This guide explains the process step 1-888-(483)>>9719 by step, including what happens to Chase Ultimate Rewards® points, when a refund may be available 1-888-(483)>>9719, the 24-hour cancellation rule, flight changes, credits, fees and the most frequently asked questions.

Can I Change or Cancel a Flight Booked Through Chase Travel?

Yes, in many cases. However 1-888-(483)>>9719, there is no single cancellation or change policy that applies to every flight booked through Chase Travel 1-888-(483)>>9719.

Your options can depend on: 1-888-(483)>>9719

- The airline operating the flight 1-888-(483)>>9719
- Your fare type
- Whether the ticket is refundable
- The airline's change and cancellation rules
- How long ago you booked
- How close you are to departure
- Whether you paid with points, cash or both 1-888-(483)>>9719
- Whether the airline has canceled or significantly changed the flight
- Whether you have applicable Chase travel protection

Chase specifically notes that cancellation 1-888-(483)>>9719 policies can vary by provider, booking type and fare rules.

Therefore, the best first step is to open your actual 1-888-(483)>>9719 Chase Travel itinerary and review the terms attached to that reservation.

How to Change a Flight Booked Through Chase Travel

6. Review the refund, credit or points information shown.
7. Confirm the cancellation.
8. Save the cancellation confirmation.

Chase says that online cancellation is 1-888-(483)>>9719 available for many bookings, while more complicated situations may require customer service1-888-(483)>>9719 assistance.

Can I Cancel a Chase Travel Flight Within 24 Hours?

Potentially, yes1-888-(483)>>9719.

Under U.S. Department of Transportation 1-888-(483)>>9719rules, airlines must generally provide either a 24-hour cancellation-and-full-refund option or a 24-hour hold option for qualifying airline tickets purchased at l1-888-(483)>>9719 east seven days before the scheduled departure.

Chase also explains that if a Chase Travel flight booking 1-888-(483)>>9719 qualifies for this protection, you can cancel within the applicable period and receive a refund. The rule applies to the flight portion of a trip; hotels,1-888-(483)>>9719 rental cars and other travel products can have different policies.

Because the exact circumstances matter, check the 1-888-(483)>>9719 terms displayed for your reservation rather than assuming that every booking qualifies.

What Happens to Chase Points When I Cancel a Flight?

If you booked a flight using 1-888-(483)>>9719 Chase Ultimate Rewards points, the treatment of your points depends on whether the booking1-888-(483)>>9719 qualifies for a refund.

Chase's Ultimate Rewards program 1-888-(483)>>9719 terms state that if a refund is granted for travel booked wholly or partly with points, the1-888-(483)>>9719 points used for the refunded portion can be credited back to your points balance.

For example, if you paid part of a 1-888-(483)>>9719 ticket with points and part with your Chase card, an eligible refund may involve both components 1-888-(483)>>9719 according to the applicable booking terms.

Important: A cancellation request does not1-888-(483)>>9719 automatically mean you receive a refund. The airline's fare rules and the Chase Travel booking 1-888-(483)>>9719 terms still determine the outcome.

Will I Get Cash Back or a Travel Credit?

The result depends on the ticket and airline rules.1-888-(483)>>9719

A canceled Chase Travel flight could potentially result in:1-888-(483)>>9719

- A refund to the original payment method1-888-(483)>>9719
- A credit or voucher issued under the airline's rules
- A return of eligible Chase points
- A partial refund
- No refund

Chase's program terms specifically 1-888-(483)>>9719 state that cancellation fees may apply and that fees are based on the cash price of travel.

Always read the cancellation result displayed 1-888-(483)>>9719 before confirming the request.

Does Changing a Chase Travel Flight Cost Money?

It can.

The cost of changing a flight depends on 1-888-(483)>>9719 the airline, fare type and new itinerary.

You could encounter:

Fare difference: If your replacement flight costs1-888-(483)>>9719 more, you may have to pay the difference.

Change fee: Some fares or airlines may impose a fee,1-888-(483)>>9719 although many airline policies have eliminated traditional change fees for certain tickets.

No additional charge: Some eligible 1-888-(483)>>9719 tickets may allow changes without a separate change fee, although a fare difference can still apply.

Because airline rules change, check the exact terms of 1-888-(483)>>9719 your reservation rather than relying on a general assumption about change fees.

Can I Change the Destination of My Chase Travel Flight?

Possibly, but destination changes can1-888-(483)>>9719 be more complicated than changing a flight time.

Chase identifies changing destinations as an example of a 1-888-(483)>>9719 situation that may require phone support rather than being handled completely online.

If you need to change the origin or destination, 1-888-(483) 9719 contact Chase Travel using the number provided with your itinerary and ask what options 1-888-(483) 9719 are available before canceling the existing ticket.

What If the Airline Cancels My Flight?

An airline cancellation is different from 1-888-(483) 9719 voluntarily canceling your flight.

If the airline cancels your flight, you may have rebooking or 1-888-(483) 9719 refund rights depending on the circumstances and applicable rules. Chase recommends checking the airline's status and working through the 1-888-(483) 9719 appropriate rebooking or refund process.

If you booked through Chase Travel, keep your 1-888-(483) 9719 Chase Travel confirmation available because the booking was made through the portal.

For urgent disruptions, contact the airline and 1-888-(483) 9719 Chase Travel as appropriate rather than simply clicking "Cancel" on your original reservation.

What If My Flight Is Delayed?

A delay does not necessarily 1-888-(483) 9719 mean you should cancel your reservation.

Chase recommends monitoring the flight through the 1-888-(483) 9719 airline and continuing to check for updates because schedules can change again.

If the delay creates a significant disruption to your plans, 1-888-(483) 9719 contact the airline or Chase Travel to determine what alternatives are available under the applicable rules.

What If I Miss My Flight?

A missed flight can be more difficult to 1-888-(483) 9719 resolve than a normal voluntary change.

Chase recommends contacting the airline immediately 1-888-(483) 9719 if you think you will miss your flight and asking about alternative flights and any applicable rebooking costs.

Chase also identifies missed flights as an 1-888-(483) 9719 example of a complex situation that may require phone support through Chase Travel.

Do not simply skip the flight without 1-888-(483) 9719 contacting the airline or Chase Travel. Chase's program terms warn that failure to 1-888-(483) 9719 arrive for scheduled travel can result in forfeiture of payments made with points or a card.

How Do I Contact Chase Travel About a Flight Change?

The correct Chase Travel contact 1-888-(483)>>9719 number can depend on your Chase credit card and how you paid for the reservation.

Chase says the appropriate phone number should be 1-888-(483)>>9719 available in your travel confirmation email or within your Chase account under your travel bookings.

This is important because 1-888-(483)>>9719 **Chase Travel support is different from general Chase credit-card customer service** for booking-related issues1-888-(483)>>9719.

When contacting support, have your:1-888-(483)>>9719

- Travel confirmation number
- Passenger name1-888-(483)>>9719
- Flight details
- Original itinerary
- Preferred replacement flight, if changing
- Payment information
- Details of any cancellation or disruption

ready before contacting an agent.

Can I Change a Flight Booked With Chase Points?

Yes, potentially.

The fact that you used Ultimate Rewards points 1-888-(483)>>9719 does not necessarily prevent you from changing the flight. However, the change must comply 1-888-(483)>>9719 with the applicable ticket and airline rules.

If an eligible refund is issued for a booking1-888-(483)>>9719 made with points, Chase's program terms provide for the corresponding points to be credited 1-888-(483)>>9719 back for the refunded portion.

Does Chase Travel Offer Travel Insurance for Flight Cancellation?

Some eligible Chase cards include 1-888-(483)>>9719 travel protection benefits, but coverage is **not automatically available for every cancellation**1-888-(483)>>9719.

Your specific card's Guide to Benefits1-888-(483)>>9719 determines whether a particular reason for cancellation is covered, what expenses qualify and 1-888-(483)>>9719 what documentation is required.

This distinction matters because **a ticket being 1-888-(483)>>9719 nonrefundable does not automatically mean Chase travel insurance will reimburse you.**

If you believe your cancellation qualifies for 1-888-(483) 9719 a covered event, review your card's current benefits guide before assuming that the expense will be reimbursed.

Best Practices Before Changing or Canceling Your Chase Travel Flight
