

April 9th, 2026
Meeting Minutes
Hillsdale Town Hall

In attendance: Mike Dvorchak, Irwin Feld, Robina Ward, Les Coon (via phone)

SEWER:

1. Update from Les on operations
 1. Control Panel – Les has reduced programming down to three pods so we are able to dose. We will now be able to dose one pod at a time.
2. Re-programming of panel - no charge to Sewer District
3. 47 Coldwater Street - update
 1. Burnt wire issue: Jennings has been called, and it has been fixed. We need to investigate how to prevent freezing in the future.
4. Baffles for Tanks
 1. Need to discuss with George
5. Cleaning out of Grease Traps
 1. Baldwin has been pumping.
 2. A regular schedule needs to be established. Les suggests quadrants with a three-year rotation. Robina will set up with Baldwin.
6. Final Documentation of Rehab project from DEC
 1. Mike will call George
7. Les is waiting to hear back from 22 Anthony on the control panel.
8. DEC Engineering Grant – CPL will be applying.
9. Need to have the mower delivered. Mike is to call Richard.

INFRASTRUCTURE

Hamlet Park

1. Bandshell – update –
 1. Looking to buy from a State-approved list supplier
 2. Looking at a slightly smaller model (more in scale with the park) and less expensive
2. Western Fence - Forsythia
3. Hill behind Playground equipment – Forsythia? Or a general clean-up.
4. Maple Street Closure – plans are submitted to the DOT
2. Light Poles – Status – Final checklist has been created.
 1. Dimmers – Richard might have acorn tops to look inside
3. Flag Pole at Town Hall
 1. HECDC has the funds to order. Placement on the Eastern edge of the Town Hall property, near the Town Hall Park. Mike is to call Richard.
