HONEYVILLE CITY
ANNUAL CONFLICT OF INTEREST DISCLOSURE FORM

The following disclosures are required to be made annually by all elected officers of the City of Honeyville pursuant to Utah Code Annotated 17-13, Municipal Officers' and Employees' Ethics Act. If additional space is needed, please use a separate sheet of paper. Per statue, the information provided shall be kept on file with the City Clerk and may be subject to disclosure to the public.

I, Ryan Adams am the duly elected/appointed Council member of the City of Honeyville.

1) I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which are subject to the regulation of the City of Honeyville, and within such business entities, I hold the following positions:

Business Entity Name:	Position within Business Entity:

Ownership of a substantial interest is defined in U.C.A. 17-16a-3(8) as an interest of 10 % or more of shares of a corporation, or a 10% or more ownership interest in other entities, legally or equitably held or owned by the officer, the officer's spouse, or the officer's children.

**Note: There is no case law or statutory guidance as to what constitutes a business entity "subject to regulation of the City." A business which is simply issued a business license by the City may or may not be deemed by a court, administrative agency, an auditor, or member of the public to be an entity regulated by the City. Businesses regulated by interlocal agencies of which the City is a member may or may not be deemed to be a business regulated by the City (i.e., a restaurant subject to regulations imposed by an interlocal agency).*

A business entity which requires a conditional use permit to operate may more likely be deemed to be a business entity regulated by the City of Honeyville than a business that simply receives a business license from the City.

2) I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which do business with or anticipate doing business with the City of Honeyville:

Business Entity Name:	Position within Business Entity:

Please note that pursuant to U.C.A. §17-16a-7, an officer must disclose his or her interest of involvement in such an entity **immediately prior to any discussion in an open and public meeting pertaining to business that the City of Honeyville may do with any such entity, regardless of whether a disclosure of interest or involvement in the business was made in this document. The officer may then choose whether to continue to participate in the discussion or meeting, or to recuse themselves.*

3) The following personal interests or investments of mine create a potential or actual conflict between my personal interest and my public duties:

_____

_____
