Business:

The Temporary maintenance Position has been posted and published with an application deadline of November 30th.

A letter was sent to Nancy Bieniek asking her to communicate the plans for Riley, their dog that is to be trained as a therapy dog. She was given until the end of December to let the council know what has been done in that regards. Several citations have been issued to her due to Riley running loose in the neighborhood.

Clerks Notes:

Safe Routes to School grant update

****REMINDER:** Any business that involves discussion and a motion or action by the council should be added to the agenda before the meeting if possible. If not, it should be added at the meeting before the consent agenda is approved: “I make a motion to add “my agenda item” and address it under New Business after the last item.” That way it is on record to be discussed. ******
