 - B. Discussion and possible action on Alonzo Park Rental Fees
 - C. *Discussion on Main Street Road Widths*
 - D. Discussion on potential Wheel Tax Numbers
10. Report of Village Officials
 - A. Clerk-Treasurer
 - B. Director of Public Works
 - C. Police Chief
 - D. Library Director
 - E. Attorney
 - F. Administrator
 - G. Building Permit Report
 - H. Any other miscellaneous topics for future discussion
[Topics or questions for future agendas only – no discussion or answers, motion to schedule an item]
11. Communications and Miscellaneous Business
 - A. Black Otter Lake District news
 - B. Hortonville-Hortonia Fire District news
 - C. Gold Cross Ambulance run reports and news
 - D. Hortonville Civic Association
 - E. Senior Activities

12. Comments and suggestions from citizens present

13. Adjournment

NEXT REGULAR VILLAGE BOARD MEETING: MARCH 20, 2025

Requests from persons with disabilities who need assistance to participate in this meeting should be made to the Village Administration Office at 779-6011 with as much advance notice as possible.

**VILLAGE OF HORTONVILLE
VILLAGE BOARD
FEBRUARY 20, 2025 MEETING MINUTES
DRAFT – NOT APPROVED**

President Jeanne Bellile called the meeting to order at 6:00 p.m. in the Community Center at 531 N. Nash St., Hortonville, Wisconsin.

Trustees present: Grace Abitz, Bob Jewell, Shauna Keel, Jim Moeller, Jane Olk, and Julie Arendt Vanden Heuvel.

Trustees absent: None

Officials/Staff present: Administrator Nathan Treadwell, Clerk-Treasurer Jane Booth, Director of Public Works Aaron Steber, Chief of Police Brian Bahr, Library Director Alexandria Krause, and Attorney Ashley Lehocky.

Consent Agenda

Motion [Arendt Vanden Heuvel/Moeller] to approve as outlined. Roll call vote, 7 ayes, 0 nays, motion carried.

- A. February 6, 2025 Regular Board meeting minutes
- B. Presentation of accounts and other claims against the Village

Agenda Changes

President Bellile said to move item 10 under new business before item 6 public hearing.

Swearing in Ceremony for Bryana Wulgaert – Police Officer

Clerk Booth held the swearing in for Bryana Wulgaert.

Public Hearing – Special Assessments N Mill Street

Motion [Arendt Vanden Heuvel/Moeller] to open the public hearing. Unanimous voice vote, motion carried.

No one was present to speak.

Motion [Jewell/Olk] to close the public hearing. Unanimous voice vote, motion carried.

Preregistered Citizens to be heard

None

Committee Reports

None

Unfinished Business from previous meetings

None

New Business

Discussion and possible action on Special Assessment N Mill Street

Discussion ensued on the proposed interest rate and the length of the loan.

No action was taken.

Discussion and possible action on Resolution R-6-25 N Mill Street Special Assessment

Motion [Moeller/Arendt Vanden Heuvel] to approve R-6-25 N Mill Street Special Assessment with the changes of the payment in full date to August 21, 2025 and the changes of the payout from 1/4 to 1/6 of the principle together with interest per year. Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on recommendation from Planning and Zoning Commission to approve the CSM for parcel 240022800 and 240022803

Motion [Moeller/Olk] to approve the recommendation from P&Z Commission for the CSM for parcel 240022800 and 240022803.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on recommendation from Planning and Zoning Commission to approve Ordinance O-01-25 the rezone of LOT 1 of the proposed CSM on a portion of 240022803

Motion [Moeller/Olk] to approve Ordinance O-1-25 the rezone of Lot 1 of the proposed CSM.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on turning over the Police Department drone to the HHFD

The Chief of Police Bahr said that the drone was turned over to me at the end of December. I was told at that time that it was not operable, I didn't have anybody internally at the Police Department that had the training to operate the drone, so I worked with the Fire Department, and I had turned it over to Loren Steinaker who runs their drone program. They have the exact same drone as what we have. He had it running in 24 hours and they did some training with it already. There was a donation that was given to us and the idea was that the drone will be used for the safety of our residents. They feel like they can utilize the second drone in a second vehicle. My recommendation would be to transfer ownership of that drone to the Hortonville/Hortonia Fire Department.

Motion [Arendt Vanden Heuvel/Moeller] to turn the Police Department drone over to the Hortonville/Hortonia Fire Department.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on Alonzo Park Camera System.

No motion was made, DPW Director will get more info on the quote and bring it to the next meeting. No action was taken.

Discussion and possible action on Hortonville Recreation Program Hours

Administrator Treadwell said that the Park and Rec Director wanted to eliminate the Friday hours and add an extra hour on weekdays.

Motion [Olk/Moeller] to change the Hortonville Rec Program hours Monday to Thursday 9 to 4 and eliminate Friday hours. Unanimous voice vote, motion carried.

Discussion and possible action on Hortonville Recreation Staff numbers

The board decided to table this until the next meeting, when the rec director can be in attendance.

Discussion and possible action on Administrator Advanced Leadership Program

Administrator Treadwell said that the program cost was \$5,000. The administrator in Waupaca is going through this training currently. The consensus of the board was for the Administrator to keep looking for training opportunities.

Report of Village Officials

Clerk-Treasurer: The report is in the packet. The Spring Primary had 194 voters in total.

Director of Public Works: The report is in the packet. I did pass out a public notice that will be going out to all of our water customers. This fall we had to submit a materials inventory for our lateral service lines for our water utility for EPA's federal lead and copper division. We submitted that for the time frame that was proposed. It just came back that the materials inventory that we submitted, the number of lines did not match our 2023 Wisconsin PSC Report and that puts us in violation. We are working with MSA to help us with our inventory and figure out the discrepancy of about 200 more that was reported to the PSC.

Chief of Police: The report is in the packet. I did want to update the board with the appraisal for the Truck and it was appraised at \$23,000 from All World Ford for a trade in value, the truck bid was at \$21,500 today on surplus, so I think we will surpass the \$23,000. There are forty bids on it.

Library Director: We have a Library Board meeting on Tuesday at 4:00 pm. I have been working on the annual report.

Attorney: Nothing

Administrator: The report is in the packet. I did finish the zoning information and sent it over to the attorney and I will be bringing that back to the board within the next couple of months.

Any other miscellaneous topics for future discussion

Trustee Moeller would like to have a quick discussion about the Main Street road widths.

Communications and Miscellaneous Business

Black Otter Lake District news: Next Meeting is April 15

Building permit report: None

Hortonville-Hortonia Fire District news: None

Gold Cross Ambulance run reports and news: In the packet

Hortonville Civic Association: Nothing new

Senior Activities Committee: Report was in the packet.

Trustee Abitz said that there was a concern from a citizen regarding the senior nutrition program, state Medicaid, etc., and loss of funding for federal programs. Does the Village have a plan in place when some of these funds are not in place?

Comments and suggestions from citizens present

None

Motion to go into Closed Session

Motion [Arendt Vanden Heuvel/Moeller] to go into closed session under State Statute 19.85 (1)(c) "Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility." Specifically, employment compensation.

Board to return to Open Session

Motion [Moeller/Arendt Vanden Heuvel] to return to open session at 7:24 p.m. Unanimous voice vote, motion carried.

Any action on matters discussed in Closed Session

None

Adjournment

Motion [Moeller/Olk] to adjourn. Unanimous voice vote, motion carried. The Board adjourned at 7:25 p.m.

Minutes submitted by,

Jane Booth, WCMC
Village Clerk/Treasurer

Installation Services

Your Video Surveillance Installation Includes:

- Dedicated project management staff prepared to ensure all tasks are completed per project requirements.
- Ethernet cabling rated in accordance with the cable run (i.e. plenum or outdoor rated cable as needed). All cables will be properly terminated and labeled.
- All wall penetrations, to include brick or concrete wall coring, required for connections to outdoor cameras.
- Conduit, J-hooks, or other cable management hardware as required.
- Camera electrical boxes, specialty brackets, and weatherproong to ensure ease of maintenance and camera longevity.
- Conguration of the NVR to include the following: Setting up the LAN ethernet connection for connectivity with the internet, installation of the camera network to include direct connect cameras to the NVR and cameras connected to remote switches on the camera subnet of the NVR.
- Walkthrough with the client to review all camera locations/views to ensure all work is completed to the customer's satisfaction.
- ViewStation desktop software and the SCW Go mobile application (Android or i-Phone) to monitor/manage your surveillance system.
- 1-year warranty on installation, 3-year warranty on SCW equipment.
Lifetime free and unlimited SCW Help Desk support.jiuuuuu

General Assumptions

- Above labor is quoted per 8-hour day (8:00 AM - 5:00 PM Local Time Monday - Friday)
- **Client** shall provide floor plans and cut sheets clearly identifying the end point's exact locations as well as hardware installation locations and labeling requirements a minimum of (72) hrs. prior to the requested arrival time.
- **Client** shall provide a Single Point of Contact for all confirmations, deliverable review, scheduling, and other project management communications.
- **Client** agrees to reimburse SVS for all permit fees or other fees resulting from the work performed in the city or state should they arise.
- End Client shall provide unhindered access to the service areas within 15 minutes upon arrival.
- Union Labor is not required for this location.
- **Client** shall instruct End Client to clear all installation locations and cable pathways of obstructions so that SVS can easily access the project area.
- SVS assumes that there is sufficient existing rack space to facilitate all equipment needed to complete installation.
- SVS pricing assumes that all interior cabling runs shall be installed with Cat6 riser rated cable.
- SVS pricing assumes that all non-element exposed exterior cabling runs shall be installed with Cat6 riser rated cable.
- SVS pricing assumes that all element exposed exterior cabling runs shall be installed with Cat6 Outdoor rated cable.
- Plenum cabling installation shall be invoiced at \$100.00 per instance additional where required.
- When required, additional steel conduit shall be installed and billed at \$6.25 per linear foot installed.

Cancellation & Work Stoppage

- If all work cannot be completed within the Time to Task allowed due to issues outside of the control of SVS the additional time onsite as well as any additional equipment rental required, shall be billable to Client. These items include but are not limited to access restrictions to work areas, delays by other trades or site employees, inaccessible cable pathways, Client Support delays, shipping delays or hardware related delays.
- In the event of any cancelation within 48hrs to 12hrs of the scheduled start time will be invoiced at 25% of the site's average daily rate. In addition, a \$125.00 rescheduling fee shall be invoiced per instance.
- In the event of any cancelation within 12hrs of the scheduled start time will be invoiced at 50% of the site's average daily rate. In addition, a \$125.00 rescheduling fee shall be invoiced per instance.
- It is the responsibility of Client to provide SVS with any schedule changes. SVS will then work with the technician(s) to adjust and reconfirm their first availability.

Invoicing & Payment:

- All equipment must be purchased prior to installation. If labor and material cost exceed \$25,000, we require a 50% deposit on installation. Invoices shall be due for payment no later than 30 calendar days from service completion date. Client shall issue payment remittance to be received by invoice due date. Any payment not received in full by the due date will be subject to an initial 10% financing origination charge. A 2.49% monthly finance charge (compounded) of all overdue balances shall be assessed until overdue payment is received in full. Payments will be credited first to late payment charges and remainder to the unpaid balance. Client accepts & shall be responsible for all collection or legal fees necessitated by the lateness or default of payment.
- Any disputed invoice lines must be disputed within 3 business days, or the invoice shall be deemed valid and billable.

By accepting this estimate, the acceptor states that they have read, understand, and accept the terms and conditions laid out in the SVS-Client Assumptions PDF.

Acceptor states they are authorized to purchase products and services from SVS on behalf of Client.

Vehicles subject to a wheel tax

Some municipalities or counties collect a [wheel tax](#) in addition to the regular registration fee. Check your renewal notice to confirm that the county and city, village or township where your vehicle is customarily kept is correct. If you recently changed your address, WisDOT records for the vehicle location will update automatically in most cases.

If you renew online, any wheel tax due will display on the itemized list of fees. If you believe a wheel tax charged is not due, cancel the transaction and contact WisDOT at the email address or telephone number below.

If you renew by mail or in person, indicate the correct information on the notice and submit it with the appropriate fee.

Any person who gives a false or fictitious location where a vehicle is customarily kept may be fined not more than \$200 or imprisoned not more than six months or both (section [341.60](#), Wis. stats.).

Hortonville car registration history

Kutz, Gregory C - DOT <Gregory.Kutz@dot.wi.gov>

Fri, Dec 13, 2024 at 2:12 PM

To: abitzgrace@gmail.com <abitzgrace@gmail.com>

Cc: Goldsmith, Julie A - DOT <Julie.Goldsmith@dot.wi.gov>, DOT DL DMV BVS TARPS Mgmt <DOTDLDMVBVSTARPSMgmt@dot.wi.gov>

Good afternoon Grace:

First, I am sorry that it has taken as long as it has to get a response to you. It has now been routed to the correct area to answer your question.

The DMV publishes lists of vehicle information on its website at [Wisconsin DMV Official Government Site - DMV statistics](#). The last two links on the page go to [Lists of vehicle information](#) and [Prior year's lists of vehicle information](#) and will be the most helpful. Specifically, Report 12 (Vehicles eligible for Wheel Tax) and Report 28 (Registered by County and city/village/town) should allow you to find out how many vehicles were eligible for a wheel tax in Hortonville and how many vehicles were registered in Hortonville. [Lists of vehicle information](#) will contain the most recent Fiscal and Calendar years, and [Prior year's lists of vehicle information](#) will contain the same reports going back to 2013.

Again we apologize for the tardiness of this reply.

Hortonville car registration history

Kutz, Gregory C - DOT <Gregory.Kutz@dot.wi.gov>
To: Grace Abitz <abitzgrace@gmail.com>

Mon, Dec 16, 2024 at 7:59 AM

Good morning Grace.

CVT means County / Village / Town. C = County, V = Village, T = Town. U = Unincorporated if you would ever see that, but I believe for the reports most or even all of the time the unincorporated communities get recorded as part of the larger municipality they are a part of.

The CVT CD is a numeric county/village/town code. Each county in WI has a 2-digit number assigned to it in the DMV database, and each municipality within a county also gets a 2-digit code. For example DANE county is county 13 and the CITY OF MADISON is 73. When a wheel tax is applied, the system uses the county and municipality codes to track it, so the city of Madison wheel tax is coded as 1373 in the database. The CVT CD field probably wont mean much to anyone state workers involved with setting up and distributing wheel tax funds.

One last thing to let you know, the DOT does keep a small part of each wheel tax collected to cover their administrative costs. We figure out our administrative costs every year and divide that cost among all the wheel taxes collected for vehicles statewide. For the last several years this has worked out to be \$0.03 of each wheel tax, and because the administrative costs remain roughly the same every year while the number of participating vehicles continue to grow this number has historically fallen over the years. For example, if you would implement a \$20.00 wheel tax, you could expect to keep \$19.97 of the tax.

Finally, and unfortunately, I am not able to assist with any analysis of the data. In a case like this, the DOT's role is to provide the information. The customer can look at it however they wish.

Good luck with your research!

Memo: Wheel Tax Discussion for 3/6/2025
Nathan Treadwell – Village Administrator

This item was asked to be on the agenda for discussion of the numbers for a potential wheel tax.

The provided numbers were given to me by a board member and appear to come directly from a DOT report. However, I believe these numbers may be skewed. The reported number of vehicles compared to the number of residents seems unusually high, especially when compared to surrounding areas. This discrepancy may be due to individuals using a Hortonville mailing address without actually residing within the village limits.

Even if we accept these numbers at face value, I do not believe a wheel tax would significantly benefit residents in terms of special assessments. For example, in the case of the N Mill Street project, residents are only being charged for sidewalks and driveway aprons. If a wheel tax were implemented, it would likely only reduce costs for Water and Sewer rather than providing direct relief to homeowners.

Therefore, this should be viewed as a tax increase rather than a means to alleviate special assessments. To completely eliminate special assessments, the village would likely need to increase taxes by approximately \$90,000 overall, which would translate to an additional \$0.3361 per \$1,000 of assessed home value. For a resident with a home assessed at \$200,000, this would mean an increase of \$67.22 in village taxes. In comparison, if that same homeowner had three registered vehicles, they would pay a total of \$60.00 under a wheel tax. The break-even point would be an assessed home value of approximately \$180,000 with three registered vehicles.

Ultimately, if the goal is to remove special assessments entirely, a property tax increase would be a more equitable approach, particularly for lower-income residents, compared to implementing a wheel tax.

2025
