Thank you Chief

Memorializing our discussion: the request is for the trailer and the canopy which total approximately \$44,000. In addition, the PD and PBA intend to grow the National Night Out event and wish to request \$10,000 for program enhancements to be used over the course of several years. Lastly, the request is for \$6,000 for funding of various initiatives of the PBA where they engage with the public. Some of these include meetings and events in the Senior Building, participation at Eatontown Day, various recreation events, and Coffee with the Cop days. The department is looking to grow the types and frequency of these types of events. This funding will facilitate that growth. Request total \$60,000.

I also included a canopy quote. Also, if you wanted to do an "event" amount as well that could be utilized for several years that would be great!

Thanks!

Good morning Chief,

In reference to our previous conversation about a new PBA trailer, I have attached some layout plans and quotes. From my understanding after speaking with the trailer upfitting companies, the trailers will run upwards of \$30,000 including the standard kitchen equipment, fire suppression, and other accessories. Most of the companies I have contacted are New Jersey based. I do have additional plans, so if you have any questions, please let me know.

Thank you,

Andrew Huisman

Dear Andrew Huisman,

The Community Benefits Advisory Committee is in receipt of your email dated May 11, 2026, wherein you requested \$60,000 to be used toward the purchase of a trailer and its extensive upfitting as well as a canopy for PBA functions. The Police Chief also discussed separately the PBA's commitment to National Night Out and increasing public programming such as Coffee with a Cop, Pizza with the Police and other ways your organization can interact with the community.

The Community Benefits Advisory Committee is charged with overseeing the implementation of the Community Benefits Agreement between the Borough of Eatontown, Netflix and the New Jersey Economic Development Authority. In this regard, it considered your request at its meeting of May 19, 2026, found it to be a locally prioritized community benefit and approved your request.

Please sign below indicating your intention to: (1) use the funds as stated in your email dated May 11, 2026 and (2) return to the Borough any funds that are not expended for the stated purposes.

Thank you,
