

## **SEWER COMMITTEE**

**JUNE 12, 2025**

### **MEETING NOTES**

Irwin Feld, Mike Dvorchak, Robina Ward and Les Coon

1. Remote Access –
  - a. Robina is attempting to contact Orenco for Instruction. There is a time difference (Oregon), so she will try reaching out to see if someone else can help.
2. Les reported on current conditions:
  - a. Flow patterns have been adjusted. Julie's suggestions have been implemented. Julie has submitted a dosing plan for the parasitic acid. Application will begin soon.
  - b. Les will set up the alarm call outs as soon an online capability has been established.
  - c. Discharge Pump 8 is now Discharge Pump 2 – a bad wire has been replaced and is working fine.
  - d. 242 Anthony Street – Precision has replaced the panel. Things seem to be working well.
  - e. Increased cleaning schedule of properties with Grease traps. Les recommends quarterly.
    - i. Hillsdale House, Sweet Peas, Chef Shop, Steward, Roe Jan Brewery, Twisted Sister, Cook & Larder – Robina will call Baldwin to start quarterly pumping starting soon.
3. Leach Field Replacement
  - a. George is working on the engineering plan
  - b. Mike is working on CREST Grants
  - c. Work needs to Start in September
