**BOROUGH OF EATONTOWN
COUNTY OF MONMOUTH**

WHEREAS, U.S. Homes at Howard Commons Urban Renewal, LLC (the “Developer”) is the developer of the premises designated as Block 601, Lot 1 and Block 701, Lot 1, on the official tax map of the Borough of Eatontown and located along Pinebrook Road in the Borough of Eatontown, (the “Property”); and

WHEREAS, the Developer has agreed to construct the Project in accordance with the terms set forth in the approved Resolution of the Planning Board and amongst other requirements, the approval was subject to and conditioned upon the execution of a Developer's Agreement between the Borough and the Developer (the "Developer's Agreement"); and

WHEREAS, the Borough Council of the Borough of Eatontown believes it is in the best interests of its residents and taxpayers to enter into the Developer's Agreement with the Developer to ensure construction of the Project in accordance with the approved plans and the terms and conditions required by the Planning Board.

BET IT FURTHER RESOLVED that this approval is conditioned upon the Developer's execution of the Redevelopment Agreement between the Borough and the Developer in a form acceptable to the Borough Attorney and the Borough Administrator.

CERTIFICATION
 I, Julie Martin, Borough Clerk of the Borough of Eatontown do hereby certify this to be a true and exact copy of a resolution adopted by the Governing Body of the Borough of Eatontown, County of Monmouth, State of New Jersey at a regular meeting held on December 4, 2024

 Julie Martin, RMC, Borough Clerk

ORDINANCE 26-2024

BOROUGH OF EATONTOWN

COUNTY OF MONMOUTH, STATE OF NEW JERSEY

ORDINANCE ESTABLISHING THE TIMING OF THE EXPIRATION OF LAND USE APPROVALS

WHEREAS, pursuant to the Municipal Land Use Law, N.J.S.A. 40:55D-1 et. seq. (the “MLUL”), and specifically N.J.S.A. 40:55D-62, the Borough of Eatontown (“Borough”) is authorized to adopt and amend zoning ordinances and standards; and

WHEREAS, the MLUL at N.J.S.A. 40:55D-52 a. provides protection from the change of zoning requirements for site plan and subdivision approvals for two years from the date of the adoption of the Resolution of Approval by the municipal Zoning Board or Planning Board; and

WHEREAS, the Borough wants to encourage property owners and/or developers to timely act upon their land use approvals to further enhance the Borough and as such, the Borough Council believes it is in the best interest of the Borough to provide that after the two year protection from the change in zoning requirements set forth in N.J.S.A. 40:55D-52a.. expires, the land use approval also expires unless an extension is granted pursuant to applicable law and that variances granted by Zoning Boards and Planning Boards under N.J.S.A. 40:55D-70 (c) (d) and N.J.S.A. 40:55D-60 without related site plan or subdivision approvals expire after one year if the applicant or property owner does not act on the approval within that year.; and

NOW THEREFORE BE IT ORDAINED, by the BOROUGH COUNCIL OF THE BOROUGH OF EATONTOWN, IN THE COUNTY OF MONMOUTH, STATE OF NEW JERSEY that Chapter 89, Article V, Application, Review and Approval Procedures is hereby amended creating a new section 89-17.2 entitled “Timing of Expiration of Land Use Approvals” as follows:

§89.17.2 Expiration of Land Use Approvals

A. Expiration of Variances.

Any variance granted by the Zoning Board or Planning Board pursuant to N.J.S.A. 40:55D-70 c or d and/or N.J.S.A. 40:55D-60 from the terms of the Eatontown Land Use Ordinance Chapter 89 without a related subdivision or site plan approval, permitting the erection or alteration of any structure or structures or permitting a specified use of any premises, shall expire by limitation unless substantial construction or alteration shall have been actually commenced on each and every structure permitted by said variance, or unless such use has actually been commenced, within one year from the date of the resolution of approval of the Zoning Board or Planning Board. If the variances were granted as part of a site plan or subdivision approval, then the variances shall expire along with the site plan or subdivision approval in accordance with Section B below. Except, however, that the running of the period of limitation herein provided shall be tolled from the date of filing an appeal from the decision of the Board of Adjustment to the Borough Council, or to a court of competent jurisdiction, until the termination in any manner of such appeal or proceeding.

B. Expiration of Final Site Plan and Subdivision

Final site plan and subdivision approvals by the Zoning Board or Planning Board subject to N.J.S.A. 40:55D-52a. and/or N.J.S.A. 40:55D-46.1 shall expire by limitation after 2 years, unless building permits have been obtained and/or substantial construction or alteration shall have been commenced, or in the case of a subdivision that the plat or subdivision deed has been filed within the time required by N.J.S.A. 40:55D-52.a and/or N.J.S.A. 40:55D-47. However, that the running of the period of limitation herein provided shall be tolled from the date of filing an appeal from the decision of the Board to the governing body, or to a court of competent jurisdiction, until the termination in any manner of such appeal or proceeding.

C. Expiration of Preliminary Site Plan Approval

Preliminary approvals of major site plan and subdivision applications by the Zoning Board and Planning Board shall expire by limitation three years from the date of adoption of the resolution of approval if an application for final approval has not been filed with the applicable Board. Nothing contained herein shall prevent an applicant from requesting an extension of preliminary approval at the same time as the application for final approval is made. The Board shall have the discretion to consider the extension of the preliminary approval first as a threshold question to proceed with the application for final, or to consider both applications simultaneously.

D. Extension of Land Use Approvals

Nothing contained herein shall limit the ability of the Zoning Board or Planning Board to grant extensions of variances, and preliminary or final site plan and or subdivision approvals as provided for in the Municipal Land Use Law upon proper application to the applicable Board by the applicant or property owner.

BE IT FURTHER ORDAINED, that:

- A. All other Ordinances or provisions of the Code of the Borough of Eatontown or parts thereof, which are inconsistent with any provisions in this Ordinance, are hereby repealed to the extent of such conflict or inconsistency.
- B. If any provision or portion of this Chapter is held to be unconstitutional, preempted by Federal or State Law or otherwise invalid by any court of competent jurisdiction, the remaining provisions of this chapter shall not be invalidated.
- C. This Ordinance shall take effect upon its passage and publication as required by law.

**BOROUGH OF EATONTOWN
COUNTY OF MONMOUTH**

BOND ORDINANCE NO. 27-2024

**BOND ORDINANCE PROVIDING FOR VARIOUS PARK IMPROVEMENTS, APPROPRIATING
\$866,000 THEREFOR AND AUTHORIZING THE ISSUANCE OF \$165,000 BONDS AND NOTES TO
FINANCE A PORTION OF THE COSTS THEREOF, AUTHORIZED IN AND BY THE BOROUGH OF
EATONTOWN, IN THE COUNTY OF MONMOUTH, NEW JERSEY**

BE IT ORDAINED by the BOROUGH COUNCIL OF THE BOROUGH OF EATONTOWN, IN THE COUNTY OF MONMOUTH, STATE OF NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring), AS FOLLOWS:

Section 1. The improvements described in Section 3 of this bond ordinance are hereby authorized as general improvements to be undertaken in and by the Borough of Eatontown, in the County of Monmouth, New Jersey (the "Borough"). For the improvements or purposes described in Section 3, there is hereby appropriated the sum of \$866,000, said sum being inclusive of all appropriations heretofore made therefor, including grant funds expected to be received from the New Jersey Department of Community Affairs (NJDCA) Local Recreation Improvement Grant (LRIG) Program in the amount of \$56,000, grant funds expected to be received from the New Jersey Department of Environmental Protection (NJDEP) Green Acres Program in the amount of \$495,000, and grant funds expected to be received from the Monmouth County Municipal Open Space Grant (MCOSG) Program in the amount of \$150,000. No down payment is required or appropriated herein in accordance with N.J.S.A. 40A:2-11c of the Local Bond Law.

Section 2. In order to finance the costs of said improvements or purposes not provided for by the application of a down payment, negotiable bonds are hereby authorized to be issued in the principal amount not to exceed \$165,000, pursuant to the Local Bond Law. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvements hereby authorized and the purposes for which the obligations are to be issued consist of various park improvements within the Borough, including (i) the repair and resurfacing of two (2) basketball courts and a handball court at Wolcott Park; (ii) the Wolcott Park Jake's Law Playground Project; and (iii) Fresh Start 80 Acres Park Improvements – Phase II, together with all purposes necessary, incidental or appurtenant thereto, all as shown on and in accordance with contracts, plans, specifications or requisitions therefor on file with or through the Borough Clerk, as finally approved by the governing body of the Borough.

(b) The estimated maximum amount of bonds or notes to be issued for the improvements or purposes described in Section 3(a) hereof is \$165,000, as stated in Section 2 hereof.

(c) The estimated cost of the improvements or purposes described in Section 3(a) hereof is \$866,000, which is equal to the amount of the appropriation herein made therefor, including (i) \$56,000 grant funds expected to be received from the NJDCA LRIG Program for said improvements to Wolcott Park courts, (ii) \$495,000 grant funds expected to be received from the NJDEP Green Acres Program for said Wolcott Park Jake's Law Playground Project, and (iii) \$150,000 grant funds expected to be received from the MCOSG Program for said Fresh Start 80 Acres Park Improvements – Phase II. The excess of the appropriation of \$866,000 over the estimated maximum amount of bonds or notes to be issued therefor being the amount of said grant funds expected to be received by the Borough in the aggregate amount of \$701,000.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer of the Borough, provided that no note shall mature later than one (1) year from its date. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 40A:2-8. The notes shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer, who shall determine all matters in connection with notes issued pursuant to this ordinance, and the chief financial officer's signature upon the notes shall be conclusive evidence as to all such determinations. The chief financial officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of such notes occurs, such report shall include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser.

Section 5. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvements or purposes described in Section 3 of this bond ordinance are not a current expense and are improvements or purposes that the Borough may lawfully undertake as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of the improvements or purposes, within the limitations of the Local Bond Law and taking into consideration the amount of the obligations authorized for said purposes, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is twenty (20) years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Borough Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government

Services in the Department of Community Affairs of the State of New Jersey. Such Statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$165,000 and the obligations authorized herein will be within all debt limitations prescribed by that Law.

(d) An aggregate amount not exceeding \$173,200 for interest on said obligations, costs of issuing said obligations, engineering costs, legal fees and other items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included as part of the cost of said improvements and is included in the estimated cost indicated herein for said improvements.

(e) To the extent that moneys of the Borough are used to finance, on an interim basis, costs of said improvements or purposes, the Borough reasonably expects such costs to be paid or reimbursed with the proceeds of obligations issued pursuant hereto.

Section 6. The capital budget of the Borough is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director of the Division of Local Government Services is on file with the Borough Clerk and is available there for public inspection.

Section 7. Any grant or similar moneys from time to time received by the Borough for the improvements or purposes described in Section 3 hereof, shall be applied either to direct payment of the cost of the improvements within the appropriation herein authorized or to payment of the obligations issued pursuant to this ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are received and so used.

Section 8. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and, unless paid from other sources, the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation as to rate or amount.

Section 9. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by the Local Bond Law.

RESOLUTION 252-2024

**BOROUGH OF EATONTOWN
COUNTY OF MONMOUTH, STATE OF NEW JERSEY**

**Resolution of Support from Local Governing Body Authorizing the
Sustainable Jersey Climate Vulnerability Assessment Technical Assistance Application**

WHEREAS, the Borough of Eatontown aims to be a climate-ready community that is resilient to climate change.

WHEREAS, a climate-ready community seeks to understand current and projected climate hazards affecting health, safety, infrastructure, property, and businesses so that appropriate actions may be implemented before hazard events occur to cause harm; and

WHEREAS, a climate-ready community seeks to optimize sustainability through improving quality of life for its residents by ensuring that its environmental, economic, and social objectives are balanced and mutually supportive; and

WHEREAS, The Borough of Eatontown's Master Plan is aimed at guiding the use of lands within the municipality in a manner which protects public health and safety and promotes the general welfare; and

WHEREAS, Borough of Eatontown strives to save tax dollars, assure clean land, air, and water, and improve working and living environments; and

WHEREAS, A Climate Change-Related Hazard Vulnerability Assessment is required by NJ law (N.J.S.A. 40:55D-28) to be included in the Borough of Eatontown's Master Plan Land Use Plan Element; and

WHEREAS, one of the purposes of the Sustainable Jersey Program is to provide resources to municipalities to make progress on sustainability issues, and, recognizing municipalities are interested in guidance on climate resilience, created a Guide to Local Climate Change Adaptation Planning; and

WHEREAS, Sustainable Jersey provides a Climate Vulnerability Assessment Technical Assistance Program for municipalities to use the Guide to Local Climate Change Adaptation Planning to complete a Climate Change-Related Hazard Vulnerability Assessment consistent with the NJ law;

THEREFORE, the Governing Body of the Borough of Eatontown has determined that Eatontown Borough should apply for the aforementioned Climate Vulnerability Assessment Technical Assistance Program.

THEREFORE, Eatontown Borough will commit to providing staff support for the duration of the Climate Vulnerability Assessment Technical Assistance project, including providing planning documents and relevant assessment data and supporting public events and opportunities to share and receive comment on the project.

THEREFORE, Eatontown Borough will commit to providing a professional planner to review the draft and final version of the Climate Change-Related Vulnerability Assessment for potential adoption into the municipal Master Plan Land Use Plan Element.

THEREFORE, BE IT RESOLVED, that Governing Body of the Borough of Eatontown, State of New Jersey, authorize the submission of the aforementioned application to Sustainable Jersey for Climate Vulnerability Assessment Technical Assistance.
