Karen C. thanked everyone who helped make the 3rd and 4th of July a success. Lisa Baton did a great job organizing everything.

Mayor Baton reported on his meeting with the County Commissioners and the Mayors from several municipalities. They are considering placing an ambulance in our facility, Mantua and Honeyville. The County will hire and pay full time EMT's and provide schooling for them to become paramedics. This is all still being discussed and would require a roof top fee from those in unincorporated Box Elder County. The Commissioners want to make it final before they are out of office.

Mayor Baton read a card the city received from Marian Danielson. She thanked the city for recognizing her as the Honorary Historian of Corinne City. The card will be placed on the counter for everyone to view.

Karen C. was asked why residents in West Corinne are not represented on the Council. She explained you have to live in the municipal boundaries of the city.
