the Public Works Director position. Rick will bring a posting to the Council Meeting for discussion and a vote under "New Buisness."
3. Donations/Seminars/Conferences/Equipment/Meetings: heard an update on the new fire truck from the Fire Chief

4.

Respectfully submitted,

Anthony Carlson, Secretary

The block contains four handwritten signatures stacked vertically. The first signature is for Anthony Carlson, the second for Garrett Kuhn, the third for Mike Kumm, and the fourth for Larry Krubsack. The signatures are written in black ink and are somewhat stylized.

Public Works Committee

To the Honorable Mayor and members of the Nekoosa Common Council:

A Public Works Committee meeting was held on July 7, 2026 at 6:30 p.m. in the Nekoosa Council Chambers. Members present were: Alan Marcoux - *Chairman*, Adam Buehring - *Secretary*, Anthony Carlson and Garrett Kuhn.

Also in attendance were Mayor Dan Carlson, City Clerk Kallee Ferk, librarian Darla Alan, Rick Schmidt with the DPW, Dan Downing, Larry Krubsack and Mike Kumm.

Meeting Minutes:

1. Recommend amending the previously assessed wastewater charges to the owner of the Moccasin Mobile Home Park. The owner is still willing to pay and is liable for the water that was utilized during that 2 month time frame. The refund will be issued in the sum \$11,790.00. That number was derived based on taking a one year wastewater usage average and subtrated that number from the in questioned 2 month total that occoured during their water leak.
2. Discussed Fairview Lane project updates and plans
3. Discussed possible housing development with Ruesch Companies.
4. Recommend approving a stiff armed style fishing pier on the Wisconsin River. Please note that this project is being funded by the gracious grant that has been awarded to the city by the Wisconsin DNR. (Legacy Foundation; WoodCo. CEED Committee)
5. Recommend sending Derek freeman to The annual waste water convention in Green Bay WI from on October 13-16th at a cost of \$210.00 per the handbook.
6. Recommend sending 4 Public Works employees to Plover WI for the annual wastewater Expo at a cost of \$110.00 payable per employee per handbook.
- 7.

Respectfully submitted,

Adam Buehring, *Secretary*

Four handwritten signatures are present. The top two are in black ink, the middle one is in black ink, and the bottom one is in blue ink. They appear to be the signatures of the committee members mentioned in the text.

Property, Recreation and Human Affairs Committee

To the Honorable Mayor and members of the Nekoosa Common Council:

A Property, Recreation and Human Affairs Committee meeting was held on July 7, 2026 at 7:20p.m. in the Nekoosa Council Chambers. Members present were: Mike Kumm - *Chairman*, Dan Downing - *Secretary*, Larry Krubsack and Garrett Kuhn.

Also in attendance were Mayor Dan Carlson, City Clerk Kallee Ferk, librarian Darla Alan, Rick Schmidt with the DPW, Alan Marcoux, Adam Buehring and Anthony Carlson.

Meeting Minutes:

1. Recommend Alliant Energy for replacing and upgrading the light pole at Freeman Boat Landing.
2. Recommend adding a baby changing station to the bathrooms at the Cahak Povillion at approximately \$500.00.
- 3.

Respectfully submitted,

Dan Downing, *Secretary*

Handwritten signatures of committee members, including Mike Kumm, Dan Downing, and others.

Ways & Means Committee

The Ways & Means Committee will meet at the City of Nekoosa Office
Location & Address: Council Chambers, 951 Market St. Nekoosa, WI 54457

Time: Tuesday, July 14th, 2026, at 6:30 P.M.

This meeting can be streamed via Zoom, see the link attached: [Click Here](#)

Committee Chairperson: Adam Buehring Phone: 715-697-2054

The agenda is as follows:

1. Call to Order
2. Roll Call of Members:
 - a. Ward 1: Alan Marcoux Ward 2: Adam Buehring
Ward 3: Dan Downing Ward 4: Garrett Kuhn
3. Audit Bill List
4. License applications.
5. Discuss modifying ordinance 12.02 Intoxicating Liquor and Fermented Malt Beverages to include additional conditions for Beverage Operator License applicants.
6. Donations / Seminars / Conferences / Equipment / Meetings

Nekoosa Common Council:

Dan Carlson, Mayor

Alderpersons:

Ward 1: Larry Krubsack & Alan Marcoux Ward 2: Michael Kumm & Adam Buehring

Ward 3: Anthony Carlson & Dan Downing Ward 4: Garrett Kuhn & Brad Hamilton

Kallee Ferk – City Clerk

Posted 07/10/2026

This meeting is recorded via Zoom and can be accessed on the city website in the Agenda and Minutes section once posted. Discussion and possible action may take place on any of the above agenda items.

It is possible that the members of and possibly a quorum of members of other governmental bodies of the municipality may be in attendance at the above-stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the Common Council.

City of Nekoosa
951 Market Street
Nekoosa, WI 54457

DIRECTOR OF PUBLIC WORKS – CITY OF NEKOOSA

Nekoosa is a city located on the Wisconsin River and has a long history of lumber, papermaking, cranberries, industry and innovation. Nekoosa (meaning swift water) named by the Ho-Chunk and Chippewa peoples after a series of rapids on the Wisconsin River. The city has an outstanding collection of natural, cultural and historical assets which give this region a great place to live, work and play.

The City of Nekoosa is seeking a highly qualified and motivated individual to fill the position of Director of Public Works. This leadership role is responsible for overseeing and managing the public works department, ensuring the delivery of services, leading the public works team and effectively communicate to a variety of community stakeholders.

Position Overview: As the Director of Public Works, you will be responsible for overseeing the planning, development, maintenance and management of the city's infrastructure, including streets, parks, utilities, cemetery, forestry, fleet procurement and maintenance and public facilities. The Director role requires leadership skills, technical knowledge and the ability to partner with other city departments, consultants, contractors and community members.

Key Responsibilities:

- Managing and directing the daily operations of the Public Works Department.
- Supervises the department staff, including recruitment and training.
- Oversee budgeting, purchasing and procurement for public works projects.
- Knowledge in public works administration, capital project development and field maintenance operations.

-
- Ensuring compliance with city codes, regulations and safety standards.
 - Coordinates long term planning for city infrastructure projects.
 - Ability to effectively interact with members of the public, elected officials, and city staff.

The ideal candidate should possess extensive knowledge in the public works field with a minimum of 5 years' work experience in related duties and functions, management experience, record keeping and communication skills. An associates degree and/or a certificate in public works supervisory academy is a plus. Basic computer skills and knowledge and familiarity with office software, GIS and other technical programs relevant to public works operations. Must establish permanent residence within fifteen (15) miles of the incorporated boundaries of the City of Nekoosa.

The City of Nekoosa offers a compensation salary commensurate with skill and experience along with an excellent benefit package. A complete job description is available at www.cityofnekoosa.org.

Applicants should submit a cover letter, resume, employment history, references and city application to City Clerk, 951 Market Street, Nekoosa, WI 54457. Applications will be accepted until the position is filled.

NEKOOSA PUBLIC WORKS

MONTHLY REPORT

July 2026

Streets

- The streets group has experienced a typical June workload and accomplished several small projects as well. Projects included replacing fascia on the small building at Riverside Park as well as the gazebo near the playground. I have attached the June spreadsheet documenting the days and items worked over the month.
- The street crew has ordered 3 new 6x6 boards to replace the signage boards damaged by a motor vehicle at the intersection of CTH G and Cranmoor Road. The actual sign is still in good shape. We will set the new 6x6 boards, repaint all wood and reset the sign in the next few weeks.

Public Works Fleet

- The public works fleet overall is in good shape as we approach mid-

summer. We have a few lawn mowers needing minor repairs.

Water Utility

- The water utility will again be painting hydrants this summer. We have about 65 hydrants on the list and that will complete the hydrant painting for several years.

Sewer Utility

- The wastewater plant will drain the large clarifier the week of July 13 to reset the weirs. The weirs are not level and are causing short circuiting of the wastewater in this clarifier. The contractor will also use new adhesive on setting the weirs. This contractor will also complete a preventive maintenance inspection of the waterworks lift station. This is a very active lift station as it pumps all the wastewater from the Trout courts to the sanitary sewer piping on Crestview Lane.

Director Updates

- I have had several phone conversations with the EPA out of Chicago regarding our \$1.63 grant for our utility and road projects for Fairview, Elmwood and Glendale. I am in the process of working on some of the paperwork required for this grant.
- On July 1, I attended the CEED committee meeting at Wood County to present on our grant for the asphalt project in Riverside Park. The committee completed the final approval of this grant and will be mailing a \$10,000 check to the City of Nekoosa. We expect paving of this park and bike trail in late July or August.
- I have completed the final submittal to the Public Service Commission

(PSC) for our simplified rate case to raise the water rates by 3%. This will result in a \$0.24 increase in the water volume rate. It will go from \$8.09 to \$8.33 per 1000 gallons used. This is expected to take effect on August 17, 2026.

Training & Staff Activity

- None to Report

ALEXANDER FIELD
SOUTH WOOD COUNTY AIRPORT
MUNICIPALLY OWNED

MEETING MINUTES

AIRPORT COMMISSIONERS:

Brad Hamilton, President
Jason Warren, Supervisor
Matt Zacher, Mayor
Joseph Zurfluh, Trustee

MUNICIPALITIES:

City of Nekoosa
Town of Grand Rapids
City of Wisconsin Rapids
Village of Port Edwards

06/09/26

The South Wood County Airport Commission met on Tuesday June 9, 2026 at 2:00 PM at the South Wood County Airport, Alexander Field. Members present were Brad Hamilton, Jason Warren, and Matt Zacher and Joe Zurfluh. Also in attendance were Bill Clendenning, Josh Holbrook, Stephen Brown, Arne Nystrom, Randy Gustafson, Dennis Polach, Kevin Fangman, Dennis Polach, Paul Tranal, Bill Menzel, Jacque Zirbes, Brian Bergstrom, Chris Whitehouse, Colin Davidson, Dan Minarcik, Sue Feith, Hunter Geishart, and Jeremy Sickler.

1. Call to order: Chairman Hamilton called the meeting to order at 8:00 AM.

2. New Business:

- a. Discuss and consider action regarding the Terminal Design Agreement presented by SEH: The contract for design was presented by Josh Holbrook and discussion ensued with Colin Davidson from WI BOA. Motion by Commissioner Zacher, 2nd by Commissioner Hamilton to approve the Terminal Design Agreement presented by SEH for \$246,471. Motion carried.
- b. Discuss and consider action regarding the terminal floor plan presented by SEH: Chris Whitehouse from SEH asked several questions of the Commission regarding preferences for construction of the Terminal Building. Motion by Commissioner Zurfluh, 2nd by Commissioner Warren to approve the Terminal Building floorplan as discussed. Motion carried.

3. Future agenda items:

501c-3

4. Public Comment: Bill Clendenning asked questions about the intended future name of the Airport and whether the Airport had a 501c-3 established.

5. Correspondence received: None

6. Set next meeting date: Friday June 26 at 1000.

7. Adjourn:

Chairman called meeting adjourned at 1457.

Minutes prepared by Jeremy Sickler, Respectfully reviewed and submitted, Chairman Hamilton

Charles & JoAnn Lester Library

Board Minutes: June 8, 2026

Board Present: Al Marcoux, Nita Kirst, Jennifer Dye, Lucy McGinley, Kallee Ferk (guest)

Absent: Jesse McKeever, Elaine Wolfe, Laura Lewis

Staff Present: Darla Allen (Director)

The regular meeting of the Charles & JoAnn Lester Library was called to order at 2 p.m. by President Nita Kirst.

Motion to approve the minutes was made by Jennifer Dye and seconded by Lucy McGinley. Motion carried.

Motion to approve the treasurer's report was made by Lucy McGinley and seconded by Al Marcoux. Motion carried.

Vouchers were reviewed and signed by Jennifer Dye. Motion to approve payment of \$3,232.88 was made by Jennifer Dye. and seconded by Lucy McGinley. Motion carried.

Motion to approve Darla going to Cincinnati, Ohio June 22-24, 2026- this is free of IMLS Library Convening 250-Telling America's Story. There is also a \$1,000.00 stipend, was made by Jennifer Dye and seconded by Lucy McGinley. Motion carried.

Motion to move into closed session at 2:24 p.m. was made by Lucy McGinley and seconded by Jennifer Dye. Discussed new insurance and restruction of library.

Motion to come out of closed session at 3:31 p.m. was made by Jennifer Dye and seconded by Al Marcoux. Motion carried.

Shrubs from around the library will be removed.

Motion to adjourn at 3:52 p.m. was made by Lucy McGinley and seconded by Jennifer Dye. Motion carried.

Submitted by Lucy McGinley-Secretary

Director's Report

We had 2,329 live ones come through library doors, bringing our year to date total to 11,293.

Bathrooms were used a little over 800 times in June.

I am finalizing a memorial photo book of Mrs. JoAnn Lester.

August Woiak, longtime Board member passed away while I was in Cincinnati; I had flowers sent to his service on behalf of the board and library staff.

Our summer program is quieter than last year's. Last year we lost a wonderful staff member who was completely burnt out by the end of the program, so I tried to plan a program that was sustainable.

June Highlights:

We hosted the following SLP events: Mrs. Pulvermacher bookwhackers, United Way Great Book Giveaway. I also held a Veteran themed storytime with Patriotic Crafts in celebration of America 250.

I had planned a Veteran Walk at Riverside Cemetery, but that event was cancelled due to weather. I was able to reuse the information by adding Veteran stops for our weeklong Dinosaur Hunt program in July.

We welcomed ZooZort at the Nekoosa Community Center for two shows, and then later that week, I ran the "Let's Discover Egypt" program. The biggest hit of the day was digging for treasure. I brought in 25 pounds of sand, hid small Egyptian themed objects and polished rocks in the dirt. Each kid got 1 scoop and we sifted to find treasure. It was such a hit that we ended up digging for treasure for almost an hour. We hosted 2 dinner and a movie nights.

Our most popular program has been our Dino Hunt that I have been doing all week. I hid 10 dinosaurs around town on Sunday night and early Monday morning. I then posted pictures and clues on our Facebook page. On Friday I hid 19 dinosaurs, and the "reward" was you got to keep your dinosaur, had your choice of a donut, cookie, or bomb pop, and also get a dino themed prize.

IMLS Convening America 250 was amazing. I had to opportunity to connect with other rural librarians and compare successes and challenges. There were 7 Wisconsin librarians, plus the State Librarian, and we plan to meet later this month. Everything was great except for the flight home. At the Airport by 4pm, boarded by 5:45 pm. Deboarded 5 times. Left Cincinnati just before midnight, arrived in Madison after 2am Thursday.

NEW BUSINESS

10. Preliminary Library Budget

11. Staffing

12. Building Maintenance: Windows, HVAC and gutters

Jennifer had asked a few months ago if our gutters were repaired while the roof was repaired. Initially, I thought yes. Then I realized late one night that I didn't think the gutters were included in the roof replacement cost. I double checked paperwork and gutters were not part of the roof replacement. I am meeting with a local contractor on Monday, July 20 to go over concerns and options to address a number of challenges.

See below under Legacy Grant Update.

13. Traveling Exhibits and programming Options, ideas, and costs.

OLD BUSINESS

12. IMLS Library Convening 250: Telling America's Story

There was so much information presented and what a great opportunity to connect with other small librarians. There were two librarians from SCLS: myself and Brian Cole from Mazomanie. A total of 7 librarians from across the state were chosen.

13. Shrubs/Outdoor Landscaping

I have spoken with our mowing crew, and they advise against rock and bark. I have been researching what other libraries do, and the reality of our situation. Nita and Tom are our only garden volunteers. I want something that is incredibly low maintenance. What are the Board's opinions? I am leaning towards grass all the way to the building, with maybe 2-3 shrubs. Or plant the front with native Wisconsin plants that are pollinator friendly. Nita, any thoughts or ideas?

14. Summer Reading Program

This has been a lot with the majority of the program setup, planning, and execution on me. Teri has been running the ReadSquared app, and also the promotion on the library webpage; I have been covering the Facebook page and running the programs myself.

15. Legacy Grant Update

There are 3 main designated areas for these funds:
Windows; HVAC; and Materials/Programming.

Windows have \$122,000 set aside;

HVAC has \$45,000 set aside

(3 AC @\$7500, 3 Furnaces @ \$7200 Total \$44,100)

Materials/Programming has \$33,000 set aside; see ideas below.

I believe we need to look at our gutter situation as well. I misspoke at a prior meeting, and had to double check paperwork from the roof project.

I have made an appointment with Ridge Top on July 20th

When we had our torrential rainstorm a few weeks ago, I noticed some issues, so I did some research.

Public buildings feature large roof expanses that easily overwhelm standard 5-inch residential gutters.

- Pitch Check: Ensure a minimum slope of 0.25 to 0.5 inches of drop for every 10 feet toward the downspout. Fix any sagging or loose brackets.
It doesn't look like our gutters slope as they should.
- Capacity Upgrades: Upgrade to commercial-grade 6-inch or 7-inch gutters, and switch to larger downspouts (e.g., 3 × 4 inches) to handle heavy downpours
I believe our downspouts may be insufficient in number and also too small to handle the volume of rain coming off the roof during heavy rainfall.
- Downspout Addition: If long gutter runs (over 40 feet) are causing pooling, add supplementary downspouts at the opposite end

Install Overflow Prevention Devices

During heavy rains, water often shoots straight over the gutter corners or valleys

Verified.

Splash Guards: Install aluminum gutter valley splash guards or roof diverters to redirect overshooting water back into the channel.

Gutter Guards: Use flexible commercial gutter brushes or mesh screens to keep debris out while allowing maximum water volume to pass through.

Manage Ground and Underground Drainage

Often, the gutter itself is fine, but clogged underground pipes cause backups.

- Splash Blocks: Install concrete or plastic splash blocks at the downspout base to protect soil and pavement.
- Grading: Ensure the ground slopes away from the building foundation at a 5% grade for the first 10 feet.
