Hi Maria,

Here is the list of reno/repairs. The estimates are just that. I spoke to Fred and these are the numbers we came up with.

Dear Barbara,

The Community Benefits Advisory Committee has reviewed your email dated May 22, 2026, wherein you requested \$665,000 for various renovations and repairs to the library. The CBA Committee has made the informal decision to not approve significant capital expenditures unless they are requested by the Administrator or Governing Body.

Even though this request for renovations and repairs was denied, we wanted to encourage you and the Library Board of Trustees to consider making another request for programming funds which would benefit the community and advance the mission of the library. We are happy to consider your next request.

I know the Library Board of Trustees is meeting tomorrow. I hope you will share my letter with them and begin considering programming ideas for the library and its outreach in the community.

We look forward to working with you.

Thank you,

Anthony Talerico, Jr.
Mayor
