RESOLUTION 125-2023 - RESOLUTION URGING THE LEGISLATURE TO FULLY RESTORE THE ENERGY TAX RECEIPTS PROPERTY TAX RELIEF FUND TO MUNICIPALITIES

WHEREAS, taxes on gas and electric utilities were originally collected by the host municipalities to be used for local purposes and to compensate the public for the use of their rights of way; and

WHEREAS, when the State made itself the collection agent for these taxes, it promised to dedicate the proceeds to municipal property tax relief; since, just as municipalities collect property taxes for the benefit of school districts, counties, and other entities, the State is supposed to collect Energy Taxes for the benefit of municipal governments; and

WHEREAS, for years, though, State budget makers have diverted funding from Energy Taxes to fund State programs; and instead of being spent on local programs and services and used to offset property taxes, the money has been spent as successive Legislatures and Administrations have seen fit; and

WHEREAS, the diversion of dedicated energy tax receipts to the State's General Fund further jeopardizes this critical property tax relief funding in future years; and

WHEREAS, the cumulative impact of years of underfunding has left many municipalities with serious needs and burdensome property taxes; and

WHEREAS, the 2023 Fiscal Year New Jersey State budget included a \$75 million allocation in new funds identified as the Municipal Relief Fund which was a positive first step in the right direction after years of neglecting the restoration of crucial funding, but a one-time allocation does not address the ever-growing financial gap; and

WHEREAS, the allocation of over \$350M into the 2024 Fiscal Year New Jersey State budget for municipalities would restore funding back to 2008 levels which has been annually diverted from dedicated municipal funding programs; and

WHEREAS, the Governor and the Legislature will be adopting the State of New Jersey's 2024 budget and the New Jersey State League of Municipalities, the New Jersey Conference of Mayors, the New Jersey Urban Mayors Association have all sent a letter to the State of New Jersey requesting the full restoration of the Energy Tax Receipts funding owed to municipalities; and

WHEREAS, the Borough Council believes it is in the best interest of the Borough, the County of Monmouth, and the State of New Jersey that the Legislature fully restore the Energy Tax Receipts Property Tax Relief Fund because it has been always been intended to fund local programs for local use by municipalities because local elected officials are in the best position to decide the best use of these resources.

NOW, THEREFORE, BE IT RESOLVED, by the Borough Council of the Borough of Eatontown, County of Monmouth that it hereby joins in the request of over 400 municipalities, the League of Municipalities, the New Jersey Conference of Mayors, the New Jersey Urban Mayors Association in urging the Governor and the Legislature to fully restore the Energy Tax Receipts Property Tax Relief Fund as part of the 2024 Fiscal Year New Jersey State budget.

BE IT FURTHER RESOLVED that a certified copy of this Resolution shall be sent to the following:

1. Hon. Phillip Murphy, Governor
2. Hon. Craig Coughlin, Speaker of the New Jersey Assembly
3. Hon. Nicholas Scutari, Senate President
4. Monmouth County Legislative Delegation
