Fireworks

When shooting fireworks over the 4th of July holiday please be aware that a permit is required through the Town office. It does require the signature of the Town Chairman and the Fire Chief.

Please plan to get your permit early, issuance of a permit the day before is not possible.

Deadline to request permit is June 22.

It will require proof of liability insurance. That can be faxed to our office at 920-854-7366. Permit applications are available on the Town's website. Have a safe 4th of July.

Outdoor Fires

Having an outdoor fire in the evening is always a fun family event. A portable firepit with a mesh enclosure to capture hot embers is obviously the safest to use.

If you have an open firepit please remember that your fires should be no larger than a fire that you would cook over and should never be left unattended. Grass fires can start easily and get out of hand very quickly. Have a hose or a fire extinguisher nearby for safety.

Annual Pollinator Week Celebration- Climate Change Is In Our Hands: Little Things Matter

Join DC North for a week of activities including live music, plant sale, activities for all ages that help to promote all insects. www.doorcountynorth.org

Pollinator Week 2023

Pollinator Week is an annual celebration in support of pollinator health that was initiated and is managed by Pollinator Partnership. It is a time to raise awareness for pollinators and spread the word about what we can do to protect them. The great thing about Pollinator Week is that you can celebrate and get involved any way you like! Popular events include planting for pollinators, hosting garden tours, participating in online bee and butterfly ID workshops, and so much more. However you choose to

celebrate this year, be sure to register your event on the Pollinator.org map and share your story with us by tagging us on social media using the hashtag #PollinatorWeek.
