Dear Mayor Talerico and Members of the Eatontown Borough Council,

"Monmouth's Closet" serves as a resource for our student body, providing high-quality clothing at no cost to students in financial need. By repurposing donated items, we not only support our peers but also promote a culture of sustainability and community care within Monmouth Regional High School.

As our inventory grows, our current storage solutions have become inadequate. Proper shelving and display cases are essential for:

- **Dignity:** Creating a boutique-like environment, reducing the stigma often associated with charitable services.
- **Efficiency:** Allowing student volunteers to quickly sort, categorize, and restock items.
- **Preservation:** Ensuring donated clothing remains clean, wrinkle-free, and in good condition.

We are requesting a total of **\$500** to procure the specific shelving units and display cases outlined in the attached documentation. These items were selected for their durability and ease of assembly within our designated space. This one-time investment in infrastructure will allow "Monmouth's Closet" to operate effectively for years to come, ensuring that every student has access to the clothing they need to feel confident and prepared for school.

We hope the committee sees the value in this request and its direct impact on student well-being. Thank you for your time and for your continued support of our students.

Respectfully,

Brian Evans
