

VILLAGE OF HORTONVILLE
AGENDA OF THE VILLAGE BOARD
JULY 16, 2026
6:00 P.M. Regular Board Meeting
Municipal Services Center Board/Court Room
531 N. Nash St., Hortonville, WI

1. Pledge of Allegiance
2. Call to Order by Presiding Officer
3. Roll Call
4. Agenda Changes [to change the position of an item already on the agenda]
5. Consent Agenda
 - A. June 18, 2026 Regular Board meeting minutes
 - B. Licenses and Permits
 - i. Temporary Class "B" Beer Retailer's License
Hortonville/Hortonia Fire District Otto Miller Park Concession
19th Annual Softball Tournament July 24-26, 2026
Jack Kuhnke in charge
 - ii. Temporary Class "B" Beer Retailer's license
Hortonville Lions Club Commercial Club Building
Sportsman Raffle September 3, 2026
Jan Mallmann in charge
 - iii. Temporary Class "B" Beer Retailer's License
Hortonville Softball Booster Club Otto Miller Park Concession
4th Annual Icebreaker Softball Tournament Sept 11-13, 2026
Sara Kelly in charge
 - C. Presentation of accounts and other claims against the Village
6. Preregistered Citizens to be heard. – LIMIT 5 MINUTES
 - A. State name and address
 - B. Comments to be limited to 5 minutes
 - C. Pursuant to WI Statutes 19.83(2) and 19.84(2), The Board's role is to listen to public comments, and not to ask questions, discuss, or take action regarding pre-registered citizens comments.
7. Committee Reports
8. Unfinished Business from Previous Meetings
9. New Business
 - A. Discussion and possible action on Water Rate Case Study Phase 2- Conventional Rate Case Application, presentation by Ehlers
 - B. Discussion and possible action on Special Assessment for defective private sewer laterals on the Downtown Section of the Main Street Project
 - C. Discussion and possible action on Public Works vehicle
 - D. Discussion and possible action on Opera House updates in front of the building.
 - E. Discussion and possible action on Temporary No Parking during Construction of Main Street
 - F. Discussion and possible action on O-5-26 Creating R-O-W/Boulevard Maintenance Ordinance
 - G. Discussion and possible action on Resolution R-13-26 Amending Village Budget for Stormwater portion of TID 3 Project

10. Report of Village Officials

- A. Clerk-Treasurer
- B. Director of Public Works
- C. Police Chief
- D. Library Director
- E. Attorney
- F. Administrator
- G. Building Permit Report
- H. Any other miscellaneous topics for future discussion
[Topics or questions for future agendas only – no discussion or answers, motion to schedule an item]

11. Communications and Miscellaneous Business

- A. Black Otter Lake District news
- B. Hortonville-Hortonia Fire District news
- C. Gold Cross Ambulance run reports and news
- D. Hortonville Civic Association
- E. Senior Activities

12. Comments and suggestions from citizens present

13. Adjournment

NEXT REGULAR VILLAGE BOARD MEETING: AUGUST 6, 2026

Requests from persons with disabilities who need assistance to participate in this meeting should be made to the Village Administration Office at 779-6011 with as much advance notice as possible.

**VILLAGE OF HORTONVILLE
VILLAGE BOARD
JUNE 18, 2026 MEETING MINUTES
DRAFT – NOT APPROVED**

President Jeanne Bellile called the meeting to order at 6:02 p.m. in the Community Center at 531 N. Nash St., Hortonville, Wisconsin.

Trustees present: Therese Abitz, Dalton Davis, Carrie Lathrop, Jim Moeller, Jane Olk, and Julie Arendt Vanden Heuvel.

Trustees absent:

Officials/Staff present: Administrator Nathan Treadwell, Clerk-Treasurer Jane Booth, and Director of Public Works Aaron Steber.

Officials excused: Chief of Police Brian Bahr, Library Director Alexandria Krause, and Attorney Tyler Pluff.

Consent Agenda

Motion [Moeller/Olk] to approve as outlined. Roll call vote, 7 ayes, 0 nays, motion carried.

A. June 4, 2026 Regular Board meeting minutes

B. Presentation of accounts and other claims against the Village

Agenda Changes

None

Preregistered Citizens to be heard

Claire Abitz, 111 S Nash Street, I was just going to comment on the Downtown Zoning Code for auto service topic. I did go to the meeting when this was developed specifically about 8-10 years ago. If you remember an emphasis on not having auto stuff and further back when I got the old Police Station, part of that process was that we would not do any automotive stuff. I remember the discussions on automotive repair downtown at that time. I don't think that would be good to have downtown, with the three big garage doors, I don't think that would work for turning around. I think it would be great at a lot of other places downtown, just not on that sight. I would also like to steer projects in a historical direction when there is opportunity with leadership. One of the things I am also concerned about is the very colorful shade structures proposed for Memorial Square.

Committee Reports

Library Board – Trustee Lathrop said that there was nothing new.

Unfinished Business from previous meetings

None

New Business

Presentation of 2026 Audit – Hawkins Ash

Amber Ebert from Hawkins Ash was here to report on the 2025 audit. Amber went through the financials, there were 41 adjusting journal entries, with 37 adjusting journal entries last year. We discovered 17 material audit adjustments. These adjustments involved property tax roll, special assessments, deferred revenues, capital outlay, depreciation expense, accumulated depreciation, due to's/from's, fund balance, principal and interest expense, accounts payable, closing a fund, grants and capital outlay expenses.

Discussion and possible action on Potential Bonus Resolution R-11-26

Administrator Treadwell said that this was discussed with those who were on the board last year. This was discussed at budget time last year and is already built into the budget. We did have a smaller percentage of a raise this year for employees.

Motion [Arendt Vanden Heuvel/Olk] to approve resolution R-11-2026 for a one-time bonus in the amount of \$250.00 in commemoration of the 250-year anniversary of signing the Declaration of Independence.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on Cancellation of July 2 Village Board meeting

Motion [Olk/Arendt Vanden Heuvel] to cancel the July 2, 2026, Village Board meeting.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on 2026 Sidewalk Replacement Bids

DPW Director Steber said that he received two bids, the lowest bid was from Capital R Concrete & Coatings in the amount of \$12,085.00.

Motion [Moeller/ Arendt Vanden Heuvel] to approve the 2026 Sidewalk Replacement Project quote for Capital R Concrete & Coatings not to exceed the amount of \$12,085.00.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on Monster Mash Program Downtown

Administrator Treadwell said that the Fox West Chamber of Commerce, in partnership with several local businesses within the Village of Hortonville, is proposing to host the Monster Mash event on October 30, 2026. The idea would be to bring them here on October 30, right around the time when main street is to be completed. Part of the idea is to block off main street and allow for outside vendors and food trucks.

Trustee Arendt Vanden Heuvel said that the Village should not be in charge of clean up the day after. There are broken bottles currently around town.

Administrator Treadwell said he had talked to the Chamber and how they want to handle the stands.

Trustee Olk asked what happens if Main Street isn't completed by October 30, 2026?

DPW Director Steber said that it is written in their contract that they pay a fee for every day they are not finished.

Trustee Arendt Vanden Heuvel said she didn't want this to be a big impact on Village staff.

Administrator Treadwell said there will be an impact on staff, extra police staff and extra DPW staff.

Trustee Olk said that closing downtown is a lot of work, and she wondered if we knew how successful it was in Fremont.

Administrator Treadwell said that they are expecting about 1,000 people for attendance.

Board consensus was to go ahead with the planning for this.

Discussion and possible action on Resolution R-10-26 for CORP

Administrator Treadwell said that this is the resolution to approve the Comprehensive Outdoor Recreation Plan. We need this to apply for grants.

Motion [Moeller/Davis] to approve the resolution R-10-26 for the Comprehensive Outdoor Recreation Plan.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on CMR Resolution R-12-26

DPW Director Steber said that this is the annual report. We received an A for the WWTP and that Sean Kuske has it running really well.

Motion [Moeller/Arendt Vanden Heuvel] to approve the Compliance Maintenance Annual Report (CMR) resolution R-12-26.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on Rezoning Ordinance O-4-26

Administrator Treadwell said that this came from the Planning & Zoning Commission meeting that was held last week. The Hortonville Football Club plans to put in football fields. Wetlands are located on the southern portion of the parcel, which is why the proposed development has been designed outside of the wetland area.

Motion [Moeller/Olk] to approve O-4-26.

Roll call vote, 7 ayes, 0 nays, motion carried.

Discussion and possible action on Amending the Downtown Zoning Code to allow for Auto Service as a Conditional Use

Administrator Treadwell said that this was requested from a business owner that we allow this in the downtown zoning district.

Trustee Lathrop asked what the intent was of the downtown district zoning code that was put into place and isn't that why we have the Industrial Park?

Administrator Treadwell said that before it was either zoned highway commercial or general commercial. I believe they wanted to create something that was more indicative of a downtown area that had a little more restrictions on what was in there to help provide a more historical/active downtown area.

Trustee Arendt Vanden Heuvel said this was at least about two dozen hours, creating the downtown district. TID 5 was created to be a receivership for that district, so we could put money into the downtown. The whole point of it was historic with what type of materials could be used. The greenhouse was grandfathered in, the BP station was grandfathered in, and if the building is removed, they wouldn't be able to build it again if it was ever torn down. We spent dozens of hours creating this. The conditional use idea of putting a pole shed look and having larger vehicles backing in and out, and wreckers and tow trucks, this is not about a particular business, for me this is about, would that be a good fit in that downtown zoning. That is why we have an industrial park, that is why we have the incubator of the toy factory.

Trustee Lathrop said we are giving grants to update the façade being redone. I didn't see the fit for an industrial type building to be there.

Administrator Treadwell said that the Industrial Park was created in approximately 1989. He also said that the photo in the packet will not be up to code and we cannot go by that. He emphasized that the only thing we are really discussing is the use.

Trustee Arendt Vanden Heuvel said that she is not ok with creating a conditional use for the zoning code amendment. We have zones that are appropriate for light industrial or even like a heavier commercial business.

President Bellile asked how much of that land is the County taking off of that corner? She also said that it is not a very big lot to begin with. It seems like a very big building onto a small area. If you look at it, I think it is .42 acres and if you look outside of town, the other shop next to O'Reilly's is an acre and a half with three bays and an office. It is really putting a big building onto a small area, seems like it is not a good fit.

Trustee Arendt Vanden Heuvel said that was not the intent of the downtown zoning code.

Trustee Moeller said that I have a few issues and comments here. I thought about this for a while, and I have talked to quite a few people. First off one of the biggest problems that I have is that we allowed almost the identical use in a property that you just spoke about. We are still in the downtown one block away. We told another business, they said this is what we want to do and we said yes, so now we have a separate business that wants to do almost the exact same thing and now we are going to tell them no, that puts us in a position of picking, we need to be consistent as to how we are treating businesses downtown.

Trustee Olk said that it was a different board at that time.

Trustee Arendt Vanden Heuvel said we were told different information. It was very specific and it was to only be for them.

Trustee Moeller said that I understand the aesthetics, that is a preference and I think all of us probably hold that preference of what we want them to look like. We are discriminating against one person or one business when we favored the other. I think that is a real problem. I can potentially see us having a legal issue here.

Trustee Arendt Vanden Heuvel said Jim, it is not a preference, it is literally the zoning code.

Trustee Moeller said that we can't decide whether we aren't going to give this business the same opportunity as the other business. I own a business and I don't want anyone to tell me where to have my business. I couldn't imagine someone doing that.

Trustee Abitz said I do want to say one thing Jim. I was there when that filthy old PD was purchased. I was explicitly and multiple times told there will never be a car business in that old PD building. Claire had to pick and choose her tenants by that rule, and the rule still exists. And that is the way the ordinance reads. That was the intention and it was forced upon us. It is not like a preference. Are you going to say Claire, now you can have a car business too Claire, because we changed our mind? Is that what you are going to say?

Trustee Moeller said that if Claire came and said I want a car business, I would have to say we gave these other people a business too. I mean how do you say no, how do you say yes?

Trustee Arendt Vanden Heuvel said that this took over a year to create this. We cleaned up the code, and the idea was that the highway was going to be bypassed. We have a permitted use and a big part of this was the walkability and what is coming in the future. Light Industrial is such a different zoning code.

President Bellile said that she looked up different conditional use permissions, and it says it allows the Village board to ensure the business does not create visual blight, excessive noise or parking issues. If you go to the other end of town, he has no parking issues, I have never heard anything about noise, he mostly did motorcycles when he started out, and visual blight I am not sure about, and it is not as busy an intersection as compared to Nash and Main. Mill and Main is not busy, so that was another reason he got his conditional use with conditions.

Trustee Moeller said that he personally doesn't think it is a good location and that it doesn't fit. I am pretty much in agreement with everybody on those two points. The problems that I have are the parking. Eventually something will go in there and they will have a parking lot. Even if you put in retail, you will have cars going in and out.

Trustee Arendt Vanden Heuvel said that there is a vacancy in a building that has a permitted use and was told that it is just not big enough.

Trustee Moeller said that almost all of the things that have been brought up are specific to any business that would be going in there. The question is, does this board agree with the preference of the type of buildings and businesses that go down, do they agree with the previous board?

Trustee Lathrop said that that is why you have the different zones set up. You have the industrial, the downtown, residential, and you have commercial. That is why the zones are set up. That is basically what we are doing is saying that regardless of the permit, you can come and do whatever you want. The districts are set up for a reason. I get what you are saying that the previous board allowed that to happen, and I don't know all the conditions to have that happen. If you are looking to build a house, you wouldn't go to the industrial district and ask if you can get a conditional permit so you can build a house there.

Trustee Davis asked if we rezone, does it change for the entire district?

Administrator Treadwell said yes, it would be amending the downtown zoning code.

Trustee Moeller asked how the motorcycle shop was allowed.

Administrator Treadwell said that the building was already built, and the garage was on Mill Street, not Main Street. The big part of it was because it was a building that was already there.

Trustee Moeller said that all these other little issues you will run into with any business. The biggest problem that I have with the aesthetics is we don't want it to look like this. When I look at the downtown, the front of the old Hardtails looks like crap and has an abandoned entrance that is falling apart, the windows are covered up. I look at some of the other stuff downtown and some of the buildings do have a historical characteristic look to them.

Trustee Arendt Vanden Heuvel said that if the ownership hasn't changed, until the owner sells that building, and the new owner comes in it can look like that.

Trustee Abitz said that she is not doing all the façade work before the downtown reconstruction, and with the lowering of the street, businesses are putting it on hold because it will be a huge dusty mess. She said that there are only two blocks downtown. It is a very small percentage.

Trustee Moeller said that the lot that burned down and the lot next to Sentry have been empty for a long time. Without any potential to fill up that empty lot to fill up next to Sentry.

Trustee Arendt Vanden Heuvel said the lot across from the BP is owned by someone and he can pick and choose whom he sells to.

Trustee Moeller said that he thinks that we are being inconsistent when we allowed the other shop to come in.

Trustee Lathrop said that there are differences between the two. It is not exactly the same thing that we are talking about.

Trustee Abitz said that she does think it is being disrespectful of previous boards and how they voted.

Trustee Moeller said it is not being disrespectful, rules are made and rules are changed. That is what we are here for.

Trustee Abitz reiterated that this is only two blocks, and not Madison or Milwaukee.

Motion [Arendt Vanden Heuvel/Abitz] to defer amending the downtown zoning code to allow for an auto service. Roll call vote, 6 ayes, 1 nay (Moeller), motion carried.

Report of Village Officials

Clerk-Treasurer: The report is in the packet. We did receive the ballots today for the August 11 Partisan Primary and whomever had an application of file was sent a ballot today. Deputy Clerk Prochnow has updated the website, and it is ADA compliant with Town Web. Trustee Lathrop asked if her phone number will be correct in the next Village Voice. I told her yes, it will be corrected.

Director of Public Works: The report is in the packet. There is a new project manager from Vinton to take on the downtown project, and I met him today.

Chief of Police: The report is in the packet.

Library Director: Nothing

Attorney: No report

Administrator: The report is in the packet. I spent a decent amount of time with properties and people interested in buying them.

Any other miscellaneous topics for future discussion

None

Communications and Miscellaneous Business

Black Otter Lake District news: Nothing new

Building permit report: The May building report was submitted.

Hortonville-Hortonia Fire District news: They ripped up the parking lot, and the construction work has started.

Gold Cross Ambulance run reports and news: None

Hortonville Civic Association: Nothing new

Senior Activities Committee: We worked on the meal for Autumn Fest, and we worked on the activities for the Senior Activities Committee.

Comments and suggestions from citizens present

None

Motion to go into Closed Session

Motion [Olk/Arendt Vanden Heuvel] to go into closed session under State Statute Section 19.85 (1) (e) "Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session." Potential purchase agreement for parcel #240002400
Roll call vote, 7 ayes, 0 nays, motion carried.

Board to return to Open Session

Motion [Davis/Moeller] to return to open session at 8:23 p.m. Roll call vote, 7 ayes, 0 nays, motion carried.

Any action on matters discussed in Closed Session

None

Adjournment

Motion [Davis/Moeller] to adjourn. Unanimous voice vote, motion carried. The Board adjourned at 8:24 p.m.

Minutes submitted by,

Jane Booth, WCMC
Village Clerk/Treasurer

Village of Hortonville, WI 2026 Water Rate Study

Phase 2: PSC Conventional Rate Case Application

Village Board – July 16th, 2026

Why are we here?

Phase 1 completed 4/2026: Initial Long-Range Cash Flow Analysis indicated rate adjustment needed, magnitude of rate increase growing as CRC was further deferred.

Phase 2 was approved and Ehlers was directed to complete the PSC Test Year 2026 Conventional Rate Case (CRC) Application. Must be filed by 7/31/2026 for TY2026.

Tonight: Ehlers to present initial results of application, seeking consensus to file application as presented, or with any discussed changes.

Water Rates Historical Implementation

- Conventional Rate Case (CRC) last completed in 2016
- Simplified Rate Case (SRC) implemented:
 - ✓ In June 2026, Ehlers filed a SRC application on the Village's behalf per direction of the Village during Phase 1 presentation
 - ✓ PSC approved the SRC for a 3% increase that will take effect August 1, 2026

Total Change over planning period					\$ 42.74						\$ -	\$ 170.96		

Notes:

1. Current water volumetric rate is \$4.10/1,000 Gal for the first 30K Gal, \$3.30/1,000 Gal for the next 170K Gal, \$2.60/1,000 Gal over 200K Gal
2. The water user charges include a quarterly & service charge of \$29.25 for a 5/8"meter. (Note - PFP is currently 100% Municipal Charge and is not included above.)
3. The current Sewer volumetric rate is \$14.49 per 1,000 gallons and a service charge of \$60 for 5/8 inch meter, for Category A Customers.
4. The usage is assumed to be 12,000 Gallons per quarter.
5. Note - the Sewer Rates are shown for Metered Category A customers only, defined by Village Sewer Rates schedule as "sewerage contributors discharging domestic strength sewage up to 250 mg per liter Biochemical Oxygen Demand (BOD), 250 mg per liter Suspended Solids (SS), and 6 mg per liter Phosphorus (P)." The Village has separate fees for Metered Category B customers, and for Unmetered customers, not depicted above.

Recommendations & Next Steps

- File CRC Application for Test Year 2026
 - ✓ Must be filed before 7/31/2026 to be considered a Test Year 2026 application
- PSC CRC Rate Proceedings Estimated Timeline:
 - ✓ Audit: 2-3 months
 - ✓ Public Hearing: 2-3 months
 - ✓ Implementation: 1-3 months
 - ✓ ***Subject to PSC timing***
- Customer Communication
 - ✓ Best practice to notify customers of requested rate increase at time of filing PSC application (only statutory requirement is once public hearing is scheduled)
 - ✓ Upon PSC's acceptance of application, Ehlers can send staff suggested language

Quote: Village of Hortonville C57 Silverado 2500 Crew

Safety-Interior

- OnStar Services capable (See onstar.com for details and limitations. Services vary by model. Service plan required.)
- HD Rear Vision Camera (Deleted when (ZW9) pickup bed delete is ordered.)
- Hitch Guidance dynamic single line to aid in trailer alignment for hitching (Deleted with (ZW9) pickup bed delete.)
- Lane Departure Warning
- Following Distance Indicator
- Forward Collision Alert
- Seat Belt Adjustable Guide Loops, front row only (Included and only available on Crew Cab and Double Cab models.)
- Buckle to Drive prevents vehicle from being shifted out of Park until driver seat belt is fastened; times out after 20 seconds and encourages seat belt use, can be turned on and off in Settings menu
- Rear Seat Belt Indicator (Requires Crew Cab or Double Cab model.)
- Teen Driver a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to help encourage safe driving behavior. It can limit certain available vehicle features, and it prevents certain safety systems from being turned off. An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
- OnStar Basics (OnStar Fleet Basics for Fleet) Drive confidently with core OnStar services including remote commands, built-in voice assistance, real-time traffic and navigation, and Automatic Crash Response to help if you're in need. (Requires (UE1) OnStar. OnStar Basics includes remote commands, Navigation, Voice Assistance, and Automatic Crash Response, for eligible vehicles with compatible software. OnStar Basics is standard for 8 years; OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Service coverage varies with conditions and location. Service availability, features and functionality vary by device and software version. See onstar.com for details and limitations.)

Processing-Other

- Trailer Information Label provides max trailer ratings for tongue weight, conventional, gooseneck and 5th wheel trailering (Not available with (ZW9) pickup bed delete.)

Village of Hortonville Public Works						
Vehicle List						
Up Dated on 6-12-2026						
Vehicle	Asset Number	Last 4 of Vin #:	Value	Miles/Hours	Condition	Uses
1989 GMC 7000 Utility Truck	484	8482	5,000	19,000	Old, leaks a lot, just put all new hoses on the boom.	Tree trimming, hanging banners, etc.
1998 Ford F-250	128	2377	5,000	81,936	Only gets used in summer to water trees and brine in the winter, rusty, speedometer doesn't work.	Streets truck, everyday use such as emptying out village garbage bins, hauling recycling cans to new builds, hauling extra equipment to job locations (to small/old to use for plowing
2003 Ford F-550	129	5887	35,715	47,793	Old/rust on most of the truck, no gas gauge/speedometer	Used for hauling snow out of cul-de-sacs, trailering wood and wood chips from wood chipper and brush pick-up. Used for picking up Christmas Trees, leaves/yard wasted in spring and fall and bigger projects we need to haul larger loads of material. Transport woodchips for around Village parks and admin building, boulders for projects, and soil and sod for yard restoration activities
2006 Ford F-150 4x4	304	2854	5,000	65,025	Bad, Transmission blew up has no reverse	Water/GIS truck, everyday uses include locating manholes, curb stops, laterals, etc. with the tremble unit, updating locations of storm sewer inlets, pipe outlet locations, etc. General GIS mapping updates. Back-up snow plowing truck used to haul salt
2009 International dump truck		1060	40,000	38784	Good	Used for hauling snow out of cul-de-sacs, trailering wood and wood chips from wood chipper and brush pick-up. Used for picking up Christmas Trees, leaves/yard wasted in spring and fall and bigger projects we need to haul larger loads of material. Transport woodchips for around Village parks and admin building, boulders for projects, and soil and sod for yard restoration activities
2013 Ford F-250	435	6036	19,360	42,273	Not bad condition, New tires, needs upgrades, gas guslar.	Water Utility Truck, everyday use such as changing meters, collecting water samples, inspecting wells. All tools to shut off water mains for street projects, inspecting/sampling lift stations and water tower, crane wench to lift pumps out of lift stations
2016 Ford Police interceptor		7451	9,030	104,956	Decent, needs new tires	Used by crews for transportation
2017 Chevy 2500 HD	485	4836	21,030	28,288	Great Condition.	Streets truck for everyday use such as fixing street poles, putting in signs, hanging signs on poles, hauling equipment (mini-excavator, lawnmowers, skid steer) and tools to job sites. Used in snow operations on main street, adim, plant, cemetery, nash, alonzo, alley #3, and boat landing
2020 Ram 2500 man Trades	531	8167	26,780	19,537	Great Condition.	Used by water department to deliver samples to labs, inspecting water and sewer lines, meetings with reps and subcontractors. Also used during snow removal operations to plow Admin building and parking lot
2022 Ford F-350	553		35,000	4.928	Great Condition.	Used for hauling snow out of cul-de-sacs, trailering wood and wood chips from wood chipper and brush pick-up. Used for picking up Christmas Trees, leaves/yard wasted in spring and fall and bigger projects we need to haul larger loads of material. Transport woodchips for around Village parks and admin building, boulders for projects, and soil and sod for yard restoration activities
Komatsu loader w/ snow pusher					good condition, just had a fix on loader tire, pusher rubber edge has been dropped down and should be able to get a couple years out of it yet	Every day uses for compost site including loading up brush and leaves, loading salt for salt trucks, gravel and soil for larger projects. Assists with unloading heavy deliveries and lifting heavier loads to large for smaller equipment. Used as a lift to get to banners, lights, and road signs. Plowing downtown main street, pine street parking lot, compost site, water tower, alley 1, post office parking lot, natures haven lift station. Pushing all snow piles to make room for next snowfall, etc.
Kubota Skid steer w/ snow pusher					skid steer great condition, pusher is in decent shape, replaced a few things on it this year	Used for projects needing grading, dirt/gravel, clearing brush, maintaining trail behind admin building, stump grinding, post hole digging, yard restorations, etc. Used for snow removal at Well 1 parking lot, opera house, alley 3, assists on cleaning up tight corners throughout the Village
Kubota sidewalk machine with plow and snow blower					machine is getting rusty, plow is normal wear and tear, snow blower needed to be welded and fixed	Snow removal for main street, miller park, nash street, alonzo, veterans park
Kubota sidewalk machine with plow and snow blower(admin)					everything is in great condition	Snow removal for sidewalks and parking lots at admin building, cemetery
Gator					good condition	General transportation between smaller job sites with tools for trimming, shovels, etc. Smaller box for adding soil to eroded areas around parks, etc.

Memo: Opera House

The existing top step at the Opera House entrance measures 4.8' from the building face to the end of the step. The effective ramp width would be reduced by 3" due to the railings. Ramp requirements include a 5' x 5' landing at the top of the ramp sloped no greater than 1.5% in each direction. The area in front of the doorway measures 6.5' wide by 5.9' in length which is typically considered the landing area. The ramp landing can overlap the door maneuvering clearance in some cases, but this doorway has double doors. In effect, insufficient clearance would exist with adding a railing to the north side of the top step. If it was a single door on the left side only, this may help.

The existing landing in front of the doors has cross slope that exceeds the maximum allowed. The south side of the existing step is sloped N-S at ~4%. Another factor to consider is that the north edge of the top step is located very near the R/W which would prohibit construction a wider step to provide clearance for the door maneuvering.

Combining a ramp entrance with an at-grade conventional entrance can be done but this instance has definite space limitations. Handrails are required on both sides of the ramp when the rise exceeds 6", this case has 13" of rise. Edge protection must be provided at each side of the landings also. In summary, the ramp at this location would not be compliant. Landing areas need to be configured so that any maneuvering at doors does not occur near stair openings and open drop offs.

Doorways at Ramp Landings

VILLAGE OF HORTONVILLE
R – 13 - 26
2026 BUDGET AMENDMENT (BA-1-26)

WHEREAS, the Villages Funds did not have adequate appropriations made in the 2026 Budget to fund various items,

THEREFORE BE IT RESOLVED that the following amounts are changed (added to or subtracted from) as listed.

Expenditure increases/decreases allowed by revenues or transfers to cover expenses:

Account No	Title	YTD	Budget	Change	Amendment
431-53-53510-210	TIF - #3 Construction	\$ -	\$ -	\$ 20,860.00	\$ 20,860.00
431-59-59700-999	Transfer To Capital Projects	\$ -	\$ 96,730.40	\$ (20,860.00)	\$ 75,870.40
443-49-49438-000	Transfer From TID 3	\$ -	\$ 96,730.40	\$ (20,860.00)	\$ 75,870.40

BE IT FURTHER RESOLVED that this resolution shall take effect upon publication as required by Wisconsin State Statute 65.90(5)(a).

IT IS SO RESOLVED THIS 16th Day of July, 2026

BY THE BOARD

Ayes _____

Jeanne Bellile, President

Nays _____

Jane Booth, Clerk Treasurer

ADMINISTRATION

clerktreas@hortonville.wi.gov

July 16, 2026

ELECTIONS

- Continue with Registered List Alerts in WisVote – Felon, Death, Duplicate
- Picked up the August election supplies from Outagamie County
- Public Test of Voting Equipment will be August 4th at 9:00 am
- In-person Absentee Voting will be July 28th – August 7th

WEBINARS/ZOOM MEETINGS/TRAININGS

- Weekly Department Head Meetings
- Weekly Staff Meetings

FINANCES

- M, W, F bank deposits
- Balance and reconcile accounts/journal entries/prepare invoices
- Approve payroll, initiated withdrawals
- Prepared EBC/HRA Reimbursement Invoices/other various invoices
- Monthly reconciliation of bank accounts
- Completed the Quarterly Survey of Property Tax Collections

LICENSES

- Filed the Wisconsin Retail Liquor and Tobacco License Reports with the DOR
- Received nineteen Commercial Solicitation Applications for FDS – Appleton, (Home Pest Control Service)

PUBLICATIONS

- Public Hearing – Planning & Zoning Commission
- Public Test of Voting Equipment
- Municipal Board of Canvass Notice

PUBLIC RECORD REQUESTS

- All building permits for May
- Any and all records regarding election-related training for election inspectors – Republican National Committee

OTHER

- Village Board agendas & packets, committee agendas
- Village Board minutes, committee minutes
- Other Committee/Commission meeting agendas & minutes as needed
- Real Estate Inquiries – For June – 16 requests
- Dog Licenses Issued – for June – 6 licenses
- Assigned address for Lot 1 & Lot 2 – CSM – P&Z 7/23/26

Operator's Licenses Issued as of July 1, 2026

7/16/2026 Director of Public Works Report

Meetings attended:

- Staff meetings
- Department head meetings
- Meetings with McMahon and pipe-bursting contractor
- Weekly Construction meetings with contractors, subcontractors, engineers, and county for Main Street Construction Project
- Meeting with EOR to discuss Black Otter Lake Watershed Plan
- Multiple meetings with contractors for ongoing Grandview Road Urbanization Project
- Multiple meetings with Ehlers on PSC water rate study
- Black Otter Lake District Meeting
- Meeting with MSA to discuss floodplain study
- Meeting with Eagle Scout for park bench donations
- Meetings with WE Energies about proposed electric service work

Current and past projects include:

- Mainstreet construction project start 7/6/26
- Public works crew street painting 7/13/26-7/16/26
- Alternative temporary pedestrian path around bridge closure design and mark out
- Grandview Road Urbanization ongoing, mostly complete
- Crack-filling street maintenance completed 6/24/26
- Continued work with County and McMahon on East side construction tentatively scheduled for 2028 as well as West side main street construction scheduled for 2029
- Working with financial consultants on long-term utility cash flows
- Municipal Urban Tree Inventory and Maintenance plan (ongoing)

Sincerely,

Aaron Steber
Director of Public Works

7-16-2026 Police Department Report

Meetings

- Village Department Head Meetings
- Weekly Main Street Construction Meetings
- Met with new HASD school administrators to provide safety overview and SRO role/responsibilities
- Met with Fox West Chamber to discuss Main Street event in October

Training

- Our entire department attended room clearing/building clearing tactics training at Hortonville Middle School on 7/8
- Entire department will attend CPR/First Aid and Zero Eyes/School Response to active threat on 8/10
- Officer McCready attending Nihilistic Violent Extremism training on 8/12

Ongoing Projects and Miscellaneous

- Reviewing e-bike and chronic nuisance ordinances
- I have received tasers, cartridges, batteries from Seymour PD and Monticello PD. Full inventory completed of items received. Will need to purchase some batteries, but will have all equipment necessary until 2028
- Continuing to work with Verizon on Mi-Fi issue. We are experiencing network errors in certain locations. We received other Mi-Fi demo units which did not work either. Currently we have a demo unit of Cradlepoint which has worked flawlessly. All other agencies have moved to Cradlepoint. Will work with Verizon to contract Cradlepoint for all of our squads.
- Met with safety director with HASD for panic alarm testing for all buildings
- Working with Outagamie County Communication Center on updates to new roads in Village and upcoming road projects/new residential construction mapping
- Worked with VC3 and Outagamie County Sheriff IT to resolve Spillman issues.

- Working with residents on removal of semi on Bath Street
- Due to some issues with the tornado siren I worked with Sheboygan Warning Systems and Outagamie County Emergency Management to ensure the siren is working properly
- Working with Outagamie County Sheriff and resident regarding inquiry regarding tow service
- 2026 Incidents Jan 1st-July 14th (3006 incidents) (2810 incidents in same time frame in 2025)

Upcoming

- Safety Meetings with HASD Transportation
- ThedaCare New London Law Enforcement Collaboration Meeting
- Police Lights of Christmas Cop @ Culvers event on 7/28
- Started planning National Night Out for 8/4 at Commercial Club Park

Nathan Treadwell - Administrator
Village.Administrator@hortonville.wi.gov

Administrator Weekly Update – 7/13/26

Economic Development

- **Terrace Manor (Grandview) Subdivision**
 - Concrete sidewalks and drainage system was installed this last week. We are expecting the asphalt and landscaping to go in sometime in the next two weeks.

Projects

- **Main Street – Downtown Segment**
 - Following the public information meeting, our engineering team, construction manager, and I met with representatives from Alliance Church and several other businesses to discuss the upcoming construction project and address questions and concerns before work begins.
 - Alliance Church asked whether the Village had considered making improvements to the front of their building since the sidewalk will already be removed during construction. They pointed out that the existing window wells are outdated and allow moisture to enter through the basement windows, creating ongoing dampness issues. Our engineering firm noted that they encountered similar conditions during downtown reconstruction projects in Oshkosh and have experience with a solution that could address this problem.
 - Alliance also inquired about the possibility of installing an ADA accessible entrance. Accommodating an ADA ramp would require modifications to the existing layout and could potentially require the removal of a few trees near the building entrance.
 - We also discussed the possibility of replacing the existing front landscaping with a concrete plaza area. My initial concern was that the Village Board may not support removing the existing landscaping. However, the engineering team suggested incorporating decorative planters and benches, noting that this could create a more functional public gathering space if the building is ultimately used as a community center after Alliance's lease expires.
 - I want to emphasize that Alliance Church was not requesting that the Village complete these improvements. Their intent was simply to make us aware of these issues while construction is already taking place, as they were items Village staff had not previously considered during the initial project planning.

- I have asked our engineering firm to prepare cost estimates for each of these potential improvements so the Village Board can review and discuss the options at the next meeting.
- **Main Street – Downtown Segment (Continued)**
 - I have had four different families reach out regarding pedestrian access to downtown, asking if there was an alternative route other than the posted detour. After hearing their concerns, I believe they have a valid point. I would prefer not to direct children and pedestrians to Nye Street, which is already experiencing increased traffic due to the detour.
 - After evaluating our available options, the only feasible solution was to work with Midcon to provide temporary pedestrian access across a portion of their property.
 - We currently have a verbal agreement with MID Con, the owner of the former Canning Factory property, to establish a temporary 10-foot-wide pedestrian access easement. Unfortunately, our Village Attorney has been out of the office until July 7. I have already contacted his office so the necessary easement documents can be prepared and provided to the property owner as soon as he returns.
 - Once the easement is executed, Village staff will establish and clearly mark a designated pedestrian path within the easement area. The property owner is supportive of this arrangement, provided pedestrians remain on the designated trail and do not access other portions of the property due to liability concerns. Because this is a temporary easement, the property owner reserves the right to terminate the agreement at any time. Once the route is finalized, signed, and mapped, we will clearly communicate that pedestrians must remain within the designated easement boundaries.
 - If everything proceeds as anticipated, I am hopeful the easement will be finalized and the temporary pedestrian route will be open by July 20th.
- **Small Business Development Grant**
 - Standard Projects just installed the first part of their planned update, putting in the new glass garage doors.

Misc.

- Had a few ordinance questions that came up that we will be addressing in the next meeting.
- Aaron and I worked on getting more numbers for the Water submittal to Ehlers for our PSC rate case.
- I was on Vacation 7/9-7/13

2026
