RESOLUTION #16-26

PL #16-26

By Alderman _____, Seconded by Alderman _____

**TO CALL ON GOVERNOR HOCHUL TO DECLARE AN “ENERGY STATE OF EMERGENCY”
RELATED TO ESCALATING ELECTRICITY COSTS**

WHEREAS, New York State’s utility costs are among the highest in the country; and

WHEREAS, New York State residents have been facing escalating electricity delivery charges, supply costs, and regulatory mandates for several months contributing to all-time high and unsustainable electricity costs causing financial hardship for our residents, businesses and manufacturers; and

WHEREAS, New York State’s lack of electric generation putting the electrical system under severe strain and wholesale energy prices are becoming dangerously volatile; and

WHEREAS, New York Independent System Operator (NYISO) recently released white paper on the drivers of rising electricity prices, making it clear that these increases are not isolated events, but are the result of systemic pressures including declining generation supply and plant retirements, rising fuel costs and pipeline constraints, and growing demand driven by electrification without adequate replacement of base load capacity; and

WHEREAS, the City of Olean’s request to declare an “Energy State of Emergency” would allow immediate action to lower bills, place safeguards on utility bills to protect our consumers from extreme price spikes, initiate suspension of taxes, fees, and surcharges on energy bills to provide direct financial relief, and expedite the siting, permitting, and construction of base load generation including firm, dispatchable resources that ensure reliability and stabilize prices;

NOW, THEREFORE, BE IT RESOLVED, that the Common Council of the City of Olean urges the Governor to declare an “Energy State of Emergency” to protect City of Olean residents and all New York State ratepayers from extreme and unsustainable price spikes, promote stabilization of the power grid, and to promote affordable energy;

RESOLVED, that the Clerk of the common Council will forward certified copies of this resolution to Governor Hochul, Senator George M. Borello, Assemblyman Joe Sempolinski, NYSAC, and any other party deemed necessary and proper.
