Old Business:

Surplus Items– Tabled

New Business:

Community Center Painting– Heard from John Thorson of Dakota One Coating concerning the project of repainting the exterior of the Community Center. The discussion included not only exterior painting options but also interior painting and resurfacing the floors. Following discussion, the consensus was to have Thorson give the city a quote on all three options individually as well as a bundled quote. Thorson will submit the quote so that the council could discuss at their next meeting. No action was taken.
