Dear Mr. Alcott,

The Community Benefits Advisory Committee is in receipt of your letter dated May 13, 2026, wherein you requested \$56,600 to be used for various items including new couches, a beverage fridge, basketball net, trip to a Blue Claws and MLB game, Xbox, TV and deep fryer. The CBA Committee recognizes the time your members spend away from your families and acknowledges that a welcoming and comfortable environment where volunteers can gather in the Fire House benefits the entire community. It is increasingly challenging to attract and retain volunteers with your level of training and commitment. Offering morale boosters is very important for the future success of the Fire Department.

The Committee did not approve the building sign and exterior lighting as we believe that significant Capital requests should be made by the Administrator or Borough Council. We did not approve the request for station uniforms because we felt that pricing may be better if uniforms were ordered in bulk with the Eatontown Volunteer Ambulance Corps who also requested funding for uniforms in their letter. In the future, we can revisit these requests.

The Community Benefits Advisory Committee is charged with overseeing the implementation of the Community Benefits Agreement between the Borough of Eatontown, Netflix and the New Jersey Economic Development Authority. In this regard, it considered your request at its meeting of May 19, 2026, found it to be a locally prioritized community benefit and approved an award of \$19,000.

Please sign below indicating your intention to: (1) use the funds as stated in your request dated May 13, 2026 and (2) return to the Borough any funds that are not expended for the stated purposes.

Thank you,

Anthony Talerico, Jr.
Mayor
