July 28, 2023, 3:00 pm
Meeting Place, Cook and Larder

Attendance: Joyce Lapenn, Lynda Brenner, Shirley Bresler, Lynne Colclough, Dee Crawford, Rene Gibson, Natalie Kahan, Mary Lou Kersten (secretary)

Farmers Market

SAH will have a table one Saturday per month, July through October. Discussed what we will present at the table. In September will put out information on the Senior Chore Service day. July 31 Joyce L and Mary Lou will be at the table. In August, Rene and Beth will handle the table.

Will evaluate how many people stop by the table to decide whether to continue.

Coffee Hour

Discussed Rachel Cole's very helpful presentation.

August – our speaker will be RJCL librarian, discussing all that the library offers.

September – undecided. Possibility of Dr. Boutin. She was recommended to us by David Rasche. Lynda will call Dr. Boutin to see whether her topic could lend itself to coffee hour discussion.

October – Beth is speaking with a computer training person as a potential speaker

November – Topic is Gratitude

December – will push up the date to possibly December 13. Rene will speak with Kelly about possibly holding a holiday get together there. Details to be discussed at a later meeting.

Weekly Wednesday Walking Group

July 26 nearly 15 people walked, some new to the group. Some people prefer walking at 8:00, Natalie is in this earlier group. This earlier time will not be listed on our information sheets, would be too confusing. Can be informally mentioned. Natalie met a woman, Mary Jo, who might be an asset to our committee.

Resource Guide

All edits are near complete. Joyce will meet Laura Aug. 7th for final. Shirley is doing research on programs she might want to add to the introduction. Goal is to get it in the mail by early fall.

Data Base

Need to work on data base to add more physical addresses.
