

## **Infrastructure Committee**

**December 12, 2024**

**4:5PM**

**In attendance: Irwin Feld, Mike Dvorchak, Steve Bluestone, Bill Sullivan**

### **Historic Lights –**

Mike reported that the DOT has been contact as the first step to moving the light poles. George Schmitt from CPL has been engaged to work on going out to bid so work can begin. Mike will be adding to the January Board agenda meeting for approval.

### **Hamlet Park**

The committee agreed that the natural place to start would be to repair/replace the basketball court and reline. Competing bids will be needed as per our procurement policy. Mike will contact Brandon to put all the bids together.

### **Salt Shed**

Brief discuss on the Salt Shed. We will be going for a grant. We do have existing plans.
