Discussion Items:

1. FY 2023 Budget

Town Clerk Heather Poulsen explained that her and Town Treasurer Stephanie Wood had added a line item for the water grant into the budget. The budget-also included the salary wages as they were requested by the council. The council felt like the budget looked good.

2. July Town Council Meeting

The town council decided to cancel the work session as well as the regular town council session that was scheduled for July 13, 2022.

Mayor Rowley informed the council that the Juab County Sheriff's office contacted him and asked if he would attend a meeting with the county commissioners. The sheriff's office cannot keep deputies employed due to low

wages and would like to discuss the problem with the mayors and commissioners.

The council also discussed the fact that they do not have a volunteer to chair the 24th of July luncheon. The council felt like some school activities such as football, FFA, drill team, or cheerleaders should be asked if they want to do it as a fund raiser. They also felt like it should be kept local before offering to allow businesses outside of the community to take it over.
