

Senior Activities Committee Update for Village Board December 2024

Our committee met on Thursday, December 12th.

Activities since last meeting:

November 18th: Potluck with discussion of “Stalag Hortonville”. Great turnout, with about 35 people attending. Sarah Bultman, Outreach and Program Coordinator for the library and Sr. Activities Committee member, led the discussion. Sharing of stories, excerpts from the book (“Stalag Wisconsin”), and good discussion.

December 2nd: Potluck: smaller group

December 9th: Coffee and Conversation. No speaker, but good conversation. Two new attendees

Upcoming Events planned:

December 16th: Holiday Party and Lights Tour. HHH Van will pick up those that requested, carpooling for tour. Community Chorus will perform

January 6th: Potluck; “National Soup Month”. Will order soup from Donaldson’s, potluck for side dishes, desserts. Planning for a speaker or bingo

January 13th: Coffee and Conversation with Kim from Long Term Care Board

Discussion regarding ways to increase attendance. Brainstormed ideas for events, field trips, visiting local businesses, history, etc. Also discussed how having our own building would facilitate many programs. We will continue to discuss this at future meetings.

Next meeting is set for Thursday, January 9th at noon.
