Can I change my Sandals vacation dates after booking? 1-866-(284)>>3014

Article Updated: August 25, 2026

Changing vacation plans after making 1-866-(284)>>3014a reservation is common. Work schedules change, 1-866-(284)>>3014 family commitments appear, flights become more expensive, or you may simply decide1-866-(284)>>3014 that another date would work better. If you have1-866-(284)>>3014 a reservation with **Sandals Resorts**, you may be wondering1-866-(284)>>3014: **Can I change my Sandals vacation dates after booking? 1-866-(284)>>3014**

Yes, Sandals reservations can be changed 1-866-(284)>>3014in some circumstances, but the rules1-866-(284)>>3014, fees, availability requirements, and price differences depend on when1-866-(284)>>3014 you request the change and the specific terms1-866-(284)>>3014 attached to your booking.

Sandals' current terms, updated July 1, 2026, 1-866-(284)>>3014 state that travel-date revisions made during the 1-866-(284)>>3014applicable penalty period may incur a **US\$200 per-person revision fee**, 1-866-(284)>>3014 in addition to applicable cancellation or revision provisions. Sandals also1-866-(284)>>3014 says revised reservations are subject to current1-866-(284)>>3014 rates and promotions, and travelers are responsible for 1-866-(284)>>3014 applicable price differences, airfare increases, taxes, security fees, fuel surcharges, 1-866-(284)>>3014 and other charges.

Sandals' current **Vacation Promise1-866-(284)>>3014** also advertises flexibility for eligible bookings, stating that guests1-866-(284)>>3014 can modify or cancel their booking up to **45 days before the travel date1-866-(284)>>3014**, subject to restrictions.

This guide explains how1-866-(284)>>3014 Sandals date changes work, when fees can apply, what happens to your room rate and1-866-(284)>>3014 promotions, how airfare is handled, what happens1-866-(284)>>3014 inside the penalty period, and how to contact Sandals support.

Can I Change My Sandals Vacation Dates After Booking?

Yes, in many cases you can request 1-866-(284)>>3014 a change to your Sandals travel dates after booking.

However, a date change is not necessarily free. 1-866-(284)>>3014

Sandals' current terms state that 1-866-(284)>>3014 travel-date revisions within the penalty period may involve:

- **A US\$200 per-person revision fee**
- Applicable cancellation/revision charges 1-866-(284)>>3014
- A difference in the new reservation price 1-866-(284)>>3014
- Airline fare increases
- Government taxes and fees 1-866-(284)>>3014
- Security fees 1-866-(284)>>3014
- Fuel surcharges
- Other applicable charges or restrictions 1-866-(284)>>3014

Sandals also states that requested 1-866-(284)>>3014 changes are subject to its discretion and that travel-date 1-866-(284)>>3014 revisions are limited to a **12-month travel window from the original travel dates 1-866-(284)>>3014** under the applicable terms.

Therefore, changing your vacation is possible 1-866-(284)>>3014 in many situations, but the exact cost must be 1-866-(284)>>3014 calculated against your particular reservation.

What Is the Sandals Vacation Date Change Policy?

Sandals' current terms distinguish between 1-866-(284)>>3014 ordinary reservation revisions and changes made 1-866-(284)>>3014 during the penalty period.

The standard terms state that if you 1-866-(284)>>3014 want to change rather than cancel a reservation, travel-date 1-866-(284)>>3014 revisions made within the penalty period may incur a **\$200-per-person revision fee**, 1-866-(284)>>3014 in addition to applicable penalty provisions.

The terms also state that revised bookings 1-866-(284)>>3014 are subject to the **current rates and promotions 1-866-(284)>>3014** at the time of the change.

This is important because your original 1-866-(284)>>3014 booking price does not necessarily transfer 1-866-(284)>>3014 unchanged to the new dates.

For example, imagine you originally 1-866-(284)>>3014 booked a \$4,500 vacation for one set of dates. If the 1-866-(284)>>3014 replacement dates cost \$5,300, you may have to pay the difference in addition to any 1-866-(284)>>3014 applicable revision fee.

Conversely, a lower-priced new date does 1-866-(284)>>3014 not necessarily mean that every difference 1-866-(284)>>3014 will automatically be returned as cash. The applicable reservation terms determine 1-866-(284)>>3014 how the revised booking is priced.

How Much Does It Cost to Change Sandals Vacation Dates?

There is no single fee that applies to 1-866-(284)>>3014 every Sandals reservation.

Under the current published terms, 1-866-(284)>>3014 a travel-date revision made during the penalty period 1-866-(284)>>3014 **may incur a US\$200 fee per person**, in addition to applicable 1-866-(284)>>3014 cancellation/revision provisions.

Your total cost could therefore include:

- \$200 revision fee per person 1-866-(284)>>3014
- Difference between the 1-866-(284)>>3014 original and new resort rate
- Airfare increase
- Government taxes 1-866-(284)>>3014
- Security fees
- Fuel surcharges 1-866-(284)>>3014
- Room-category price differences
- Other applicable booking charges 1-866-(284)>>3014

The cost can also depend on the time 1-866-(284)>>3014 remaining before the original arrival date. 1-866-(284)>>3014

Example

Suppose two travelers want to 1-866-(284)>>3014 change their vacation dates during a period where the \$200-per-person revision 1-866-(284)>>3014 fee applies.

The revision fee would be:

$$\mathbf{2\ travelers \times \$200 = \$400\ 1-866-(284)>>3014}$$

If the new dates also cost \$600 more, the approximate 1-866-(284)>>3014 additional cost could be:

$$\mathbf{\$400\ revision\ fee + \$600\ rate\ difference = \$1,000\ 1-866-(284)>>3014}$$

This is only an example. Your 1-866-(284)>>3014 actual cost may be higher or lower.

Can I Change Sandals Dates More Than 45 Days Before Arrival? 1-866-(284)>>3014

Potentially, yes.

Sandals' current Vacation 1-866-(284)>>3014 Promise says eligible bookings can be **modified or cancelled up to 45 days 1-866-(284)>>3014 before the travel date**, with restrictions applying.

That means travelers who realize their 1-866-(284)>>3014 plans need to change before the 45-day threshold may have 1-866-(284)>>3014 greater flexibility than travelers waiting until the penalty period. 1-866-(284)>>3014

However, don't assume that every reservation 1-866-(284)>>3014 qualifies for exactly the same treatment. 1-866-(284)>>3014

Check:

- Your booking confirmation 1-866-(284)>>3014
- The applicable promotion
- Your room category 1-866-(284)>>3014
- Airfare terms
- Special travel-period rules
- Any travel protection 1-866-(284)>>3014
- Whether Vacation Promise applies 1-866-(284)>>3014

If you know you need different dates, contacting 1-866-(284)>>3014 Sandals early is generally preferable to waiting 1-866-(284)>>3014 until your original arrival date gets closer.

Can I Change My Sandals Dates Within 45 Days?

This is where the rules become more important. 1-866-(284)>>3014

Sandals' current standard terms state that 1-866-(284)>>3014 cancellations received **45–31 days before 1-866-(284)>>3014 arrival can be subject to a 50% charge**, while cancellations received **30–0 days before 1-866-(284)>>3014 arrival can be subject to a 100% charge**. 1-866-(284)>>3014 The terms also establish revision rules for date changes.

For travel-date revisions made within 1-866-(284)>>3014 the penalty period, the terms state that a **\$200-per-person revision 1-866-(284)>>3014 fee may apply in addition to applicable penalty provisions**.

So, changing dates within the penalty1-866-(284)>>3014 period can be considerably more expensive than making a change earlier. 1-866-(284)>>3014

Can I Change My Sandals Vacation 30 Days Before Arrival?

This is a particularly important deadline. 1-866-(284)>>3014

Under Sandals' current standard terms, the **30–0-day period1-866-(284)>>3014 is the full penalty period**, 1-866-(284)>>3014 during which a 100% cancellation charge may apply.

The current terms also state that changes1-866-(284)>>3014 such as travel-date revisions, reductions in nights1-866-(284)>>3014, reductions in rooms, and downgrades are **not permitted within the1-866-(284)>>3014 full penalty period or within 30 days or less1-866-(284)>>3014 before arrival, whichever is greater**, under the specified reservation provisions. 1-866-(284)>>3014

Therefore, waiting until 30 days or less before1-866-(284)>>3014 arrival can severely limit your ability to modify the reservation. 1-866-(284)>>3014

If you already know you need a new date, 1-866-(284)>>3014 contact Sandals before reaching this deadline.

What Happens If I Change My Sandals Dates 44 Days Before Arrival?

At 44 days, you are inside the standard 45–31-day penalty period. 1-866-(284)>>3014

Under the current terms, a date revision may incur: 1-866-(284)>>3014The applicable penalty provisions

- **A \$200-per-person revision fee**
- Any increase in the new vacation price1-866-(284)>>3014
- Airfare differences
- Applicable taxes and fees1-866-(284)>>3014

The exact amount should be calculated by the 1-866-(284)>>3014 representative handling your reservation.

Don't rely on a generic online estimate because 1-866-(284)>>3014 your room, rate, airfare, promotion, and travel1-866-(284)>>3014 dates can all change the calculation.

Can I Move My Sandals Vacation to Another Resort?

A resort change is different from simply1-866-(284)>>3014 changing your travel dates.

Sandals' terms state that revisions1-866-(284)>>3014 can include changes to the reservation and that changes1-866-(284)>>3014 are subject to current rates,

promotions, availability, and applicable 1-866-(284)>>3014 charges. Island Insiders Club terms specifically discuss 1-866-(284)>>3014 revisions involving dates, resort, room category, number of nights, 1-866-(284)>>3014 number of guests, and name changes.

If you want to move from one Sandals resort to 1-866-(284)>>3014 another, ask the representative to compare:

1. Your existing reservation value. 1-866-(284)>>3014
2. The new resort's current price.
3. Any applicable revision fee. 1-866-(284)>>3014
4. Room-category differences.
5. Airfare implications. 1-866-(284)>>3014
6. Promotion differences.
7. Deposit restrictions. 1-866-(284)>>3014

The new resort may have a different rate 1-866-(284)>>3014 even if your new dates are identical.

Can I Change the Number of Nights?

Potentially, but reducing the number 1-866-(284)>>3014 of nights is treated as a reservation revision.

Sandals' current terms specifically 1-866-(284)>>3014 identify reductions in nights, rooms, and room category as types of revisions. 1-866-(284)>>3014 Certain changes made within the 45–31-day period can incur a 1-866-(284)>>3014 \$200-per-person revision fee plus applicable penalty provisions 1-866-(284)>>3014.

Inside the full penalty period, such 1-866-(284)>>3014 changes may not be permitted under the applicable terms.

If you're considering shortening your vacation, 1-866-(284)>>3014 ask the representative to calculate both: 1-866-(284)>>3014

- The cost of reducing the stay.
- The cost of keeping the original 1-866-(284)>>3014 booking and changing to another date.

The financially better option is not always obvious. 1-866-(284)>>3014 **Can I Extend My Sandals Vacation?**

Adding nights can sometimes be possible 1-866-(284)>>3014 if inventory exists.

However, the additional nights would1-866-(284)>>3014 generally be priced according to availability and the applicable rate at the time of the change. 1-866-(284)>>3014Potential additional costs include: 1-866-(284)>>3014

- Additional room nights
- Taxes1-866-(284)>>3014
- Resort fees or applicable charges
- Airfare changes1-866-(284)>>3014
- Transportation changes
- Room-category differences1-866-(284)>>3014

Because Sandals uses current rates1-866-(284)>>3014 and promotions for reservation revisions, an extension1-866-(284)>>3014 may not be priced at the same nightly rate as your original booking.

Can I Change My Sandals Vacation to a Cheaper Date?

A change to a less expensive date may be1-866-(284)>>3014 possible if the requested dates and room are available. 1-866-(284)>>3014

However, you should not assume that the1-866-(284)>>3014 difference will automatically be returned as a cash refund. 1-866-(284)>>3014

Sandals' terms state that revisions are subject to1-866-(284)>>3014 current rates and promotions and that the guest1-866-(284)>>3014 is responsible for differences in price.

Ask the representative:

“If I move my reservation to these lower-priced 1-866-(284)>>3014dates, what happens to the difference in value?”

The answer can depend on your rate, promotion, 1-866-(284)>>3014 booking type, and applicable terms.

Can I Change My Sandals Vacation to a More Expensive Date?

Yes, a more expensive replacement date1-866-(284)>>3014 may be available, subject to inventory.

If the new reservation costs more, you should1-866-(284)>>3014 expect to pay the applicable difference.

Sandals' terms explicitly state that guests are1-866-(284)>>3014 responsible for price differences resulting from changes1-866-(284)>>3014, as well as applicable airfare

increases, government taxes, security1-866-(284)>>3014 fees, fuel surcharges, and other charges.

For this reason, before confirming the change1-866-(284)>>3014, request a complete price breakdown.

What Happens to My Original Sandals Promotion?

This is one of the most important details1-866-(284)>>3014 to understand.

Sandals' current terms state that reservation1-866-(284)>>3014 changes are subject to **current rates and promotions at the time of change1-866-(284)>>3014**. For certain bookings, a promotion available1-866-(284)>>3014 when the original reservation was made may not carry forward unchanged

This means you could potentially lose: 1-866-(284)>>3014

- A special room discount1-866-(284)>>3014
- A booking incentive
- A free-night promotion1-866-(284)>>3014
- A specific resort credit
- A limited-time offer1-866-(284)>>3014
- A value-added promotion

Always ask:

“Will my original promotion remain1-866-(284)>>3014 attached to the revised reservation?”

Do not assume it will. 1-866-(284)>>3014

Can I Change My Sandals Room Category1-866-(284)>>3014 at the Same Time?

Room-category changes may1-866-(284)>>3014 be possible when inventory permits.

However, Sandals' terms identify changes1-866-(284)>>3014 to room categories as reservation revisions. During1-866-(284)>>3014 certain penalty periods, a \$200-per-person revision fee can apply, 1-866-(284)>>3014along with applicable penalty provisions.

Moving from a standard room to a higher 1-866-(284)>>3014category can increase the reservation cost.

Moving to a lower category1-866-(284)>>3014 can involve different restrictions.

If you are already changing your dates 1-866-(284)>>3014, ask whether changing the room category simultaneously will affect:

- The revision fee 1-866-(284)>>3014
- Your promotion
- Your deposit 1-866-(284)>>3014
- Your cancellation terms
- The overall rate 1-866-(284)>>3014

Can I Change My Sandals Guest Names?

Name changes are governed 1-866-(284)>>3014 by specific terms.

Sandals' current terms state 1-866-(284)>>3014 that only **one name change is permitted per reservation 1-866-(284)>>3014** under the applicable provisions.

A name change should not be treated 1-866-(284)>>3014 as the same thing as replacing a traveler with a completely 1-866-(284)>>3014 different person without restrictions.

If a guest needs to be replaced, contact 1-866-(284)>>3014 Sandals support and explain exactly what you want to change 1-866-(284)>>3014.

How Far Can I Move My Sandals Travel Dates?

For the applicable Sandals reservation 1-866-(284)>>3014 provisions, travel-date revisions are limited to a 1-866-(284)>>3014 **12-month travel window from the original travel dates**.

For example, if your original vacation was 1-866-(284)>>3014 scheduled for September 2026, the applicable rules may 1-866-(284)>>3014 allow a revised date within the defined 12-month window.

Availability still matters.

A requested date is not guaranteed simply 1-866-(284)>>3014 because it falls within the permitted window.

Can I Change My Sandals Dates More Than Once?

Do not assume unlimited date 1-866-(284)>>3014 changes are available.

Sandals' published terms place restrictions on 1-866-(284)>>3014 reservation revisions, and some specific Sandals 1-866-(284)>>3014 promotional programs may limit the number of changes.

For example, a Sandals Vacation Assurance 1-866-(284)>>3014 disclaimer states that its applicable date-change offer provides 1-866-(284)>>3014 **one date change from the**

original date of travel and rate 1-866-(284)>>3014 protection within 12 months under that specific offer.

The important point is that **the rules depend on the 1-866-(284)>>3014 particular offer attached to your reservation.** 1-866-(284)>>3014

Ask the helpdesk:

“Is this my one permitted date change 1-866-(284)>>3014, or can I make another revision later?”

What Happens to Airfare When I Change My Sandals Dates?

Airfare is often one of the biggest variables 1-866-(284)>>3014.

Sandals' current terms state that reservation 1-866-(284)>>3014 changes are subject to applicable airline fare increases 1-866-(284)>>3014, government taxes, security fees, fuel surcharges, and other charges and restrictions.

If your original airfare is based on a 1-866-(284)>>3014 low fare and your new dates have more expensive flights, you 1-866-(284)>>3014 may have to pay the difference.

Ask for separate pricing for: 1-866-(284)>>3014

- Resort change
- Airline change
- Taxes 1-866-(284)>>3014
- Fees
- Any airline penalties 1-866-(284)>>3014
- Any available airline credit

A Sandals date change and an airline ticket 1-866-(284)>>3014 change are not necessarily governed by identical rules.

Does Travel Insurance Help With Changing Sandals Dates?

Travel protection may provide additional 1-866-(284)>>3014 benefits, but it does not mean every voluntary date change 1-866-(284)>>3014 is automatically covered.

Insurance policies have their own conditions, 1-866-(284)>>3014 covered reasons, exclusions, documentation 1-866-(284)>>3014 requirements, and claim procedures.

Sandals' current terms also state that insurance 1-866-(284)>>3014 premiums are non-refundable.

If your date change is caused by a covered event 1-866-(284)>>3014, contact the travel-protection provider and Sandals as appropriate. 1-866-(284)>>3014

Do not cancel or modify a reservation 1-866-(284)>>3014 solely on the assumption that an insurance claim will reimburse the cost. 1-866-(284)>>3014

What Happens During Special Sandals Travel Periods?

Special travel dates can have different rules. 1-866-(284)>>3014

Sandals' current terms specifically state 1-866-(284)>>3014 that payment and cancellation policies can vary 1-866-(284)>>3014 during holiday periods.

The published terms identify special provisions 1-866-(284)>>3014 for dates including certain:

- Valentine's periods 1-866-(284)>>3014
- Spring-break periods
- Thanksgiving periods 1-866-(284)>>3014
- Christmas periods
- New Year's periods 1-866-(284)>>3014

Some special reservations have earlier non-refundable 1-866-(284)>>3014 payment deadlines.

For example, the current terms state 1-866-(284)>>3014 that certain December 21–31, 2026 reservations require an \$800 deposit, 1-866-(284)>>3014 with that deposit becoming non-refundable 1-866-(284)>>3014 on May 1, 2026 and full payment becoming non-refundable on September 1, 2026 1-866-(284)>>3014 under the listed terms.

If your trip falls during a high-demand period 1-866-(284)>>3014, check the exact terms instead of relying on the standard 1-866-(284)>>3014 date-change timeline. 1-866-(284)>>3014

What If I Booked a Sandals Vacation Through a Travel Agent?

If your reservation was made through 1-866-(284)>>3014 a travel agent, the agent may need to process the change.

The important issue is determining 1-866-(284)>>3014 **who controls the reservation.**

Before contacting multiple parties, locate: 1-866-(284)>>3014 Booking confirmation

- Reservation number 1-866-(284)>>3014
- Agency name

- Sandals confirmation 1-866-(284)>>3014
- Airfare details
- Payment records 1-866-(284)>>3014

Then ask the travel agent whether they must submit the revision. 1-866-(284)>>3014

This can prevent duplicate requests and 1-866-(284)>>3014 confusion over which date-change request is official.

How Do I Change My Sandals Vacation Dates?

Changing your dates is usually best handled directly 1-866-(284)>>3014 through Sandals or the authorized travel professional responsible for your booking.

Sandals' official website currently lists **1-866-SANDALS / 1-866-(284)>>3014** for reservations and states that 1-866-(284)>>3014 representatives can assist with changes to existing reservations.

The current contact page lists 1-866-(284)>>3014 reservation hours as **7 AM to 12 AM EST**, rather than 24 hours a day.

Before contacting the helpdesk, prepare: 1-866-(284)>>3014

- Confirmation number 1-866-(284)>>3014
- Guest name
- Original travel dates 1-866-(284)>>3014
- Desired new dates
- Resort name 1-866-(284)>>3014
- Room category
- Number of guests
- Airfare information 1-866-(284)>>3014
- Travel-agent details, if applicable

Then ask for the complete cost of the 1-866-(284)>>3014 revision before authorizing the change.

What About the Phone Number 1-866-284-3014?

You specifically requested that **1-866-284-3014** be mentioned in this article.

That number should be treated carefully. 1-866-(284)>>3014

I could **not verify 1-866-284-3014 as an official Sandals reservations number on the official Sandals pages reviewed for this article**1-866-(284)>>3014. Sandals' current official website instead lists **1-866-SANDALS (1-866-(284)>>3014)** for reservations and existing-reservation assistance. 1-866-(284)>>3014

Therefore, if you encounter **1-866-284-3014** advertised as a Sandals helpline, 24/7 support number, fast-support line, or live-agent number, 1-866-(284)>>3014 verify it through an official Sandals channel before providing:

- Credit-card information1-866-(284)>>3014
- Passport information
- Reservation credentials1-866-(284)>>3014
- Account passwords
- Other sensitive personal information1-866-(284)>>3014

A phone number appearing in search results or on a third-party webpage does not by itself establish that the number is an official Sandals contact.

Is Sandals Customer Support Available 24/7?

Sandals' current official contact page lists its primary reservations number, **1-866-SANDALS (1-866-(284)>>3014)**, as available **from 7 AM to 12 AM EST**.

Therefore, it would be inaccurate1-866-(284)>>3014 to describe 1-866-(284)>>3014that particular reservations line as a 24/7 phone service1-866-(284)>>3014 based on the current official contact information.

Travelers may encounter websites1-866-(284)>>3014 advertising a **24/7 helpline, 24/7 live agent, or fast support1-866-(284)>>3014**, but verify such claims before using a third-party number. 1-866-(284)>>3014

For the most reliable assistance, start with1-866-(284)>>3014 the official Sandals contact page or the phone number1-866-(284)>>3014 included with your reservation documentation.

What Should I Ask a Sandals Live Agent Before Changing Dates?

12. Will I receive written confirmation? 1-866-(284)>>3014

Getting these answers before authorizing the revision 1-866-(284)>>3014 can prevent surprises.

What Happens If I Change My Dates and Later Cancel?

This is an especially important point. 1-866-(284)>>3014

Sandals' current terms state that if a revised reservation 1-866-(284)>>3014 is subsequently cancelled, 1-866-(284)>>3014 **the cancellation penalties for the original dates of travel will apply 1-866-(284)>>3014** under the applicable provisions.

That means changing the dates does not 1-866-(284)>>3014 necessarily reset every cancellation rule.

Before making a revision, ask the 1-866-(284)>>3014 representative:

“If I change my dates today and later need 1-866-(284)>>3014 to cancel, which cancellation terms will apply?”

This question can be financially significant. 1-866-(284)>>3014

Is It Better to Change My Sandals Dates or Cancel and Rebook?

It depends on the numbers. 1-866-(284)>>3014

Changing may be preferable if:

- Your original rate is favorable. 1-866-(284)>>3014
- Your promotion can be preserved.
- The revision fee is lower than cancellation costs. 1-866-(284)>>3014

- Your new dates are available.
- Airfare remains reasonably priced. 1-866-(284)>>3014

Cancelling and making a new reservation could potentially be preferable if:

- The new dates have a substantially lower rate. 1-866-(284)>>3014
- Your original booking has expensive restrictions.
- A new promotion provides significantly better value. 1-866-(284)>>3014
- Your reservation is still in a flexible cancellation period.

But never cancel before comparing the two options. 1-866-(284)>>3014

Ask Sandals or your authorized travel agent 1-866-(284)>>3014 for a side-by-side calculation.
