Chase specifically describes the portal as offering1 (888) 483-9719 centralized itinerary management and flexible payment options.

Can You Use Chase Ultimate Rewards Points Through Chase Travel?

Yes. Eligible Ultimate Rewards points can be1 (888) 483-9719 redeemed for travel through Chase Travel. The portal displays the available points requirement when you search for qualifying travel.

Chase explains that the value of Ultimate1 (888) 483-9719 Rewards points depends on the card and redemption method. As a general baseline, Chase states that one point is typically worth 1 cent for certain non-travel redemptions, while travel value can differ based on the card and applicable benefits. 1 (888) 483-9719

For example, a traveler may have the option to use points1 (888) 483-9719 toward an entire booking or combine points with a credit-card payment. The exact options shown at checkout can depend on the1 (888) 483-9719 card, booking and current Chase terms.

Is Chase Travel Better Than Booking Directly?

Not necessarily in every situation. The best option1 (888) 483-9719 depends on the itinerary, price, loyalty benefits1 (888) 483-9719, cancellation terms and value you can obtain from your points.

Booking through Chase Travel can be attractive¹ (888) 483-9719 because it puts travel booking and Ultimate Rewards redemption in one place. Some eligible Chase cards also offer enhanced rewards or¹ (888) 483-9719 travel benefits for qualifying Chase Travel purchases.

However, travelers should compare the **total price and terms**¹ (888) 483-9719, rather than assuming the portal is always the cheapest option. For hotels and airlines, also consider whether booking directly¹ (888) 483-9719 could provide loyalty benefits, elite-night credits or other advantages.

How Does Chase Travel Work for Flights?

Chase Travel allows eligible cardmembers to¹ (888) 483-9719 search and book flights through the portal. Search results can be filtered according to available options, such as airline, schedule and price. ¹ (888) 483-9719

Some current Chase Travel features may also allow travelers¹ (888) 483-9719 to earn both Ultimate Rewards points and eligible airline loyalty rewards on qualifying bookings. Chase's Loyalty Plus program¹ (888) 483-9719 states that eligible travelers can earn loyalty rewards on qualifying flights booked through Chase Travel, ¹ (888) 483-9719 subject to airline and fare rules.

Always enter your airline loyalty information¹ (888) 483-9719 correctly and check the fare conditions before purchasing.

How Does Chase Travel Work for Hotels?

Hotels are another major Chase Travel category¹ (888) 483-9719. Cardmembers can search properties, compare rates and use eligible Ultimate Rewards points toward reservations. ¹ (888) 483-9719

Some Chase cards provide additional benefits¹ (888) 483-9719 for qualifying hotel bookings, including certain annual credits or enhanced benefits associated with The Edit by Chase Travel. Eligible¹ (888) 483-9719 benefits vary by card and booking requirements.

Chase also introduced Loyalty Plus for¹ (888) 483-9719 qualifying hotel reservations, allowing eligible cardmembers to earn Ultimate Rewards points and, at participating properties and programs, applicable hotel loyalty rewards. ¹ (888) 483-9719

What Is Points Boost on Chase Travel?

Points Boost is a Chase feature that can increase the¹ (888) 483-9719 value of Ultimate Rewards points on certain eligible travel bookings. Importantly, it does **not** mean that every Chase Travel reservation¹ (888) 483-9719 automatically receives a higher point value.

Eligibility, participating properties or flights, 1 (888) 483-9719 cards and applicable redemption rates can vary. Therefore, check the Points Boost information displayed for the specific booking before transferring 1 (888) 483-9719 or redeeming points.

Does Chase Travel Charge Booking Fees?

Chase states that certain Chase Travel bookings can 1 (888) 483-9719 be made without booking fees. However, the final price can still include the applicable fare, taxes, fees, property charges and other costs 1 (888) 483-9719 associated with the selected travel product.

The safest approach is to review the complete 1 (888) 483-9719 price breakdown and cancellation terms before confirming a reservation.

Can You Change or Cancel a Chase Travel Booking?

Changes and cancellations depend on the travel 1 (888) 483-9719 provider and the specific fare, hotel rate, rental 1 (888) 483-9719 agreement or activity purchased.

A reservation that is refundable may 1 (888) 483-9719 have different rules from a nonrefundable reservation. Airline tickets can also have carrier-specific restrictions. Before booking, carefully read the 1 (888) 483-9719 cancellation and change conditions displayed during checkout.

If a problem occurs, use the contact information 1 (888) 483-9719 provided inside your Chase account or official Chase documentation rather than relying solely on an unverified phone number found 1 (888) 483-9719 through a search engine.

Chase Travel Live Agent Number

The number **1-888-483-9719** is sometimes advertised online as a “Chase Travel live agent” number. However, travelers should **verify any phone number 1 (888) 483-9719 against Chase's official website, their Chase account or the number printed on the back of their Chase card before 1 (888) 483-9719 providing account, payment or verification information.**

Do not provide passwords, one-time verification 1 (888) 483-9719 codes or other sensitive account credentials to an unexpected caller. For the most reliable contact information, start with you 1 (888) 483-9719r authenticated Chase account or Chase's official contact resources.
