The undersigned hereby applies for water services from Honeyville City for his/her premises, and hereby agrees to pay the service charges for water services as fixed by Honeyville City and in the event of failure to pay for this service that the City shall have the right to discontinue services, at its election and the undersigned agrees to be bound by the rules, regulations, and ordinances of Honeyville City for the control of the water system. Applicants must contact Honeyville City when moving in order for Honeyville to terminate water service and stop monthly charges from accruing. That will be the applicant's responsibility. Applicant further agrees to pay any and all fees and reasonable collection costs for unpaid service charges, whether incurred by filing a lawsuit or otherwise. Applicants are aware that water payments are due prior to the 25th of the month to avoid late fees. Interest will be charged on all water accounts 30 days past due. If a water account becomes 60 days delinquent, it will be disconnected. Service will not be renewed until the accounts past due amount is paid in full and the associated shut-off and reconnection fees have been paid.
