Dear Ms. Cummings,

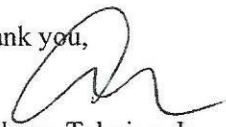

The Community Benefits Advisory Committee is in receipt of a letter dated May 13, 2026 from EMS Captain Kevin Kawas, wherein he requested \$71,800 to be used for various items such as CPR equipment with an associated storage cabinet, File for Life Medical History Forms for the community and Blue Claws tickets. Outside of the letter, Kevin told me that the CPR equipment he is looking to purchase contains a higher level of technology which provides better feedback for those learning CPR. In other words, it makes the training scenarios more realistic. It is increasingly challenging to attract and retain volunteers with your level of training and commitment. Offering sophisticated training and morale boosters is very important for the future success of the First Aid Squad.

The Committee did not approve the exterior lighting as we believe that significant Capital requests should be made by the Administrator or Borough Council. We did not approve the request for dress uniforms because we felt that pricing may be better if uniforms were ordered in bulk with the Engine Truck and Hose Company who also requested funding for uniforms in their letter. Also, we did not approve funding for the EMT Bags for personal vehicles because no explanation was given as to the difference between that equipment and the equipment already provided to the squad. We didn't approve the recruitment video and new website because the cost for your website is greater than the Borough's own website. Perhaps better pricing can be found? In the future, we can revisit these requests.

The Community Benefits Advisory Committee is charged with overseeing the implementation of the Community Benefits Agreement between the Borough of Eatontown, Netflix and the New Jersey Economic Development Authority. In this regard, it considered your request at its meeting of May 19, 2026, found it to be a locally prioritized community benefit and approved an award of \$19,000.

Please sign below indicating your intention to: (1) use the funds as stated in Captain Kawas's request dated May 13, 2026 and (2) return to the Borough any funds that are not expended for the stated purposes.

Thank you,

Anthony Talerico, Jr.
Mayor
