

TOWN OF HILLSDALE
MEETING OF THE SEWER TASK FORCE
February 15, 2022

Meeting Notes

Present: Bud Atwood, Kathi Doolan, Steve Grimm, Mike Scheller, Augie Sena, Jill Sims, Chris Kersten

Absent: Lee Heim

The Sewer Task Force was convened at 5:00 p.m. on Tuesday, February 15, 2022 at Town Hall.

Mike provided a brief overview of plant operations, stating that the system is operating normally, and continues at the rate of 11,000 gallons per day. There were two service calls. Mike will work with Kathi and Joe Vining to achieve remote monitoring access. The DEC report has still not been received.

Chris reported that the Town Board approved the eCODE 360 Local Law # 1 - 2022 on February 8, 2022 that includes all updated EDU rates.

As to the first quarterly billing, Kathi reported that statements were mailed in January and payments are being received.

Jill is working with Mike and Steve to complete the inventory spreadsheet within the next two weeks with follow-up as appropriate.

Chris distributed the December 30 Sewer District financial report that reflects an \$8,556.76 surplus for the first time in several years. There was further discussion about sewer deficit repayment to the town. The Board will be addressing this matter at the March 8, 2022 meeting. It is anticipated that the debt total will be agreed upon at that time.

The next meeting of the Task Force will be on Tuesday, June 14, 2022 at 5:00 p.m. at Town Hall.

There being no further business, the meeting was adjourned at 6:10 p.m.
