Good day Eatontown Community Benefits Committee Members,
The Girl Scouts of Eatontown have come together and multiple troops are looking to complete independent community service projects as well as an enrichment activity. They're looking forward to filling needs within own Eatontown community and continuing to drive passion for service and deepen Girl Scout relationships with their fellow Girl Scout Sisters through these shared experiences. We are seeing a decline in retaining girls especially in middle and high school as one of the most significant challenges and successes within Girl Scouts. These enrichment activities will serve as both a reward for their dedication and a strategic investment in continued participation, leadership development and troop cohesion building lasting unforgettable memories tied to their time with Girl Scouts.

Girl Scout Junior Troop 61224 are first year Juniors in 4th grade

Service Project - Junior troop is working on earning their bronze award and decided to focus their project around helping animals, in particular helping those in our local Eatontown MSPCA. Requesting \$650.00 to purchase items off of the MSPCA's wishlist. The girls will learn to set a budget, collaborate on which items are most important for the animals and fulfill the shelter's needs.

Enrichment Activity - Junior troop is looking to fulfill one of their long time wish list items, to go to an aerial yoga class. This class is an incredible opportunity for the girls to improve their physical strength, flexibility, coordination and most importantly help build their confidence. It's also a super fun way to help the girls stay active while also teaching them how to have patience while they learn something new. After the class they will enjoy a dinner and an ice cream treat. Requesting \$750.00 to cover all cost for the 11 girls in the troop.

Girl Scout Cadette Troop 60761 are a mixed troop from 6-8th graders

Service Project - Cadette troop is looking to design and install a whimsical Fairy Garden Trail in one of Eatontown's public parks. This will be an interactive hands-on community event where participants will create miniature fairy garden structures. This event fosters creativity, teamwork and leadership among participating girls. While also introducing prospective families to the Girl Scout experience. While also enhancing a local park, making it interactive with unique features creating an attraction for residents increasing interest in visiting our local parks. Requesting \$850 for materials such as structures, anchors, tools, paint, sealant, decor, etc. as well as an ice cream social for all in attendance.

Enrichment Activity - Cadette troop is looking to attend an educational and memorable trip to Salem, Massachusetts. The trip will be across 2-3 days including: guided historical tours, museums, group bonding activities and team building exercises while staying at a Girl Scout Camp. Requesting \$3,500.00 to help subsidize cost of transportation, lodging, meals, activities, admission to attractions, etc for the 12 girls in the troop.

Girl Scout Senior Troop 60762 are a mixed troop of 8th and 9th graders

Service Project - Senior troop is looking to fulfill the needs of our local residents that depend on donations given to the local Eatontown Pantry. The government provided SNAP program does not cover many essentials such as: soap, shampoo, conditioner, cleaning products, toilet paper, baby wipes, diapers (both baby and adult), etc. By having the girls set a budget, shop the sales and learn to purchase every day essential items teaching them crucial life skills while connecting their hearts and actions to their community and those that are less fortunate that turn to the generosity of their neighbors. To make an impactful difference, the troop is requesting \$1,000.00. If funds can continue to be ear marked for this initiative, the Troop would also love to continue this on a quarterly basis and be the shoppers for the pantry.

Enrichment Activity - Senior troop looking to have an interactive experienen (such as a broadway show, gaming day, or something similar), have a meal together and end off the day with a sweet treat. This troop of 4 girls is requesting \$900.00.

Girl Scout Ambassador Troop 60491 are 11th graders

Service Project - Ambassador troop is looking to provide our local Eatontown pantry with access to items that are typically not donated and essential to female care and health. Feminine hygiene products are crucial for every female that has reached this point in their life. By filling this need it will lighten the burden of the high financial cost that these products go for. As these items are costly and required monthly, the troop is requesting \$1,000.00. If funds can continue to be ear marked for this initiative, the Troop would also love to continue this on a quarterly basis and be the shoppers for the pantry.

Enrichment Activity - Ambassador troop looking to have an interactive experienen (such as a broadway show, gaming day, or something similar), have a meal together and end off the day with a sweet treat. This troop of 3 girls is requesting \$675.00.

We thank you in advance for your review and consideration of the above proposals as the girls look to make a significant difference in their communities.

Kindest regards

Alcina Santos - Girl Scout Troop Leader
Troop 60491 & 60762

Treasurer
Eatontown Girl Scouts

Dear Ms. Linder,

The Community Benefits Advisory Committee is in receipt of an email dated May 18, 2026 from Girl Scout Troop Leader Alcina Santos wherein she requested \$9,325 on behalf of four different Eatontown Girl Scout Troops. For each of the troops there is a financial request to support a service project and an enrichment activity.

The Community Benefits Advisory Committee is charged with overseeing the implementation of the Community Benefits Agreement between the Borough of Eatontown, Netflix and the New Jersey Economic Development Authority. In this regard, it considered Ms. Santos' request at its meeting of May 19, 2026, found it to be a locally prioritized community benefit and approved an award in the amount of \$9,500. We funded all service projects and then allocated enrichment funding in the amount of \$200 for each girl to support campership. The awards are broken out as follows:

Troop	Service Project Funds	Enrichment Funds	Total
Troop 61224	\$650	\$200 * 11 girls = \$2,200	\$2,850
Troop 60761	\$850	\$200 * 12 girls = \$2,400	\$3,250
Troop 60762	\$1,000	\$200 * 4 girls = \$800	\$1,800
Troop 60491	\$1,000	\$200 * 3 girls = \$600	\$1,600

Please sign below indicating your intention to: (1) use the funds as outlined above and (2) return to the Borough any funds that are not expended for the stated purpose.

Thank you.

Anthony Talerico, Jr.
Mayor
