Section 1. The improvements described in Section 3 of this bond ordinance are hereby authorized as general improvements to be undertaken in and by the Borough of Eatontown, in the County of Monmouth, New Jersey (the "Borough"). WHEREAS, the Unpledged Annual Service Charge, as such term is defined in each Financial Agreement, relating to the applicable portion of the Project, shall be retained by the Borough for its use in its sole discretion, following payment of the required share to the County of Monmouth, as required by N.J.S.A. 40A:20-12; and

WHEREAS, the Borough made the following findings:

In accordance with the Tax Exemption Law, specifically N.J.S.A. 40A:20-11, the Borough hereby finds and determines that the Financial Agreements are to the direct benefit of the health, welfare and financial well-being of the Borough and its citizens because it allows for the development of a property that has fallen into disrepair into a productive, useful and job-creating property, and further:

(a) *The Project will help revitalize and/or repurpose underutilized land, will invigorate the Project Site and surrounding community, will create approximately three hundred fifty (350) construction jobs and three hundred (300) new permanent jobs in connection with the operation of the Project, will improve the quality of life in the community, and will enhance the economic development of the Borough. In addition, 12.5% of the rental units actually built (approximately 125 units, which count may vary depending on the actual number of residential units built) will be deed restricted for very low-, low- and moderate-income households in furtherance of the FSHC Settlement; and*

(b) *Without the tax exemption granted herein it is highly unlikely that the Project would otherwise be undertaken, as a source of funding all or a portion of the costs thereof, other than from the proceeds of the Redevelopment Area Bonds, would not otherwise be available; and*

WHEREAS, the Borough has determined to authorize the execution and delivery of the Financial Agreements in order to set forth the terms and conditions under which the respective Entities and the Borough (collectively, the "Parties") shall carry out their respective obligations with respect to (a) payment of the Annual Service Charge, as that term is defined in the respective Financial Agreement, by the respective Entity, in lieu of real property taxes, and (b) issuance of the respective tranches of Redevelopment Area Bonds by the Borough and provision for repayment thereof by the respective Entities; and **WHEREAS**, each of the Entities either owns or will own its respective portion of the Project Site, each is qualified to do business under the provisions of the Tax Exemption Law, and each has joined in the submission to the Mayor of the Exemption Application, which is on file with the Office of the Borough Clerk, requesting a tax exemption for the Project; and **WHEREAS**, the Borough wishes to approve the execution and delivery of a Financial Agreement, each pertaining to a specific portion of the Project and the Project Site and one or more specific tranches of the Redevelopment Area Bonds, with each Entity (collectively, the "Financial Agreements"), forms of which are on file in the office of the Borough Clerk (capitalized terms not defined herein shall have the meaning assigned to such terms in the Financial Agreements); and **WHEREAS**, the Mayor has submitted the Exemption Applications (including forms of the requested Financial Agreements) to the Borough Council, together with his written recommendation of approval (the "Mayor's Recommendation"), a copy of which is on file in the office of the Borough Clerk; and

WHEREAS, the Borough further wishes to approve the execution and delivery of one or more Pledge and Assignment Agreements with the Borough's bond trustee(s) (each, a "Pledge Agreement"), a form of which is on file in the office of the Borough Clerk, which Pledge Agreement(s) will provide for, inter alia, the pledge and assignment of the Pledged Annual Service Charge allocable to each portion of the Project to the Borough's bond trustee(s), as security for the payment of debt service on the allocable tranche of Redevelopment Area Bonds; and

WHEREAS, the terms of any bond resolution or trust indenture to be entered into by the Borough in connection with the issuance of each tranche of the Redevelopment Area Bonds will provide terms and provisions relating to the disbursement of proceeds of such Redevelopment Area Bonds to the respective Entity or its agent.

NOW, THEREFORE, BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF EATONTOWN, IN THE COUNTY OF MONMOUTH, NEW JERSEY, AS FOLLOWS:

1. The Entities are hereby designated to act, together with or on behalf of the Redeveloper, as redevelopers for their respective portions of the Project, in accordance with the Redevelopment Plan, the Redevelopment Agreement and the plans and specifications contained in the Exemption Applications, subject to the conditions and as more fully set forth in the forms of Financial Agreement, copies of which have been presented to this meeting and are on file in the office of the Borough Clerk.

2. The Borough Council hereby finds and determines that the Financial Agreements are to the direct benefit of the health, welfare and financial well-being of the Borough and its citizens because they allow for the development of a property that has fallen into disrepair into a productive, useful and job-creating property, and further (a) the Project will help revitalize and/or repurpose underutilized land, will invigorate the Project Site and surrounding community, will create approximately three hundred fifty (350) construction jobs and three hundred (300) new permanent jobs in connection with the operation of the Project, will improve the quality of life in the community, and will enhance the economic development of the Borough, (b) 12.5% of the rental units actually built (approximately 125 units, which count may vary depending on the actual number of residential units built) will be deed restricted for very low-, low- and moderate-income households in furtherance of the FSHC Settlement, and (c) without the tax exemption granted herein it is highly unlikely that the Project would otherwise be undertaken, as a source of funding all or a portion of the costs thereof, other than from the proceeds of the Redevelopment Area Bonds, would not otherwise be available.

3. An exemption from taxation is hereby granted to each Entity with respect to the Improvements (as defined in the respective Financial Agreement) and, in the case of the residential component of the Project only, the Land

Such exemption shall extend to each subsequent Owner (as defined in the respective Financial Agreement), and shall commence and terminate on such dates as set forth in the respective Financial Agreement, but in no event shall the tax exemption commence until the ASC Commencement Date (as such term is defined in the respective Financial Agreement), nor extend beyond the earlier of (i) thirty (30) years from the ASC Commencement Date or (ii) such number of years from the date of execution of the respective Financial Agreement (not forty-five (45) years) as specified therein, and only so long as the respective Owner remains subject to and complies with the respective Financial Agreement and the Tax Exemption Law. To the extent of any inconsistency with any prior Borough ordinance and/or Municipal Code provision governing the granting of long-term tax exemptions, including, inter alia, procedures for application, review and approval, required terms of the financial agreement, required conditions and covenants, limits on duration, means of enforcement, and all other matters whatsoever, such prior Borough ordinances and/or Municipal Code provisions are hereby waived (or, alternatively, shall be deemed to be amended and/or superseded by this ordinance) to the extent of such inconsistency, but only with respect to this Ordinance.

9. The Authorized Officers of the Borough are hereby further severally authorized and directed to (i) execute and deliver, and the Borough Clerk is hereby further authorized and directed to attest to such execution and to affix the corporate seal of the Borough to, any document, instrument or certificate deemed necessary, desirable or convenient by the Authorized Officers or the Borough Clerk, as applicable, in their respective sole discretion, after consulting with the Borough's Redevelopment Counsel, to be executed in connection with the execution and delivery of the Financial Agreements and the Pledge Agreements and the consummation of the transactions contemplated thereby, which determination shall be conclusively evidenced by the execution of each such certificate or other document by the party authorized hereunder to execute such certificate or other document, and (ii) perform such other actions as the Authorized Officers deem necessary, desirable or convenient in relation to the execution and delivery thereof.

10. This ordinance shall take effect upon final passage and publication in accordance with the laws of the State of New Jersey.

Mr. Hanley further explained that the PILOT will not starve the school district. Mr. Hanley explained the payments will stabilize taxes and commented on their negotiations with the developer to protect the taxpayers as much as possible. Attorney Bayer asked Mr. Hanley what financial information about the proposed development did he receive from the developer. Mr. Hanley responded. Attorney Bayer asked what sort of tests are done that show whether a municipality should consider issuing or approving a PILOT. Mr. Hanley responded. Attorney Bayer asked how much of an investment is the developer making. Mr. Hanley responded. Mayor Talerico asked Mr. Hanley if anyone else could get a PILOT or if there is someone from the state that reviews the qualifications. Mr. Hanley responded. Attorney Bayer asked Mr. Hanley to explain the payments of bonds. Mr. Hanley responded. Mayor Talerico asked if the Council had any questions. Councilmember Gindi thanked Mr. Hanley for the hard work put in over the last year and a half and explained a PILOT is not as bad as it seems. Mr. Hanley responded. Councilmember Gindi asked Mr. Hanley if the PILOT would take into consideration any revenue growth in property and if there is a CAP. Mr. Hanley responded. Attorney Bayer explained the PILOT percentage is on revenue and the developer would have to provide audited statements. Mr. Hanley agreed. Mayor Talerico asked Attorney Bayer about the financial agreement. Attorney Bayer responded. Councilmember Araman asked if Macy's and the medical building would be affected by the PILOT. Mr. Hanley responded.

Mayor Talerico opened the meeting to brief comments.

Merissa Buczny Reynolds Drive, asked for more clarification on why the Borough is issuing redevelopment area bonds. Mr. Hanley responded. Ms. Buczny asked how they set the threshold for affordable housing. Attorney Bayer responded. Ms. Buczny asked if they knew what the taxes on the site would be without a PILOT. Mr. Hanley responded. Ms. Buczny asked when the project became 1,000 units. Attorney Bayer and Mayor Talerico responded.

Al Baginsky, Irving Place, asked about the PILOT percentages that go to the County and Municipality. Mr. Hanley responded. Mr. Baginsky asked what happens to the space before residents move in. Mr. Hanley and Attorney Bayer responded. Mayor Talerico explained the Borough will not have to pay for any tax appeals. Mr. Baginsky clarified if Kushner would be paying until they get revenue. Mr. Hanley responded. Mr. Baginsky questioned the redevelopment bond. Mr. Hanley and Attorney Bayer responded. Mr. Baginsky asked why Kushner needs a PILOT. Mr. Hanley and Mayor Talerico responded. Attorney Bayer explained the four-year hold due to litigation challenging the land use approval and then the COVID-19 pandemic. Councilmember Gindi explained the schools are still going to get their money.

Bob English, Sandspring Drive, asked for clarification on the developer paying the same amount in taxes for the same number of years they're paying now, and asked how much Kushner is currently paying. Mr. Hanley and Attorney Bayer responded. Mr. English asked how many years they would be paying the PILOT, then questioned year four and five payments. Mr. Hanley responded.

Roy Eisen, Byrnes Lane, asked for clarification on Mr. Hanley's involvement. Mayor Talerico responded. Mr. Eisen asked if Kushner stopped paying taxes and if that's why they filed tax appeals. Mayor Talerico responded. Mr. Eisen explained his approval for the Council to approve Ordinance.

Wanna Chin, Carmel Way, asked if Kushner approached Mr. Hanley. Mayor Talerico responded. Ms. Chin asked what would happen if the Borough rejected the PILOT. Mayor Talerico responded. Attorney Bayer commented on the value of the mall's adjustment to current fair market value. Mr. Hanley responded. Ms. Chin asked if the Council understood that the plan wasn't feasible. Mayor Talerico responded. Ms. Chin asked the Council why they came up with a plan that would not work. Mayor Talerico responded. Councilmember Gindi asked Ms. Chin why she thinks the plan would not work. Ms. Chin responded. Councilmember Gindi asked Mr. Hanley if he has the right to review the PILOT application along with the plan. Mr. Hanley responded. Ms. Chin asked why the developer did not come up with a plan that works for them instead of asking for a PILOT. Mayor Talerico and Attorney Bayer responded. Ms. Chin expressed her feelings towards the plan. Mayor Talerico responded. Ms. Chin explained there is a lot of explanation that needs to be done. Councilmember Gindi responded. Discussion continued between Ms. Chin and Mayor Talerico.

Mr. Scaturchio asked if a request for a PILOT is only available when an area is declared and in need of redevelopment. Attorney Bayer responded. Mr. Scaturchio asked if a PILOT can be 20 years instead of 30 years. Mr. Hanley responded.
