Good morning, Mayor Talerico,
I hope that you are doing well.

I have attached the updated quote for the sound system upgrade for the Monmouth Regional High School Performing Arts Center. After an on-site visit to our location, the sound company made a few modifications to their original plan which caused an increase to the final quote.

I am hopeful that the committee can review the quote and approve the funding for this project. As you know, The MRHS PAC serves as far more than a school facility. Throughout the year, it hosts student performances, concerts, theatrical productions, awards ceremonies, community events, public meetings, and programs that bring together residents from across our community. As we previously spoke about, we both want the MRHS PAC to truly be the hub for performing arts and serve as a valuable community asset.

Thank you for your time and consideration.
Sincerely,
Brian Evans

Dear Mr. Evans,

The Community Benefits Advisory Committee is in receipt of your letter dated June 16, 2026, wherein you presented a quote for \$30,888.60 for the purchase and installation of the microphones and speakers you previously requested by letter dated February 16, 2026. As a result of that letter, the CBA Committee awarded Monmouth Regional High School \$25,000. Based on further discussions with your teachers and the vendor, it has been determined that the actual cost would be \$30,888.60 thus necessitating a follow-up request.

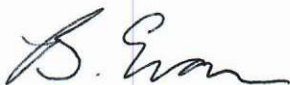

The Community Benefits Advisory Committee is charged with overseeing the implementation of the Community Benefits Agreement between the Borough of Eatontown, Netflix and the New Jersey Economic Development Authority. In this regard, it considered your request at its meeting of June 22, 2026, found it to be a locally prioritized community benefit and approved your request. Because \$25,000 was already approved, this approval is for the increased amount of \$5,888.60. The total amount awarded between the two requests is \$30,888.60.

Please sign below indicating your intention to: (1) use the funds as stated in your letter dated June 16, 2026, and (2) return to the Borough any funds that are not expended for the stated purpose.

Thank you,

Anthony Talerico, Jr.
Mayor
